

STRANGE SWITCH

The WAR OF THE REALMS has fallen upon Midgard, and the wicked Enchantress Amora reigns over Latin America. When a vision foretells her downfall at the hands of Doctor Strange and Captain Marvel, the Asgardian refuses to let that future come to pass. Using her sorcery, she bodyswaps the two heroes! Now trapped in bodies they cannot control, the Kree soldier and the Sorcerer Supreme must rely on the help of Black Widow and Spider-Man to set things straight. But when their efforts result in libidinous witchery, the escalation of sex magic quickly makes things worse...

**Rio de Janeiro,
Mata Atlantica, Brazil.**

Nope, nuh uh, I am not dying of some poisonous bug bite. Though the irony alone would probably kill me first.

ugh...

Everyone was called in hours ago...

What the heck are you doing in a rainfore--?

NAT!?
CAROL!?

OOOOHHHH!

Hold on, I'm coming!

They must be in danger!

I hear them!

This feels awesome!

Blyat da, that looks so hot, Carol...

keep fucking him like that.

Huh, what?

Unbelievable...

Oooh, fuuuck!

All of reality is in danger, but that's okay, we'll just bone in the forest instead!

"Spidey will get us if we're needed..."

Real mature, guys.

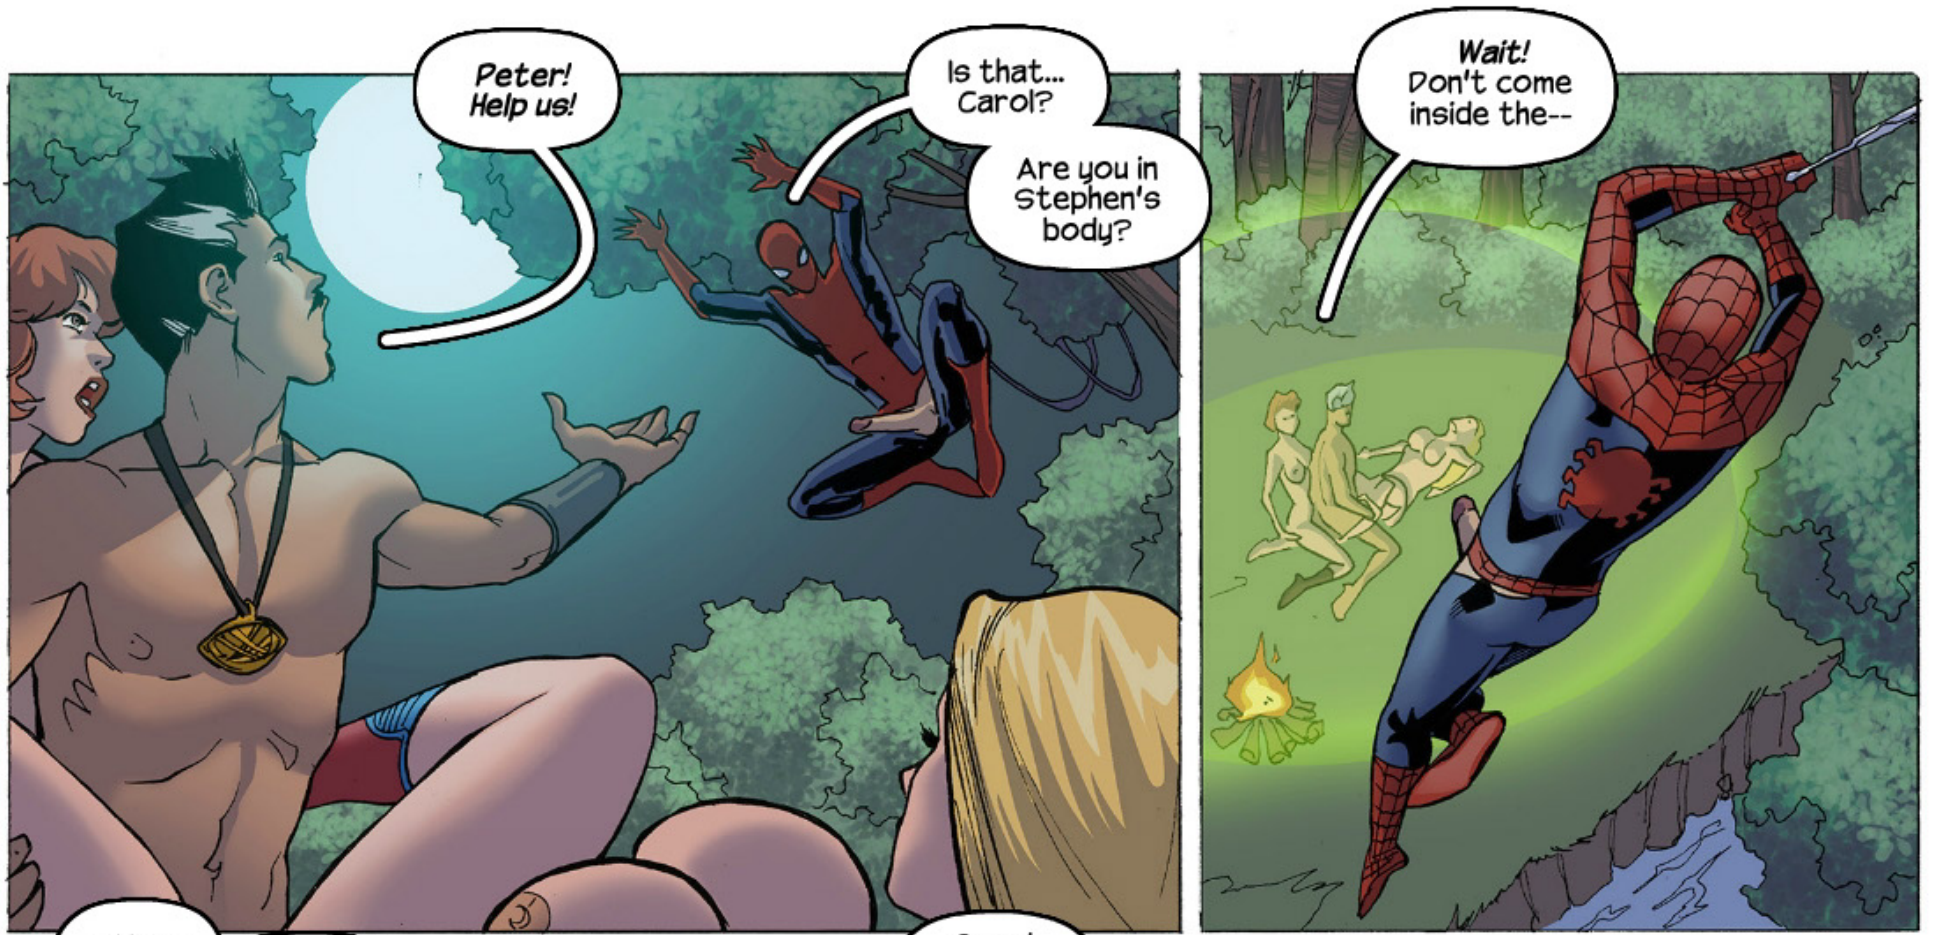

Well, in this case... I might as well enjoy myself.

HOARY HOSTS OF HOGGOTH!!

Fuck me harder, Carol!!!

WAIT, WHAT THE FUCK???

Peter!
Help us!

Is that...
Carol?
Are you in
Stephen's
body?

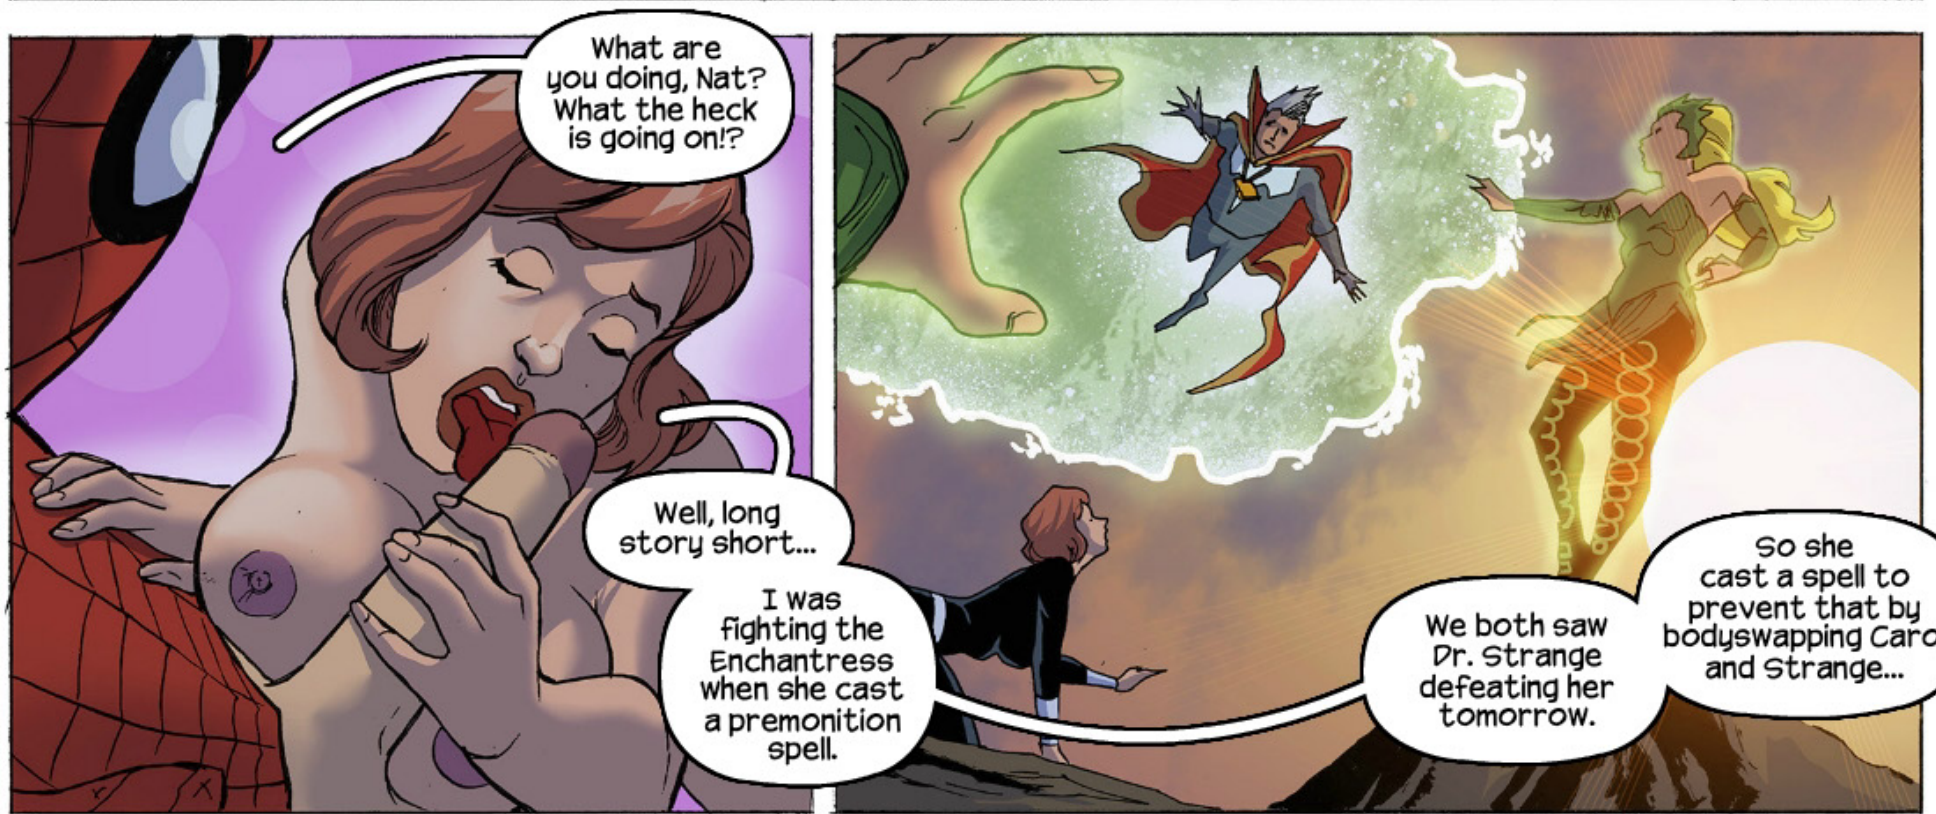

Wait!
Don't come
inside the--

WOAH!
Why am I
glowing?
And
what's this
rush I'm
feeling?

Great,
now he's
also stuck
in the spell
with us.
Just... *Fuck!*
give me that
fat cock.

Sorry,
Spidey...
You didn't give
me a chance
to warn you.

What are
you doing, Nat?
What the heck
is going on!?

Well, long
story short...
I was
fighting the
Enchantress
when she cast
a premonition
spell.

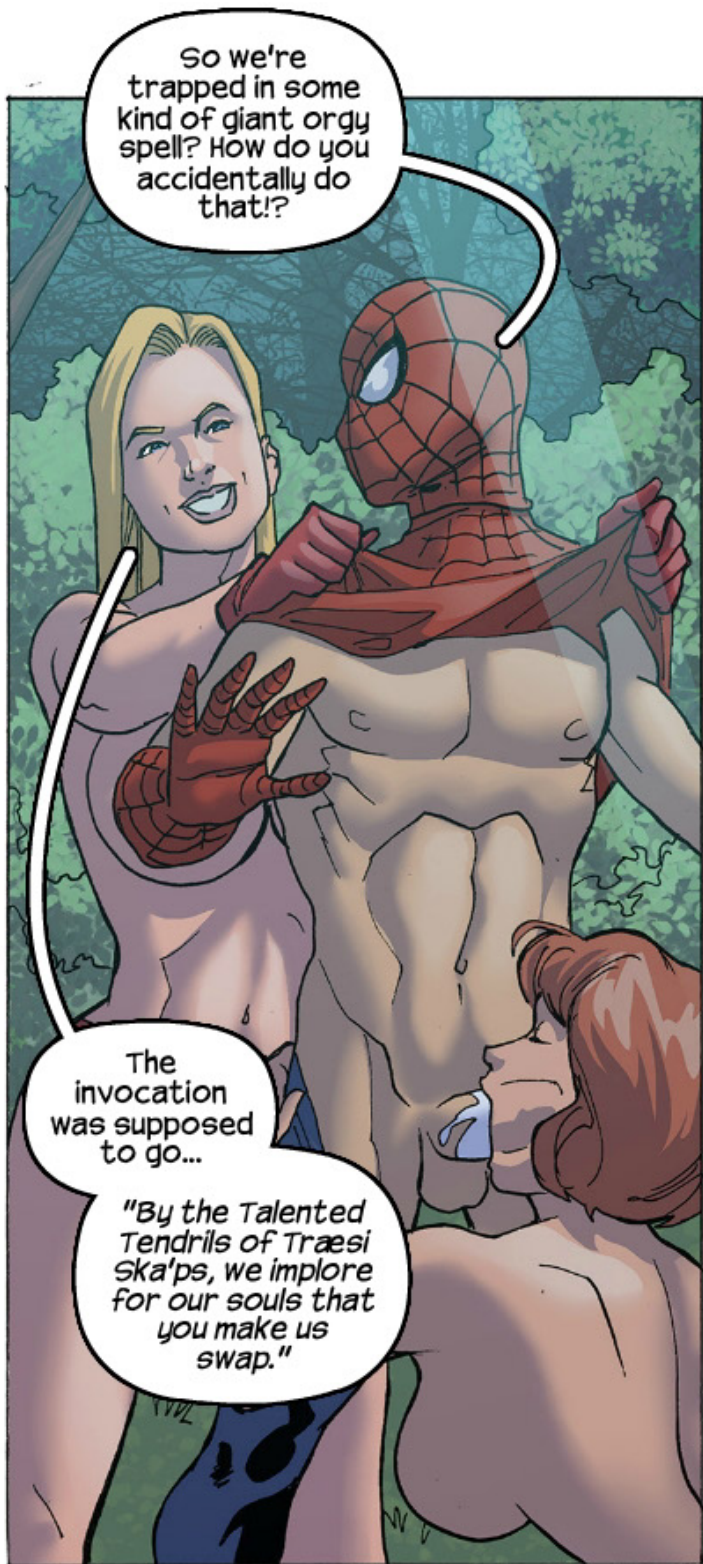

We both saw
Dr. Strange
defeating her
tomorrow.

So she
cast a spell to
prevent that by
bodyswapping Carol
and Strange...

Then Carol
tried using
Strange's body
to undo the
spell...

But she fucked
up and cast some
horny sex magic
instead.

So we're trapped in some kind of giant orgy spell? How do you accidentally do that!?

The invocation was supposed to go...

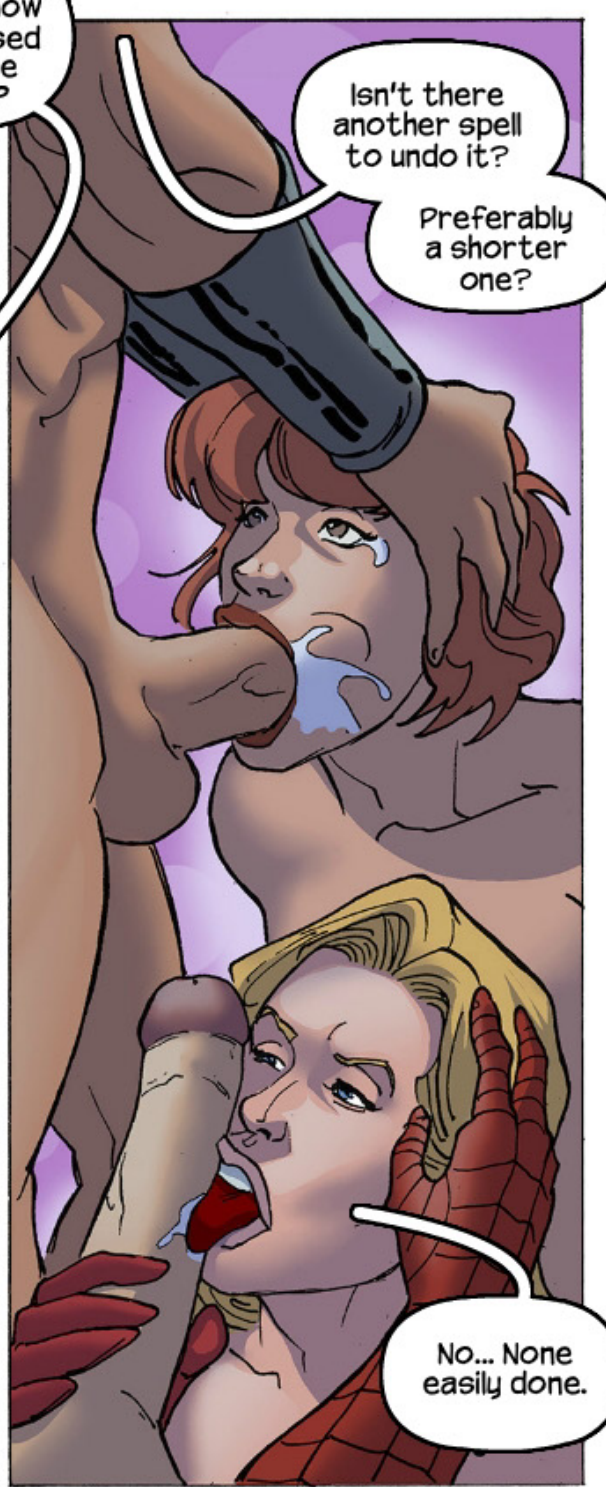

"By the Talented Tendrils of Traesi Ska'ps, we implore for our souls that you make us swap."

...and what did she say.

She literally said "we implore for our souls that you make us, fuck, what was the next word, I forgot."

Oh, jeez, I'M SORRY, how was I supposed to memorize ALL THAT!?

Isn't there another spell to undo it?

Preferably a shorter one?

No... None easily done.

Traesi Ska'ps is a sex goddess who draws power from the coitus of demons.

That makes no sense! Why invoke a SEX GODDESS for a body swapping spell!?

Ohhh, fuck...

I can't believe how amazing it feels to be balls deep in pussy.

This magic will not end until everyone affected has achieved climax.

I don't know... sex goddess logic? I try not to ask too many questions.

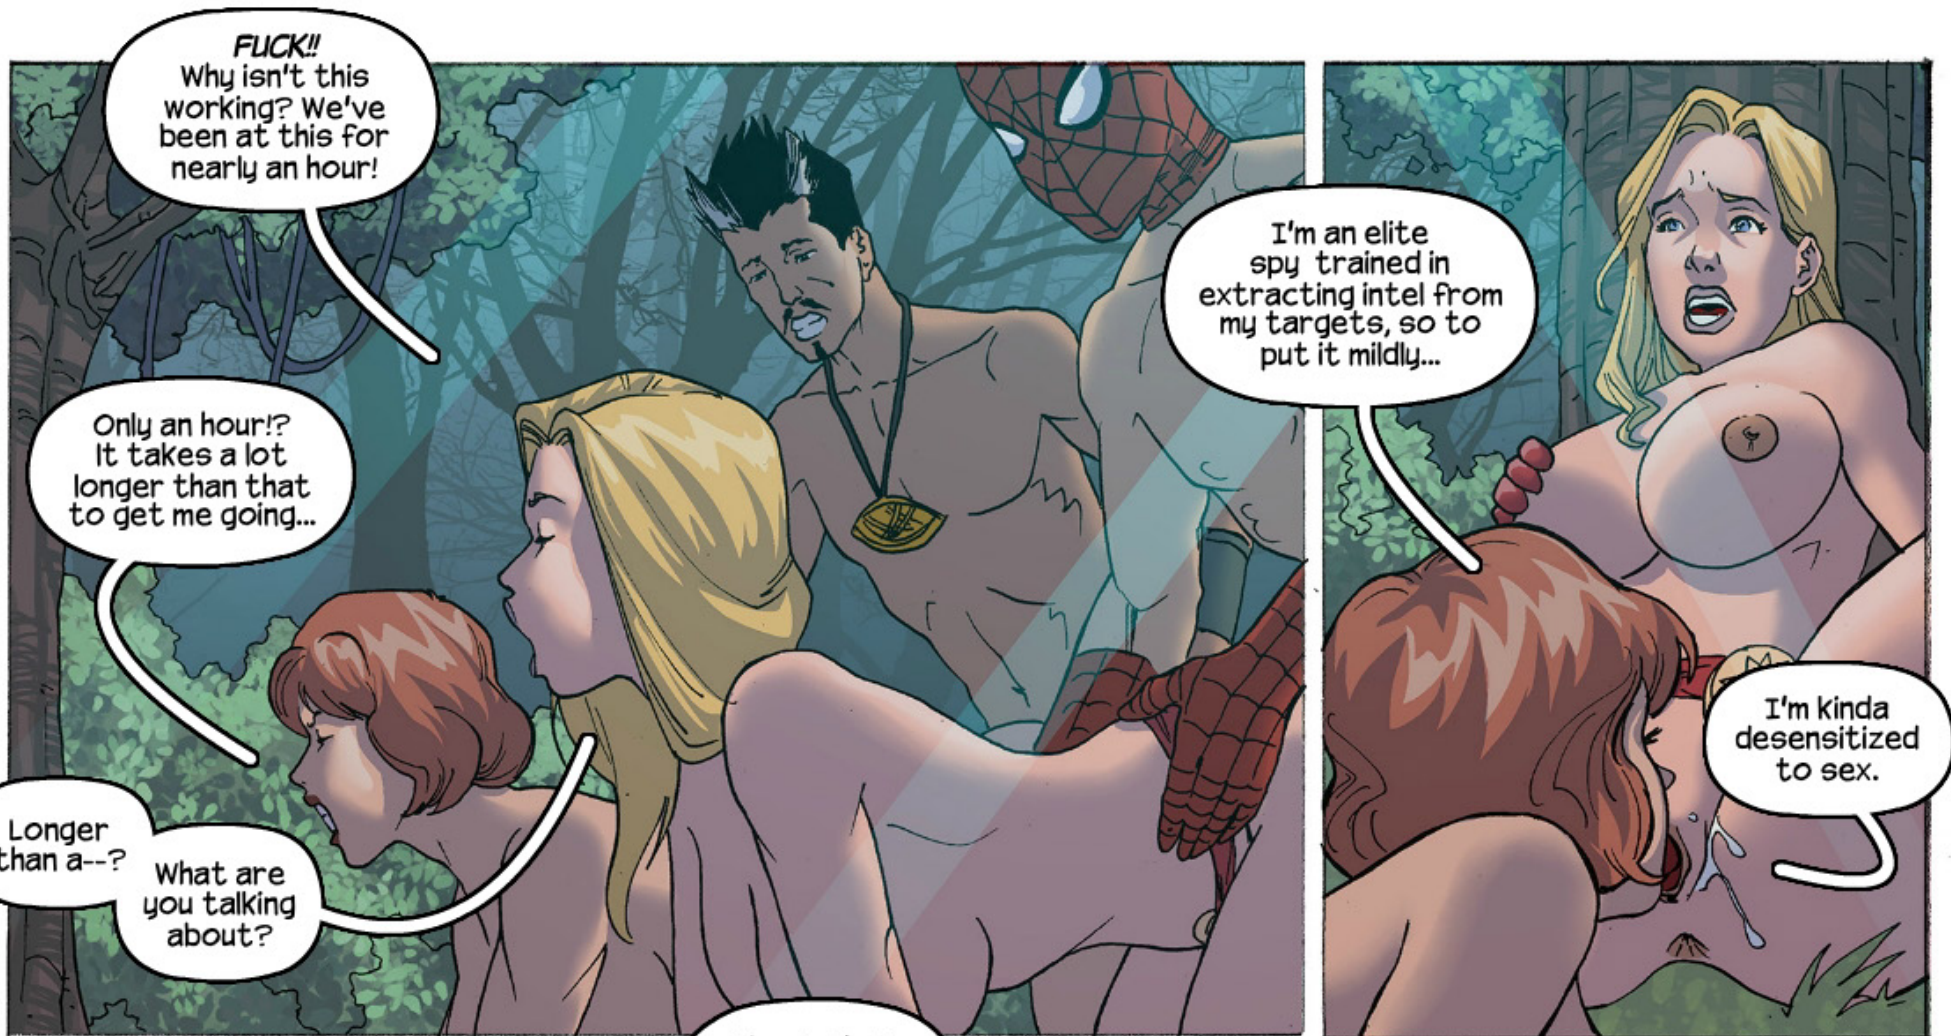

Glad you're enjoying that, Carol...

We've totally been missing out, Nat.

Oh, just shut up and fuck me, Parker!

I'm just wondering, like... Is this gay? Cause technically this kinda seems pretty gay.

FUCK!!
Why isn't this working? We've been at this for nearly an hour!

Only an hour!?! It takes a lot longer than that to get me going...

Longer than a--?

What are you talking about?

I'm an elite spy trained in extracting intel from my targets, so to put it mildly...

I'm kinda desensitized to sex.

And then Carol and I have enhanced endurance.

MJ can go all night before I finally cum in the morning.

Oh yeah, same here! But that doesn't explain why it's taking me so long to cum while in Strange's body.

About that... My body might be more used to sex with a few more demons involved.

...And some tentacles.

...not to mention sharp teeth.

Jesus Christ, man.

Well I guess they don't call him Dr. Strange for nothing.

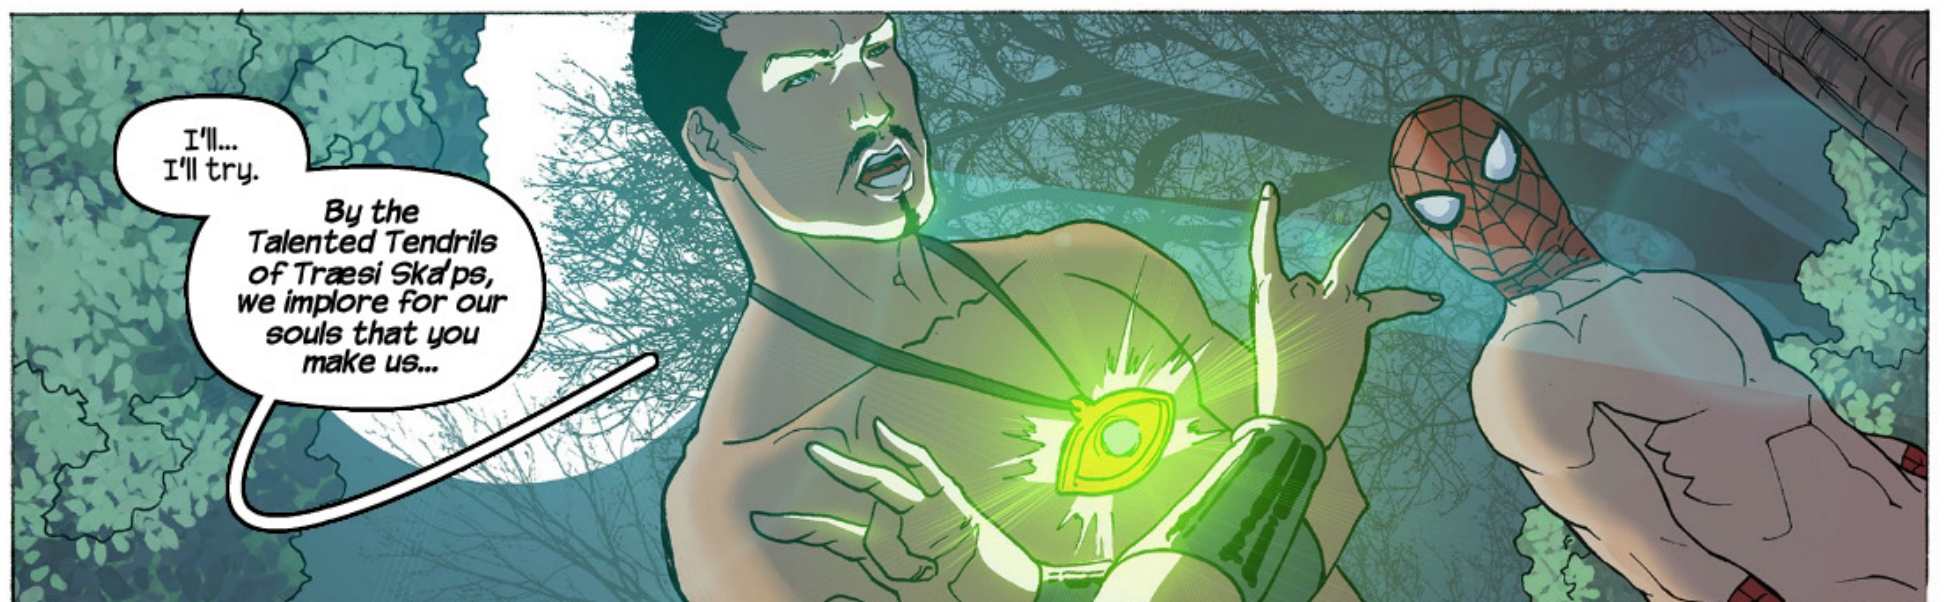

Anyway...

Carol, you need to try the spell again!

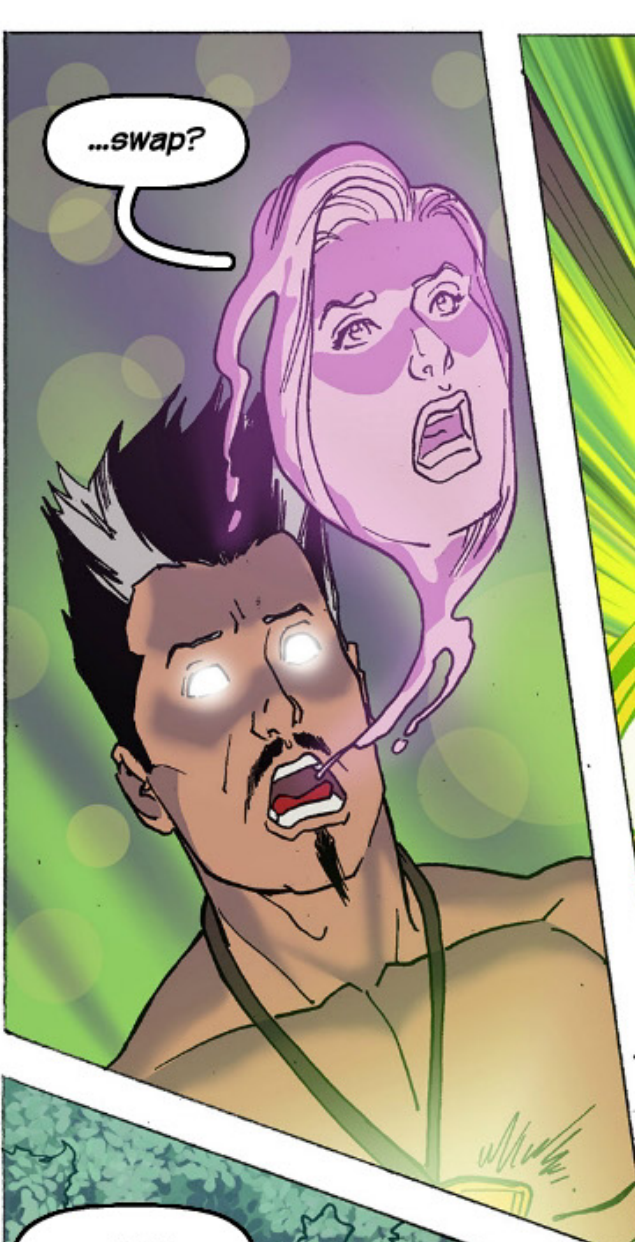

If I can get back into my own body...

Perhaps I can find some way to barter with the succubus.

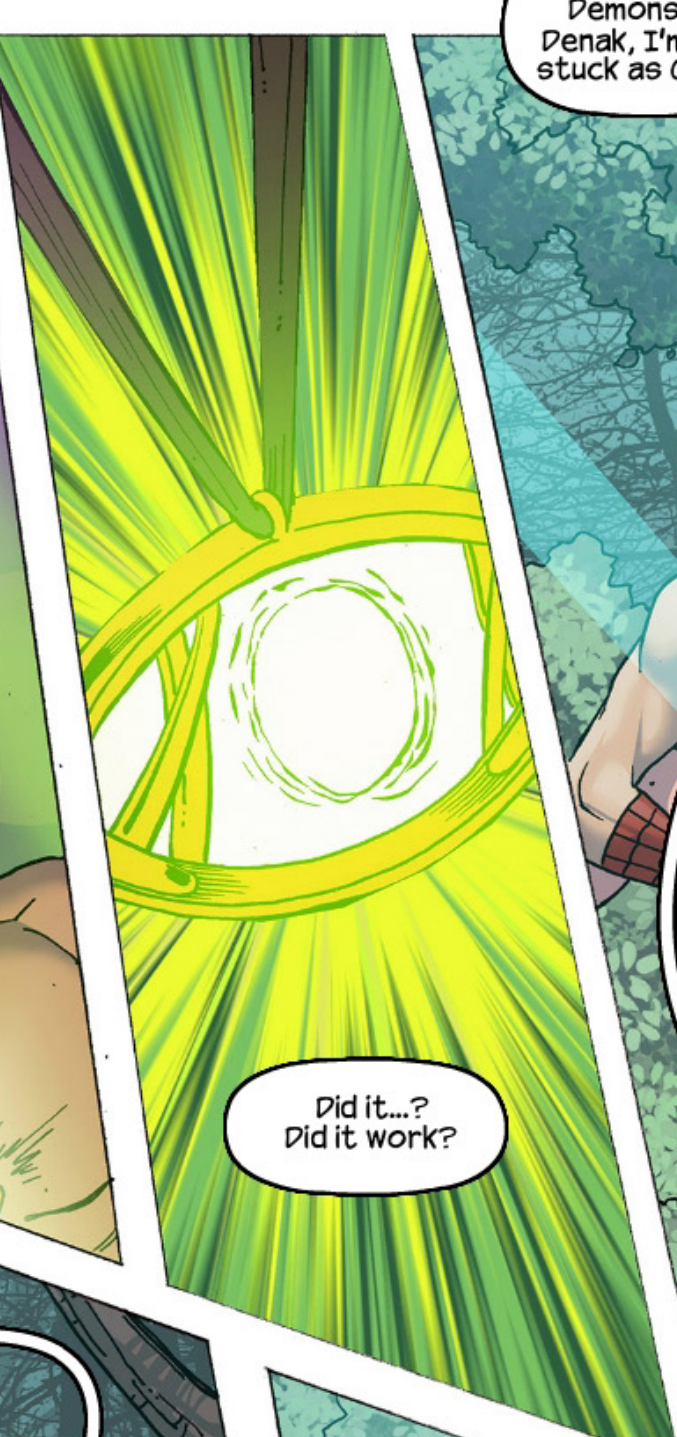

I'll... I'll try.

By the Talented Tendrils of Traesi Skd'ps, we implore for our souls that you make us...

...swap?

Did it...? Did it work?

Oohhhh...

I mean, Natasha! You need to calm down!

I'M TRYING BUT MY COCK IS SO FUCKING HARD IT FUCKING HURTS!! ARE ALL MEN LIKE THIS?!

Of course not, mmmmm...

PARKER! What the hell is wrong with your dick!?

No!! By the Demons of Denak, I'm still stuck as Carol!

Are you sure you said it corre-- OH FUCK!!

BOZHE MO!! IS THIS WHAT HAVING A DICK FEELS LIKE!?

NATASHA!? You're in Parker's body?

WHY IS IT SO FUCKING HARD!?

GET YOUR HOT FUCKING CUNT DOWN ON MY COCK NOW, YOU STUPID BITCH!

I dunno... Spider-powers logic?

I try not to ask too many questions...

Damn, Carol... Keep doing that with your tongue!

Whooahh, this body is sooo flexible...

I didn't know you were so dainty, Nat. And your nipples are so pretty...

Oh fuck, Carol, if you keep that up I'm gonna--
Fuuuhck!!!

Oh god, yes! My asshole feels so good filled with your cum...

HHRRRAAGGH!!!

OH MY--
FUCKING!

FUCK, I DON'T CARE--

MMMPHH!

CAST THE SPELL--

BEFORE SHE KILLS ME!!

But I don't know how to do magic!

Just recite the invocation, picture what you want in your head, and say it out loud!

Wait, that's all there is to it?!

YES!!!

And make it rhyme! The better the rhyme, the stronger the spell!

Okay, here goes nothing...

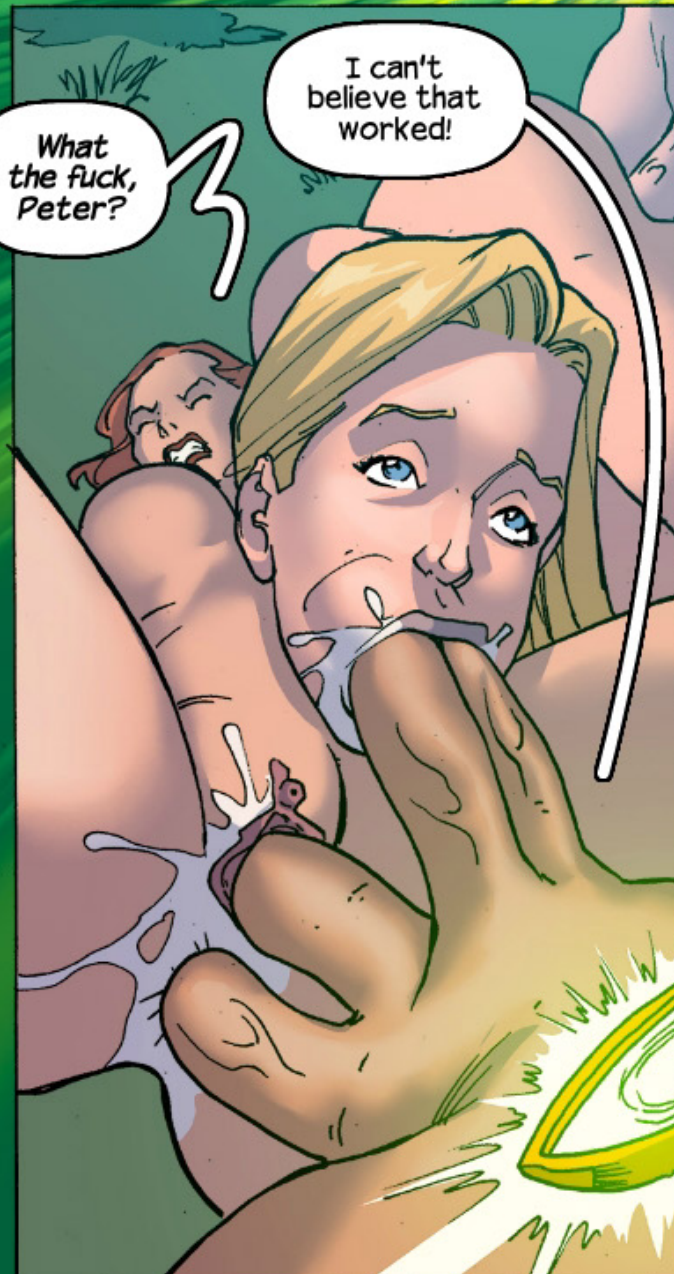

By the Talented Tendrils of Træsi Skå'ps, I ask for...

PENIS!

Cleanest!

Meanest!

QUADRUPLE PENIS!!!

What the fuck, Peter?

I can't believe that worked!

Sorry guys, I just couldn't pass up the chance of trying this...

Peter! My cervix!

This is too much, even with Nat's body!

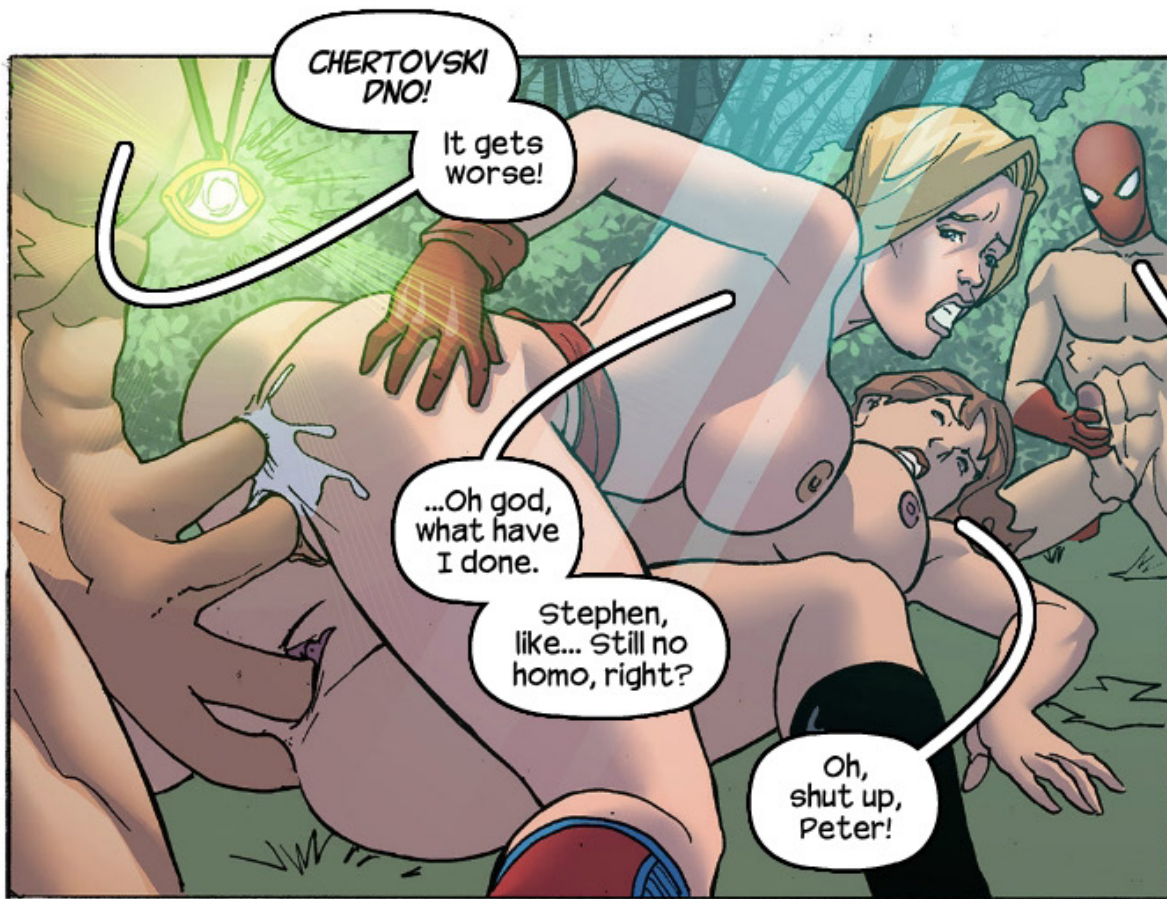

Will you...

JUST CAST THE FUCKING SPELL, PETER!

Okay, okay!

Jeez...

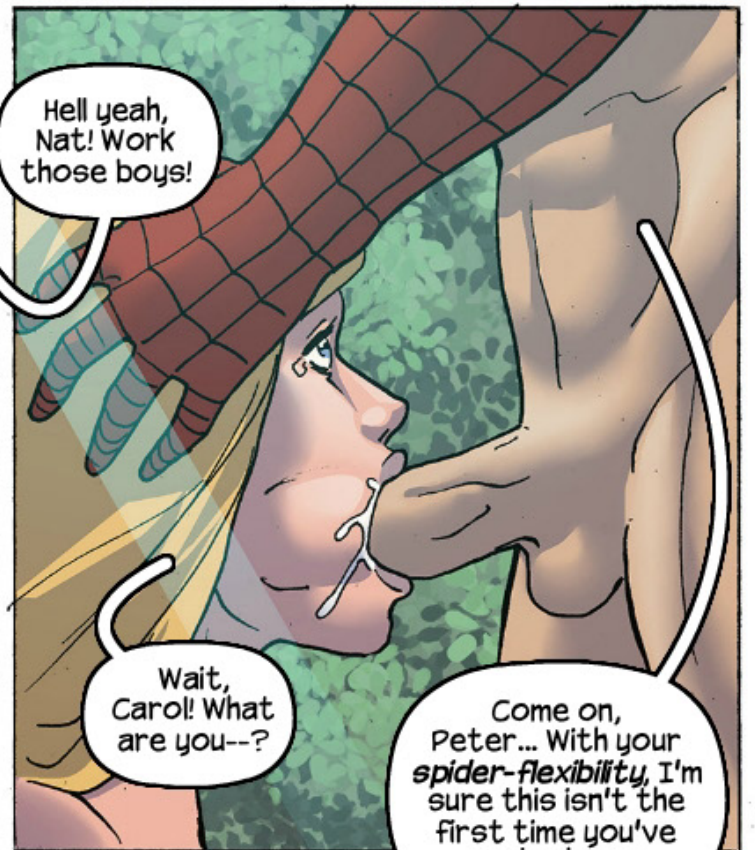

CHERTOVSKI DNO!

It gets worse!

...Oh god, what have I done.

Stephen, like... Still no homo, right?

Oh, shut up, Peter!

Hell yeah, Nat! Work those boys!

Wait, Carol! What are you--?

Come on, Peter... With your spider-flexibility, I'm sure this isn't the first time you've sucked your own cock.

Now you, Strange... I'm suprised by your eagerness to help.

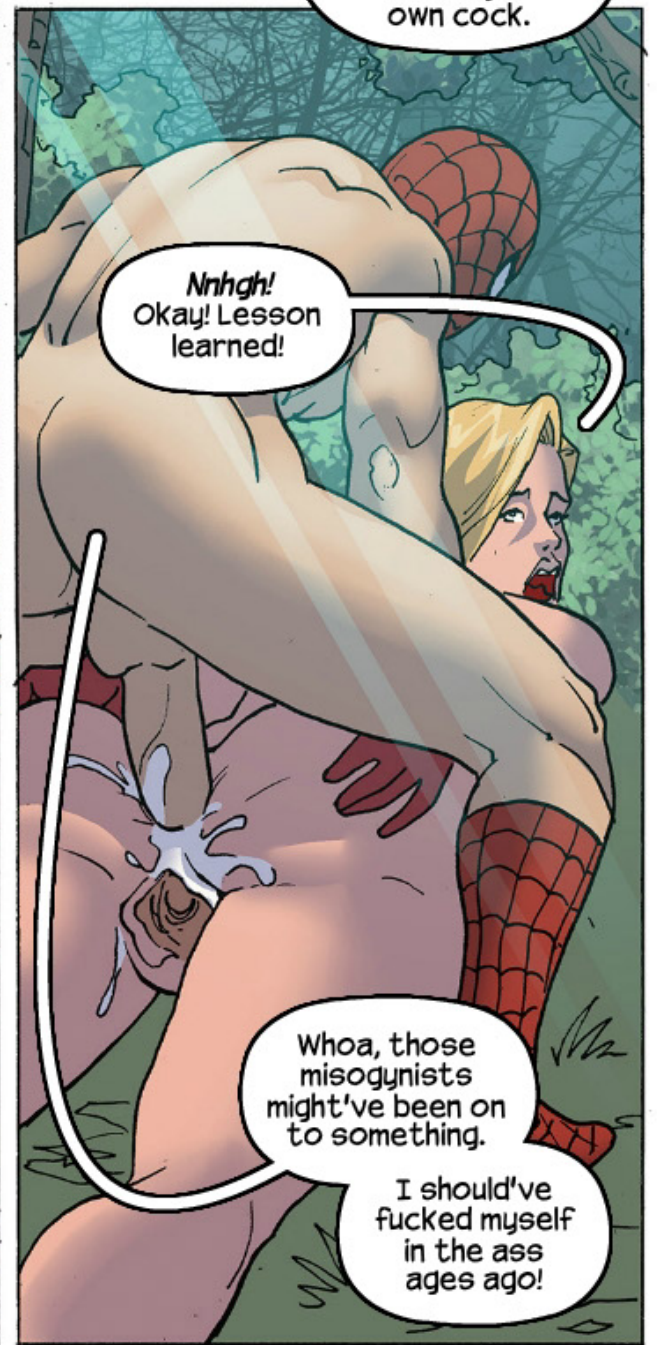

The sooner we cum, the sooner I can go back in time and make us forget about all this.

In that case... Peter, remember all those times I let you put it in my butt?

OH, COME ON!!!

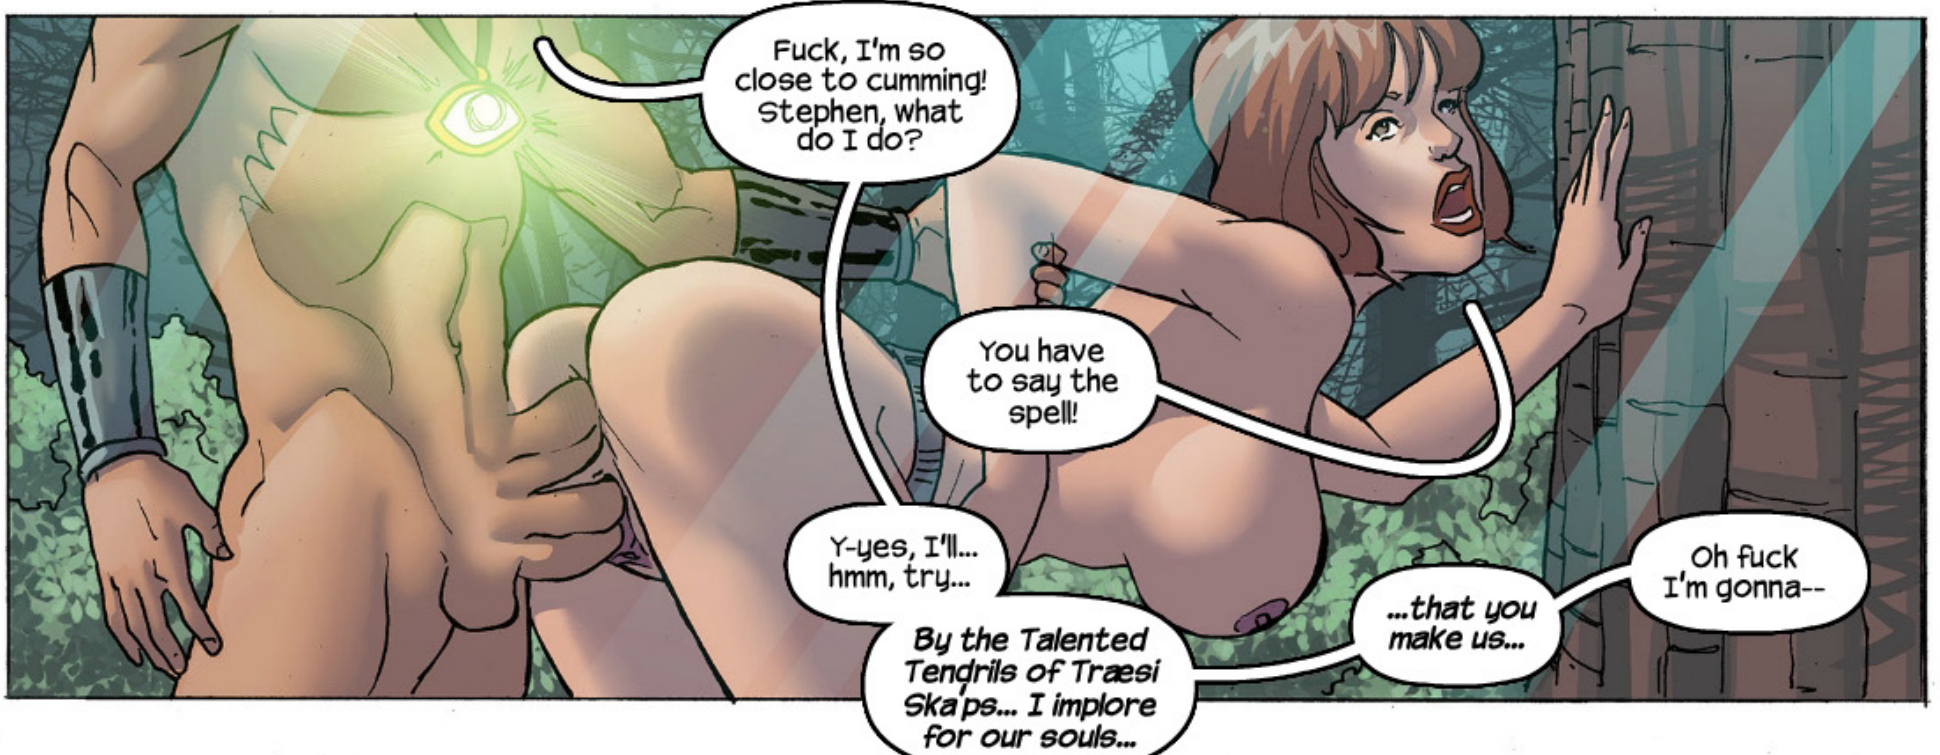

Is that really necessar--?

Nnhgh! Okay! Lesson learned!

Whoa, those misogynists might've been on to something.

I should've fucked myself in the ass ages ago!

Fuck, I'm so close to cumming! Stephen, what do I do?

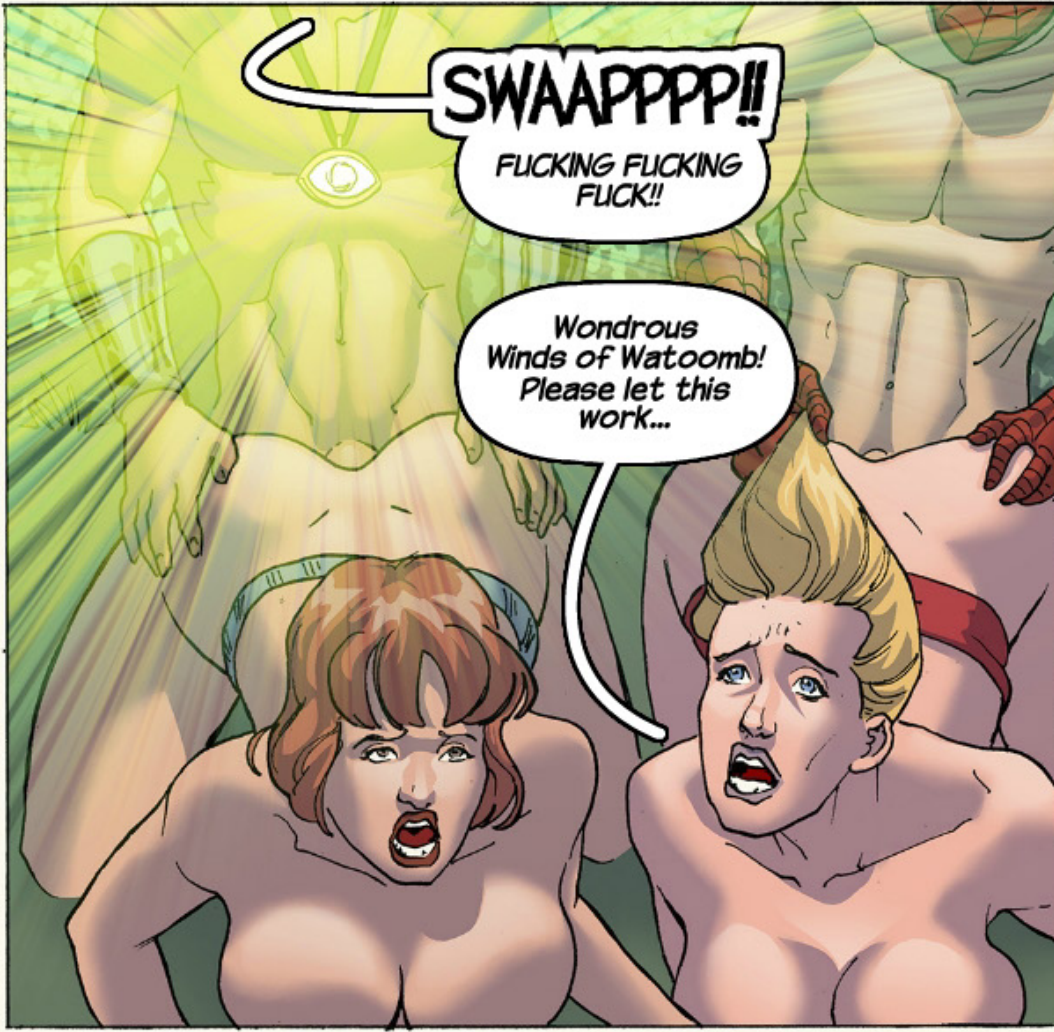

You have to say the spell!

Y-yes, I'll... hmm, try...

By the Talented Tendrils of Træsi Skaps... I implore for our souls...

...that you make us...

Oh fuck I'm gonna--

SWAAPPPP!!

FUCKING FUCKING
FUCK!!

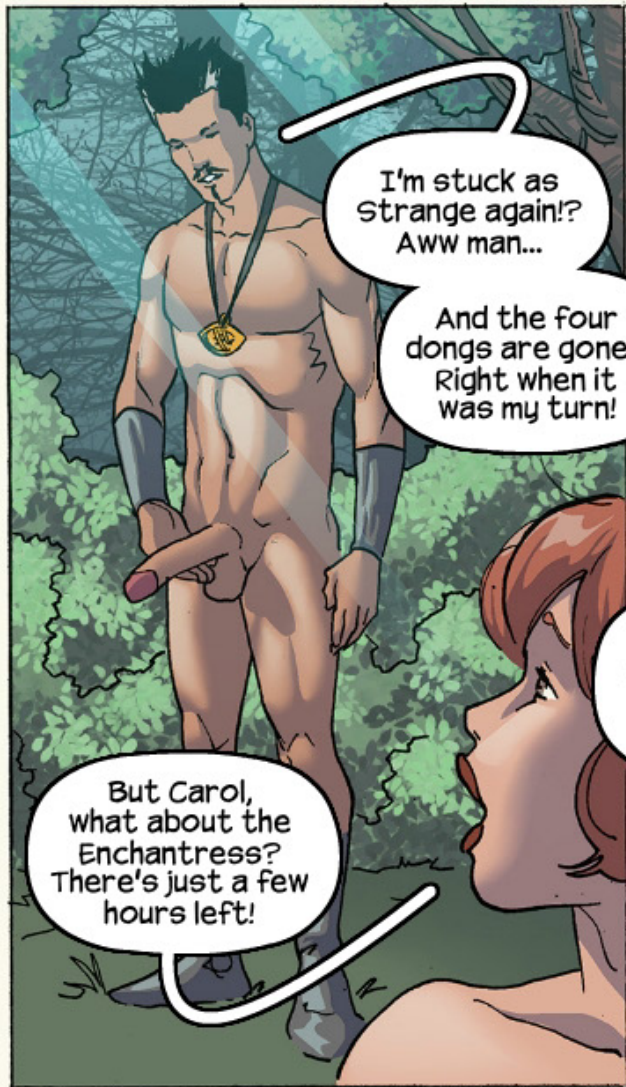

Wondrous
Winds of Watoomb!
Please let this
work...

I'm...
I'm back!

Slava bogu,
the penises...
I'm free!

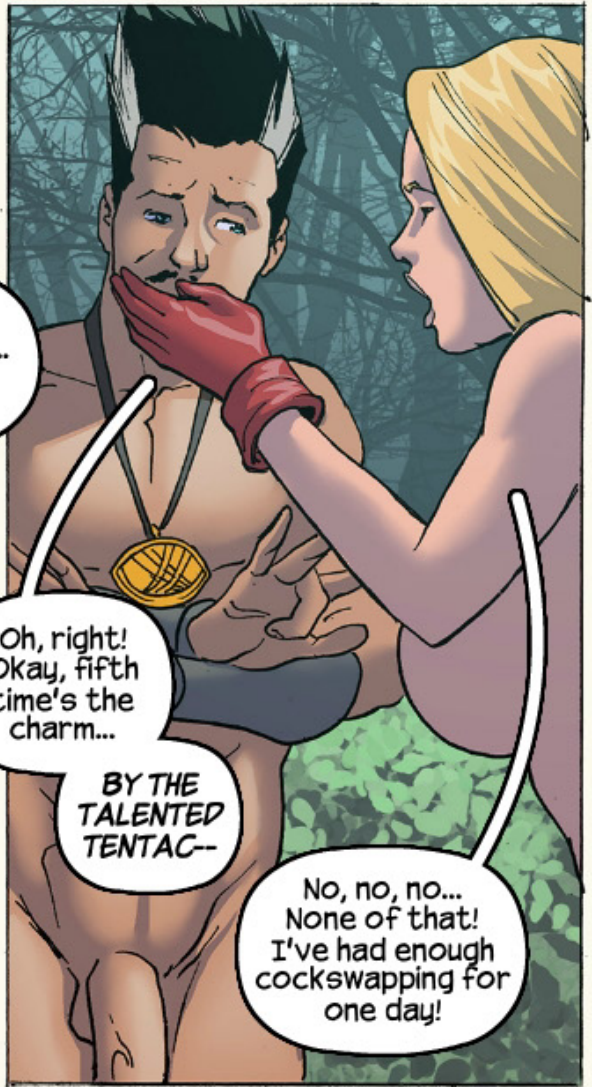

GODDAMNIT!!

I'm stuck as
Strange again?!

And the four
dongs are gone...
Right when it
was my turn!

But Carol,
what about the
Enchantress?
There's just a few
hours left!

Oh, right!
Okay, fifth
time's the
charm...

**BY THE
TALENTED
TENTAC--**

No, no, no...
None of that!
I've had enough
cockswapping for
one day!

Come along,
Carol. We've
wasted long
enough with
this sex hex
madness.

Our time is
better served
training you in
some more...
punch-y magic
instead.

Now that
sounds like
something I'd
be great at.

Hey,
Peter...

...still
horny?

Fuck, I'm
dripping... How
do you last a day
with that thing?

Ehhh, with a bit
of Parker luck, I
usually get it handled
by one of the crazy
women in my life.

Bohze moi!
I certainly
wouldn't mind
handling you
again from time
to time.

S-sure...
What's one
more nympho to
handle, right?

The End!
