**KEYSTONE QUADRANT,
APRIL 2001.**

Fuck yeah, bitch. Bet you really fucking like that, don't you?

When I get out of here, I'm going to kill everyone on this ship.

But, you? First I'll burn your cock to a crisp and feed it to you whole.

AMPH!

The only one feeding on this cock is you, traitor scum.

NNGH!

Now suck all that cum out of it.

You're not so tough without your fancy little powers, are you?

Don't get cute with any biting, either. Wouldn't want to burn that pretty face of yours on this electrified wall.

That's enough, soldier. Stand down, I need to take the prisoner to the Main Hall.

And hello, Vers.

Korath... What have you done to me?

I see you have become acquainted with our *Nega-Bands*.

Our finest scientists engineered them to draw energy from another dimension.

Not even you can overpower them.

Every day we grow closer to reaching *Mar-Vell's* achievements and reproducing your powers. All that we need now is the *Tesseract*.

If it were up to me, I'd torture you until you'd cry where you hid the cube.

But *he* has other plans for you.

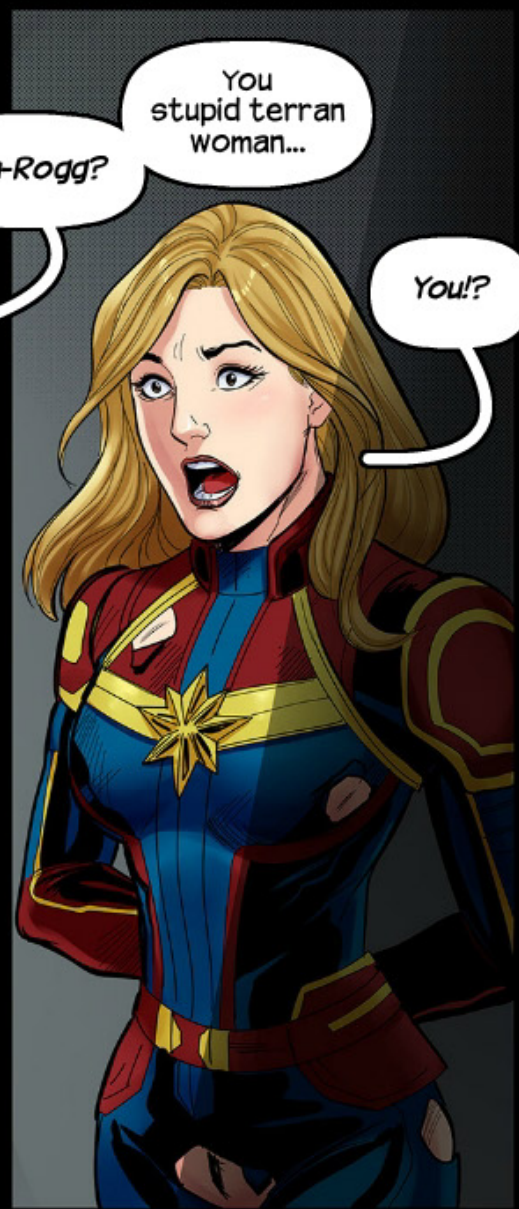

Now, march!

"HE"?

So even after his shameful defeat, Yon-Rogg got to keep the Starforce around as his lackeys?

Yon-Rogg?

You stupid terran woman...

You!?

Ronan!

Vers...

I finally meet Hala's greatest failure.

I must say, I didn't expect the Kree to be behind all this. This hardly looks like an *Accuser ship*.

Hala and I had a falling out. The men aboard this ship...

We disagreed with the treatise with the Skrulls.

And now there is talk of peace with the Xandarians.

All because of *YOU!!!* Do you understand what you've done!?

For millennia, the Kree have conquered countless star systems!

Instilled our peace on worlds too weak to do the same. We could have united the galaxy!

But instead we cower in fear of this so-called Captain Marvel. And so, Vers...

My name... is *Carol!*

I don't care.

You stand **ACCUSED!**

Accused of robbing the Kree race of our manifest destiny.

How do you plea--?

I plead **THIS!!**

PTOO!!

Insolent whore!

My faithful followers!
Look before you and see our greatest enemy, bare, naked, and weak!
I sentence her to face the wrath of true Kree justice.

NNGH!

I'd like to see you try.

Step away! I'll kill you all if you touch me!

Tough words, for a terran.

To think Yon-Rogg let this piece of ass beat the crap out of him?

Guess he's not as tough as they say.

I said, GET OFF OF M--

Shut up, traitor!

MMPH!

You will not ruin this for me. I trained my entire life to join the Starforce!

Rose through the ranks so that Yon-Rogg would pick me!

CLUCK!

The pride I felt when he did...

And then you came along. You became his favorite, his second...

NNCH!

And you squandered it!

Betrayed your own people, humiliated our leader.

MMPH!

Do you know what I could have done in your stead?

I would've been a greater leader than you or Yon-Rogg ever were!!

But now the Starforce is gone, my life's work for naught.

And so I will take pleasure in YOU, my consolation prize.

None of that was on me. And it seems like you're the ones betraying the Supreme Intelligence nowad--

Waaait! Are you finally smiling, you sick fuck?

Haha, yes!
Today I
laugh on the
inside and on
the outside.

Not too
different from
you, it seems.

What do
you mean,
Pursuer?

She's
getting
wetter.

Bring
her to me,
at once!

OOOM!!!

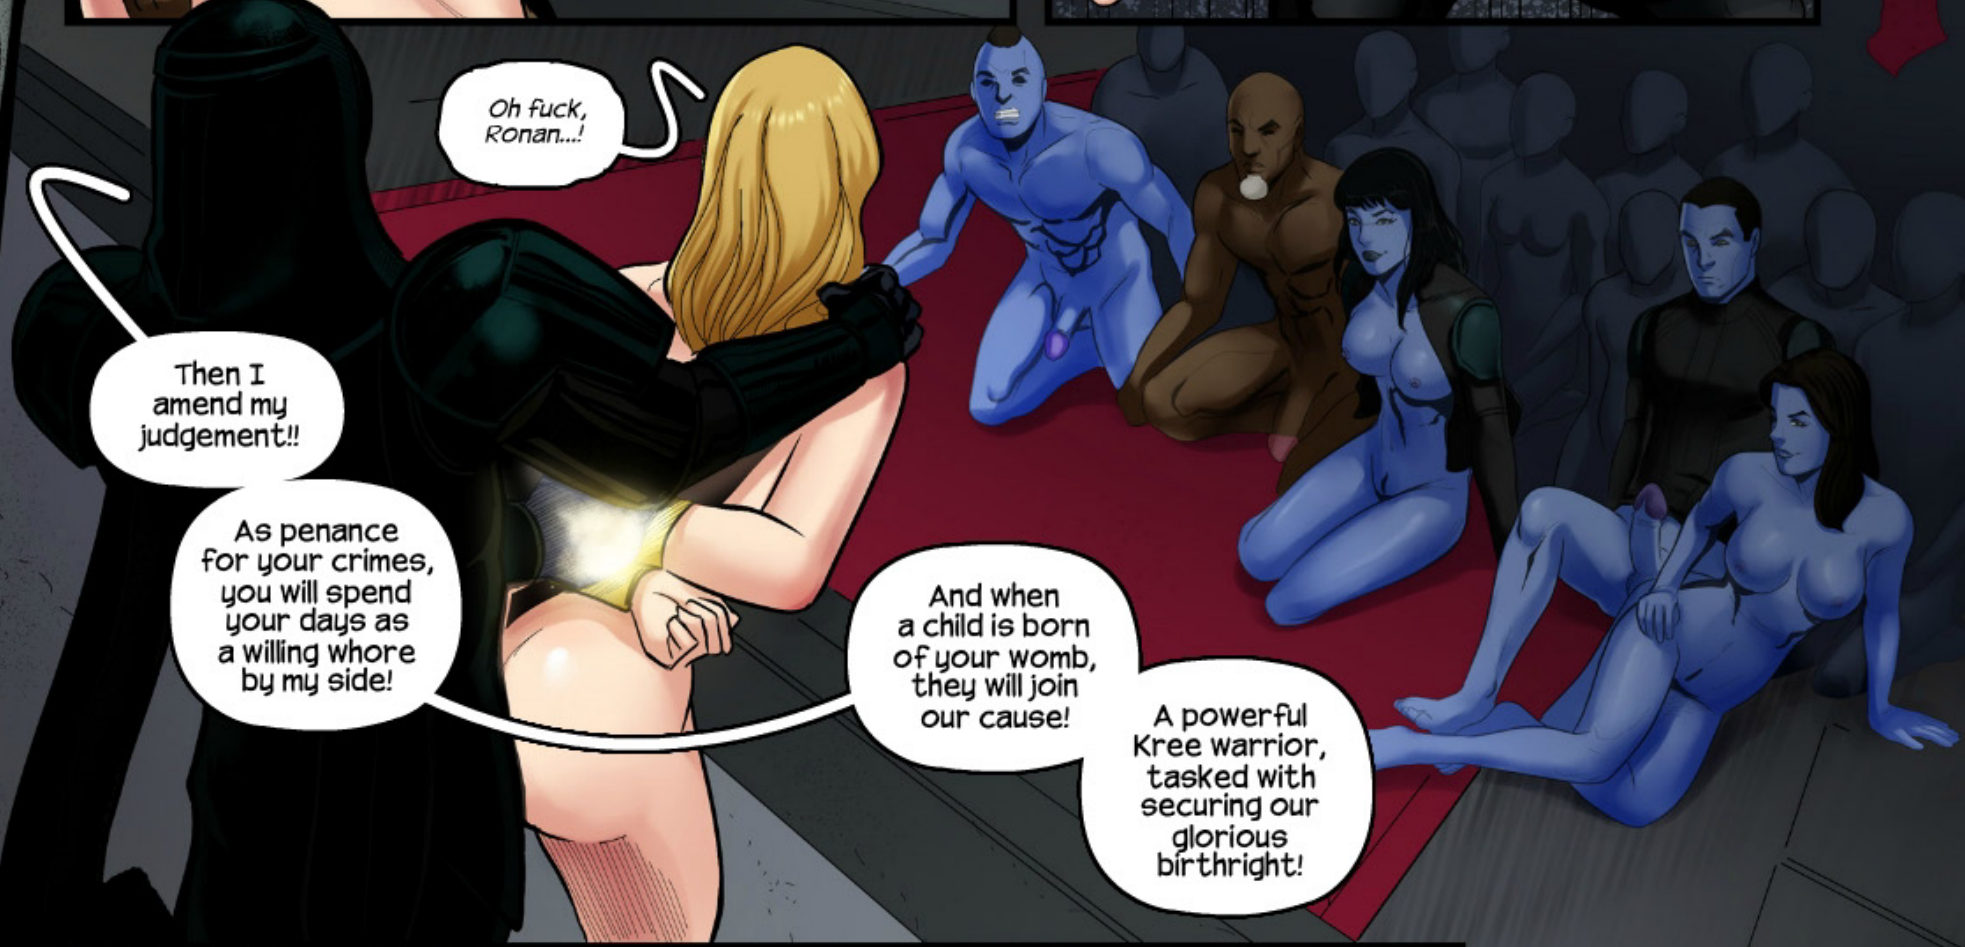

What is
that I hear?
Moans? Are you
enjoying your
punishment?

Being
treated as
nothing more
than a breeding
vessel in front
of those
you used to
command....

MMMMMM!!!

Does
this please
you!?

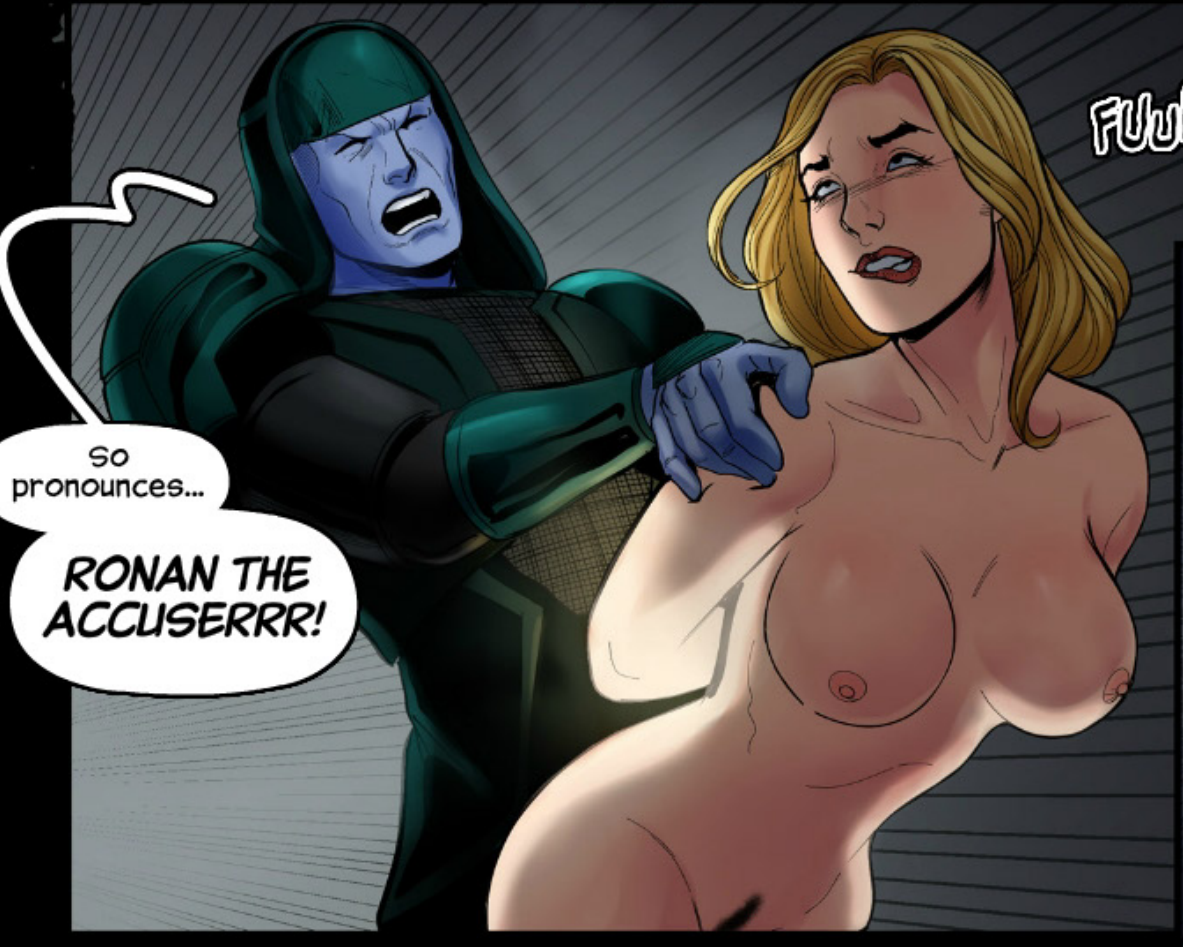

Oh fuck,
Ronan...!

Then I
amend my
judgement!!

As penance
for your crimes,
you will spend
your days as
a willing whore
by my side!

And when
a child is born
of your womb,
they will join
our cause!

A powerful
Kree warrior,
tasked with
securing our
glorious
birthright!

So
pronounces...

**RONAN THE
ACCLUSERRR!**

FUUUUUU!!!

KRAKK

What?
No

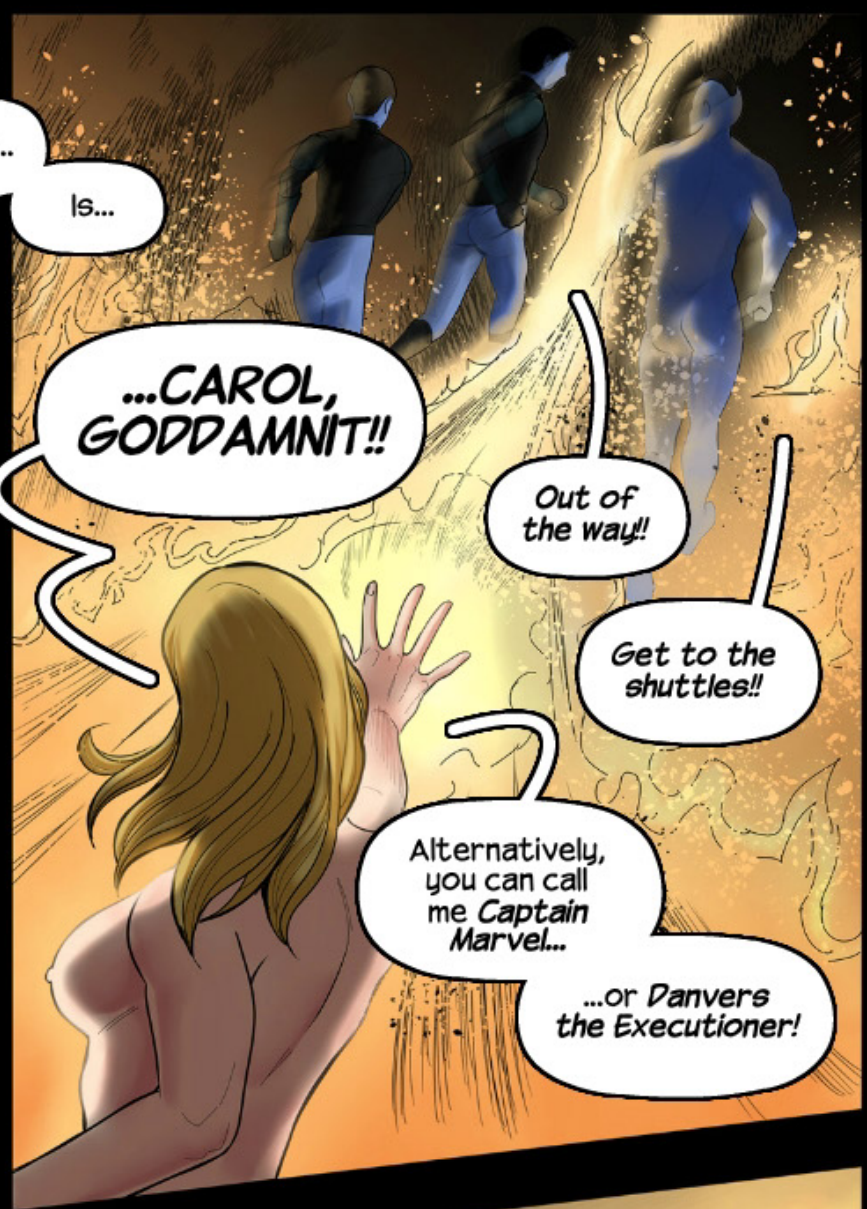

Don't let
Vers escape!

My...

Fucking...

Name...

Is...

...CAROL,
GODDAMNIT!!

Out of
the way!!

Get to the
shuttles!!

Alternatively,
you can call
me *Captain
Marvel*...

...or *Danvers
the Executioner!*

You...
That cock!

You were the
abuser in my cell,
weren't you?

I believe
I made you a
promise!

I was
just following
orders!

WAAHH!!

You can
remember
me as that
*Bitch Who
Jerked Your
Cocks Into
Flames!*

Really?
Cumming
already?

Pfff...
Pathetic!

TRAITOROUS
WITCH!!!

WAAAAAAHH!!

Oh don't think I've forgotten about you!

After all, we were having so much fun earlier!

GLURKI!

What? Not laughing now?

How about a smile for me, huh?

I'm letting you lick all those creampie's out of my pussy...

Least you can do is give me a smile!

GAAAH!!

And then, that leaves you...

My head...

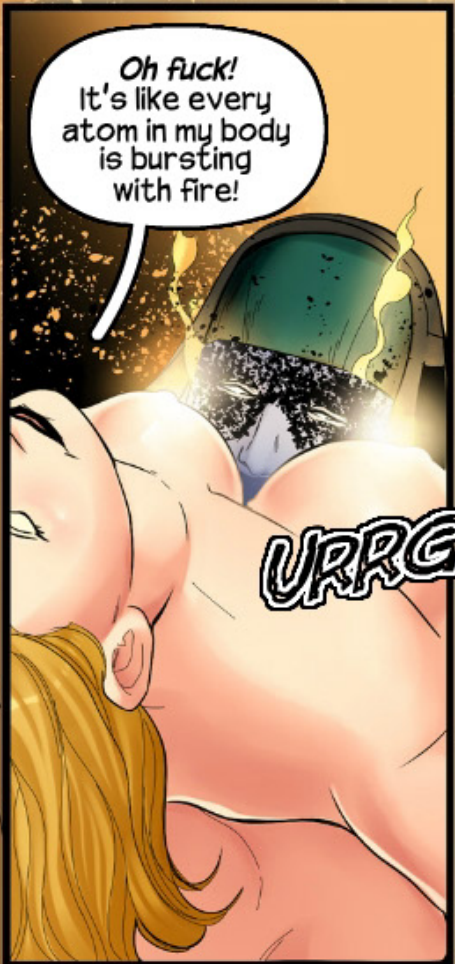

I suggest you leave now, while you still can.

If you think you can best an Accuser so easily, you're surely--

AACKK!!

You talk too much. Now shut up and be a "willing whore".

Oh fuck! It's like every atom in my body is bursting with fire!

URRGHH!!

I'm... I'm gonna...

KRWOOOSH

That hit the spot.

You should have left me to die...

No... I sentence you to **LIFE!** On this desolate rock!

May you grow old and see the error of your ways...

Watch the universe and the Kree turn towards peace without you.

And then die alone, **powerless**, where no one will ever find your body.

Your days as **Accuser** are over!

Yes, child... But to what end?

Destiny arrives all the same...

EARTH, PRESENT DAY.

Woah...

I'm...

Peter Parker.

Hey, Peter Parker.

You got something for me?

INTO THE END ...GAME!
