Okay so like, after I left Scotty's house...

Spider-Dude stayed there waiting for Scotty to apologize, you know, for all that crazy shit that went down in Germany.

But turns out Scotty and Hope were having a little *mini-bang* while homie and I talked.

And by *mini*, I mean they were literal microscopic, cause there ain't nothing small 'bout their sex moves, y'know what I'm sayin'?

Is this story going anywhere, Mr. Luis?

I'm getting there, I'm getting there...

So, Spidey be like...

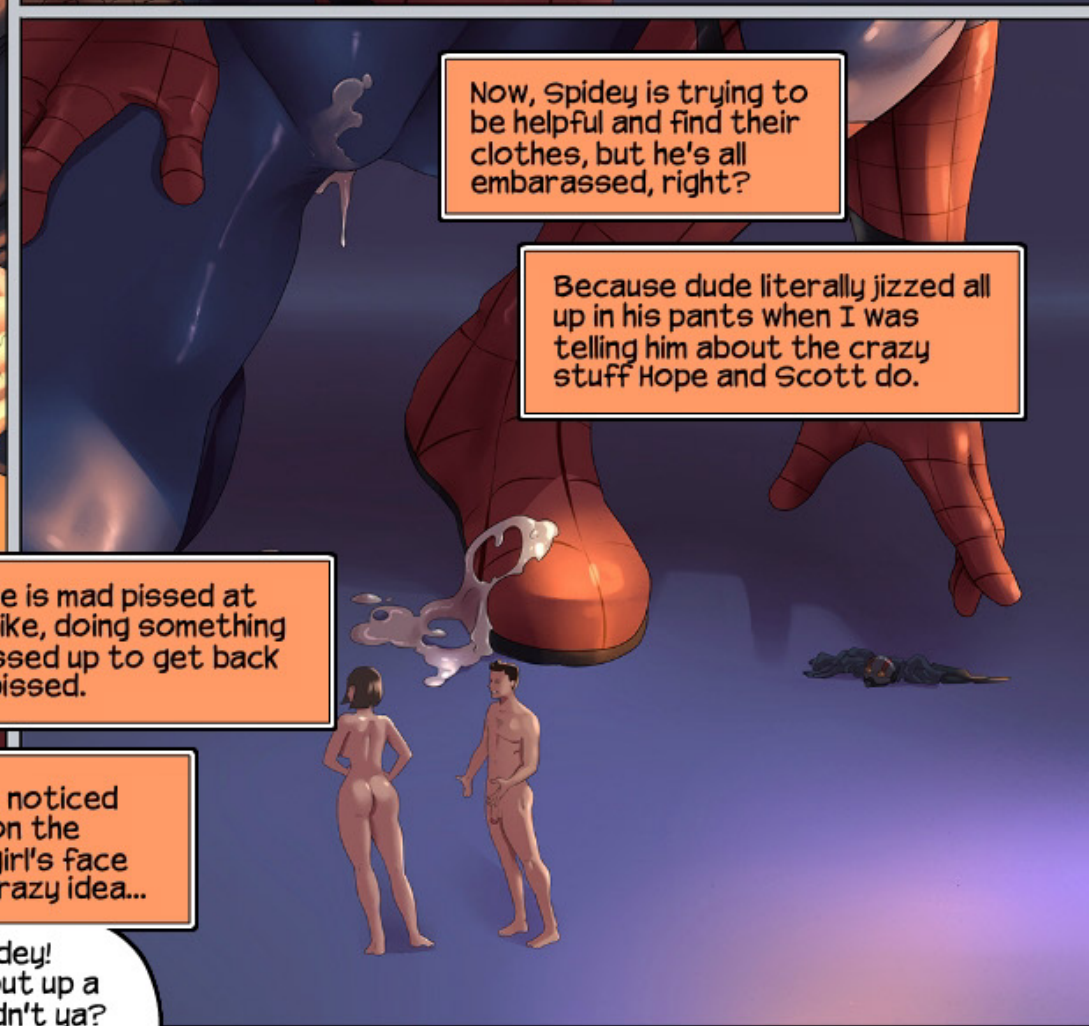

What the fuck!?

And Hope be all...

I'm like so fucking mad at you right now, Scotty!

So Scotty was just...

Sorry, babe! But Luis is my homie and we don't got no secrets to each other, y'know?

Now, Spidey is trying to be helpful and find their clothes, but he's all embarrassed, right?

Because dude literally jizzed all up in his pants when I was telling him about the crazy stuff Hope and Scott do.

And Hope is mad pissed at Scott, like, doing something real messed up to get back at him, pissed.

That's when she noticed the spider-jizz on the floor and homegirl's face lit up with this crazy idea...

Yo, Spidey! You sure put up a big load, didn't ya? Is there more where that all came from?

And Scotty was all...

You kidding me? That's for reals stupid!

Just get yo ass dressed so we can talk this shit out?

But she was all hyped like...

No way, bro! I'm gonna teach you a fucking lesson, you feel me?

I mean, Spidey is all kinds of confused now, right?

Cuz comes in to apologize about doing my homie wrong and things up and got turnt real fast.

Suddenly there's his crazy fine girlfriend chick bathing in a puddle of your accidental cum, like it's some *spa day at home kit* or something.

Like I don't know shit 'bout that dudes's daily life, but it most def can't involve perv shit like that, can it?

Well... You would be surprised to know about his sex stories...

For reals? Spider-dude?

That's not important right now. You were saying...?

Right, right, right, so... Hope's now half-covered in the dude's spider-fluid, you know what I'm sayin'?

And Spidey can't be sure if girl means business or if she's just teasing him just to get on Scott's nerves.

It's like a Mexican standoff meets Brazzers, some real porno parody type shit.

So Spidey turns to Scotty like...

I'm sorry, dude but, *daaaaamn!*

And my homie just goes...

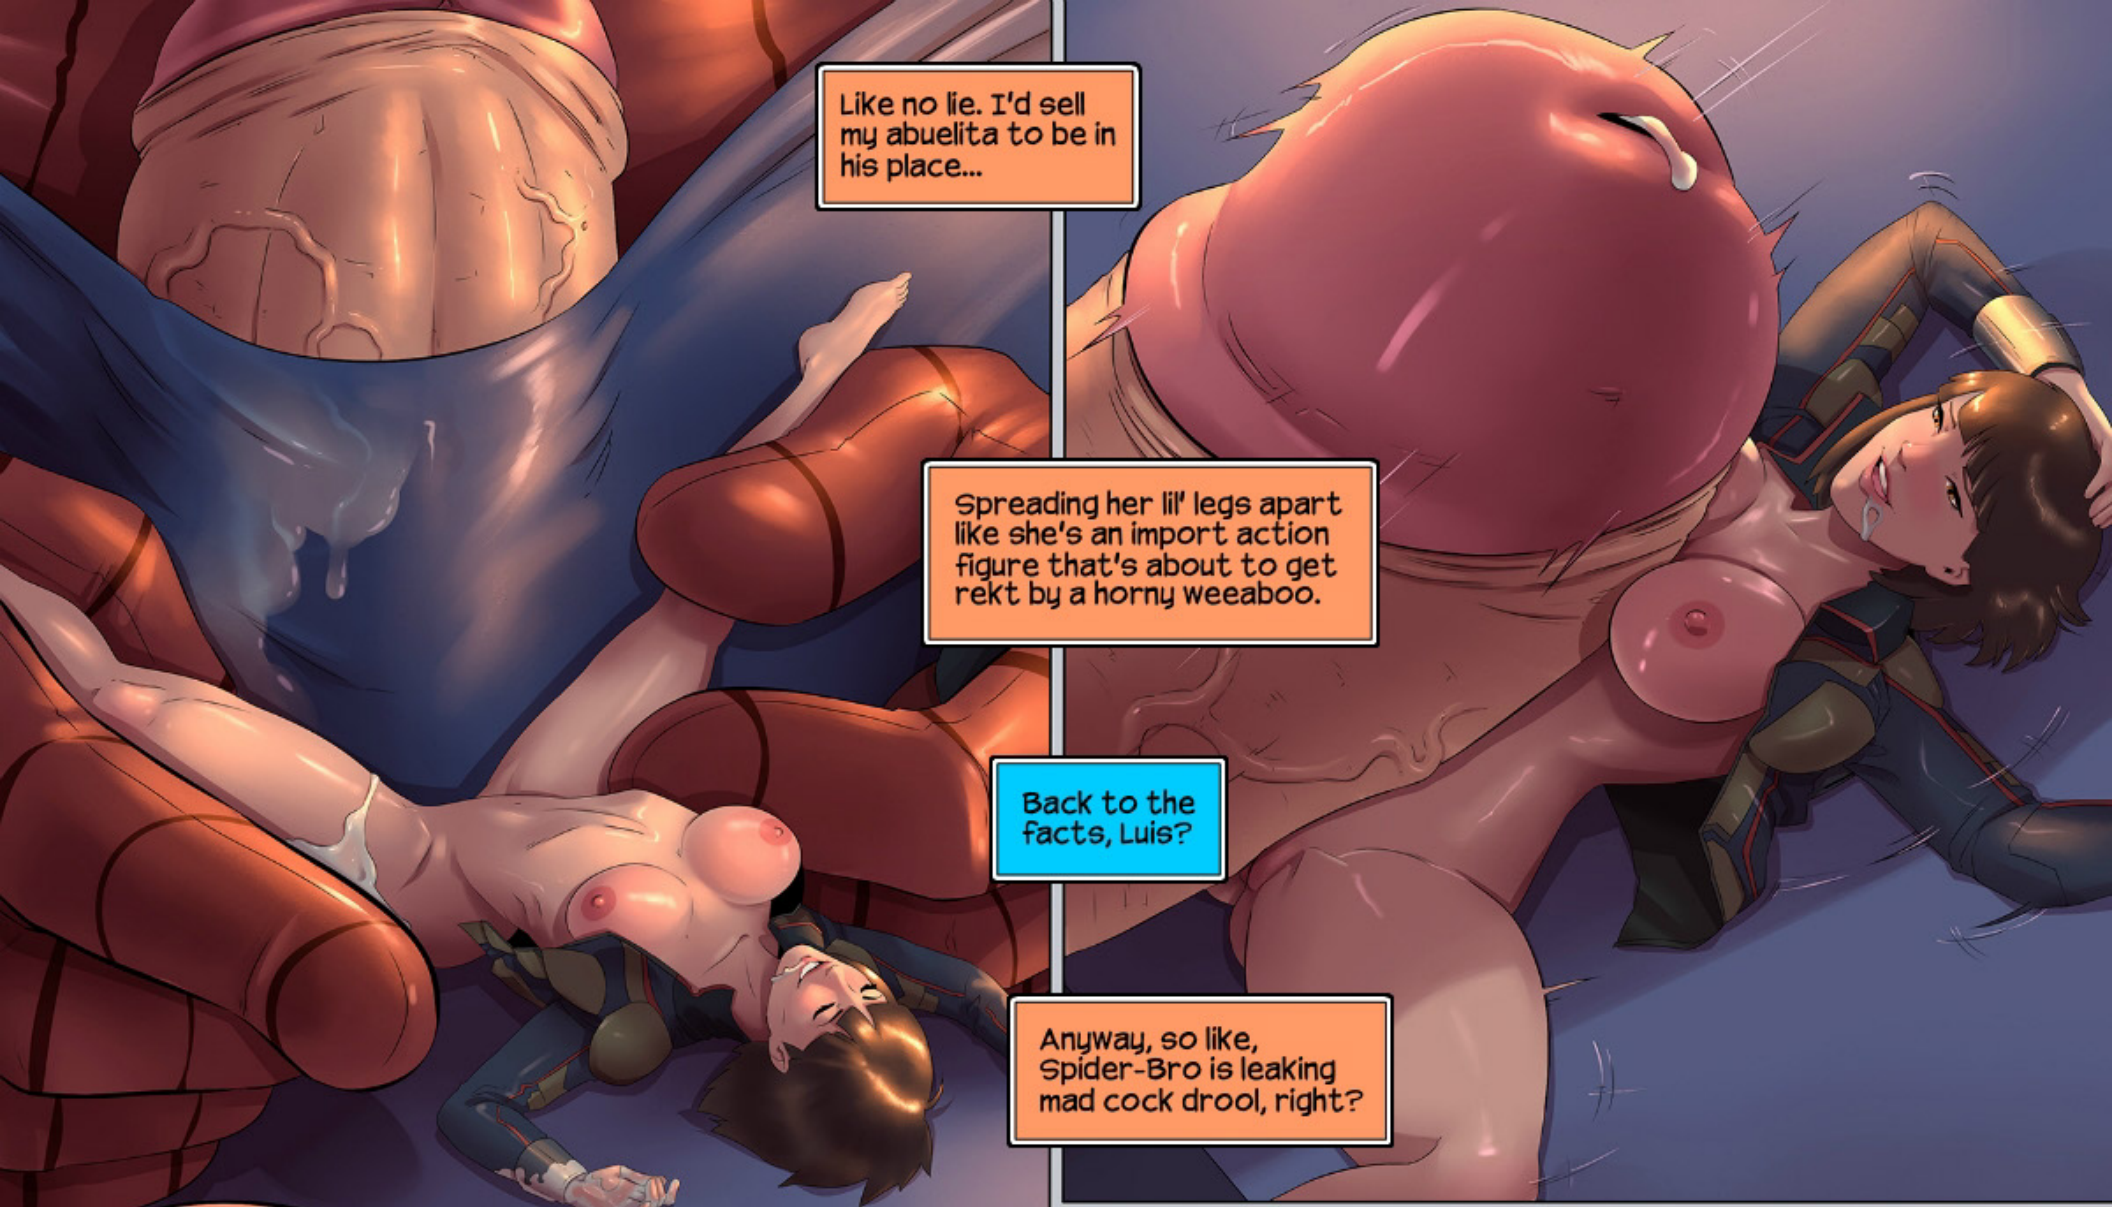

It's fine, man! She's not letting me off this easy.

Just do what the chick asks!

And just like that, he's got a half-naked, Barbie-sized Hope doll in his hands.

Like no lie. I'd sell my abuelita to be in his place...

Spreading her lil' legs apart like she's an import action figure that's about to get rekt by a horny weeaboo.

Back to the facts, Luis?

Anyway, so like, Spider-Bro is leaking mad cock drool, right?

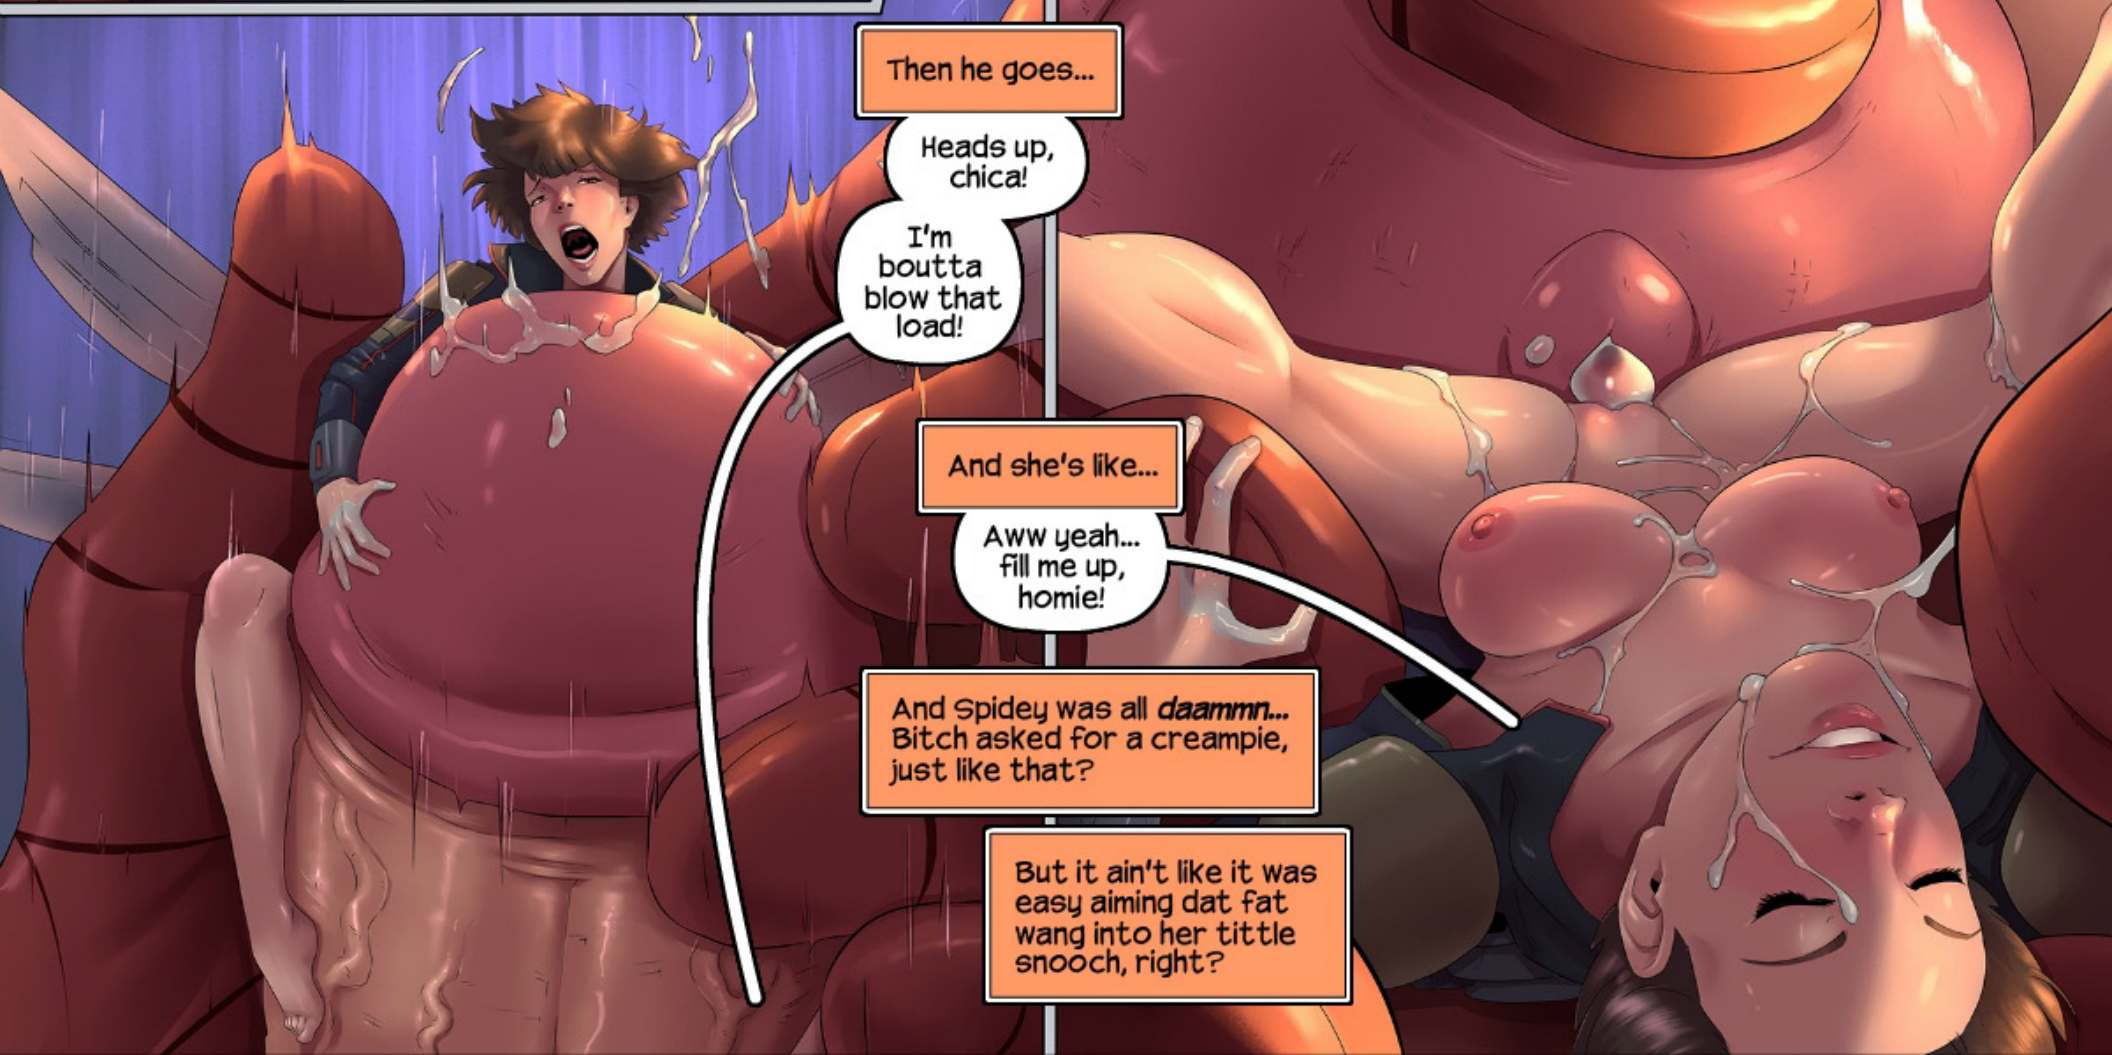

And while Hope is all freaky deaky, girl's also like...

Now, for reals, don't mess my hairdo, son!

Cause, y'know, sister gotta draw a line somewhere.

So now Spidey is dry humping the shit out of her slick lil' curves, right?

Then he goes...

Heads up, chica!

I'm boutta blow that load!

And she's like...

Aww yeah... fill me up, homie!

And Spidey was all *daammn...* Bitch asked for a creampie, just like that?

But it ain't like it was easy aiming dat fat wang into her tittle snooch, right?

A comic book page depicting a humorous and chaotic scene. Spider-Man, wearing his iconic red and blue suit with a tan utility bag, is shown slipping on a banana peel. He is in mid-air, with his body contorted as he falls. A large, thick splash of white liquid, resembling milk or cream, is erupting from the ground around him. In the background, a woman with long brown hair, wearing a blue and yellow outfit, is also covered in the same white liquid. She is sitting on the ground, looking distressed. The scene is set in a dark, industrial-looking environment with a blue and purple color palette. The overall tone is comedic and absurd.

You see, that's when Spidey screwed the pooch big time...

Dude was so stupid horny that he slipped on his own jizz right when he was boutta splurt again...

Next thing y'know, there's a shit ton of jizz gushing all over Hope's tight little body...

And now Wasp looks more like a glazed doughnut, like straight outta Krispy Kreme, for reals.

And remember what she said about her 'do, right?

That chica's obsessed with her bangs like she's got Asperger's or something...

So now my man Scotty was all...

You done fucked it up now, son!

And Spidey be like...

My bad, my bad...!

And Hope... Maaan...

She didn't say nothin'!

But you could see it in her eyes that the bitch just went mad whack, y'know?

Fast-forward to Hope regreting her bad doings and my homie Scotty trying to figure out how to sort the crazy Black Mirror level shit she got them into...

See, you're hooked now, aren't ya? I've been talking to this crazy fine writer chick online and she tells me to take some creative writing classes.

Wait-- the hell do you mean? What happened?

At first I was like, no way! I can tell mad stories, sis... Don't need me no lessons for that!

Oh I'm just jumping ahead to add some dramatic storytelling effect. Trust me, cuz.

But that shit ain't no joke, y'know? Like teachers ain't playing bout that stay-in-school shit.

Please, Mr. Luis, I don't have all day...

Sigh... Alright! So Scott needed to help Hope with something?

Right, right, right... So, turns out Hope went full-on ballistic and used lil' Spider-Bro as a human-dildo.

But then she lost the dude somewhere deep inside her waspgina!

Now she's all like...

Can you see the dude, bro?

But Scotty just be...

Nah, sis! Your giant pussy swallowed homie to another dimension!

So now Hope's all spaz and nervous, and her cooch goes all lockdown protocol, real maximum security like.

But my man Scott is bad ass superhero, and ain't no Avenger leaving nobody behind.

Just be cool, babe! I'm gonna like, save the day and shit!

So he's now spreading thoses giant lipongas apart and being all like...

Hang in there, dude! Ant-Man is coming for ya!

Now Scotty's fighting those mad pussy walls like Indiana Jones, and he sees the dude all up in her private business.

Dude's stuck in your cervix, babe. His legs are moving, so he's like, still conscious!

But Hope's still tense cause she feels all guilty and shit, and Scotty ends up stuck halfway in her pussy too...

Come on, girl! You gotta tell that pussy to take a chill pill!

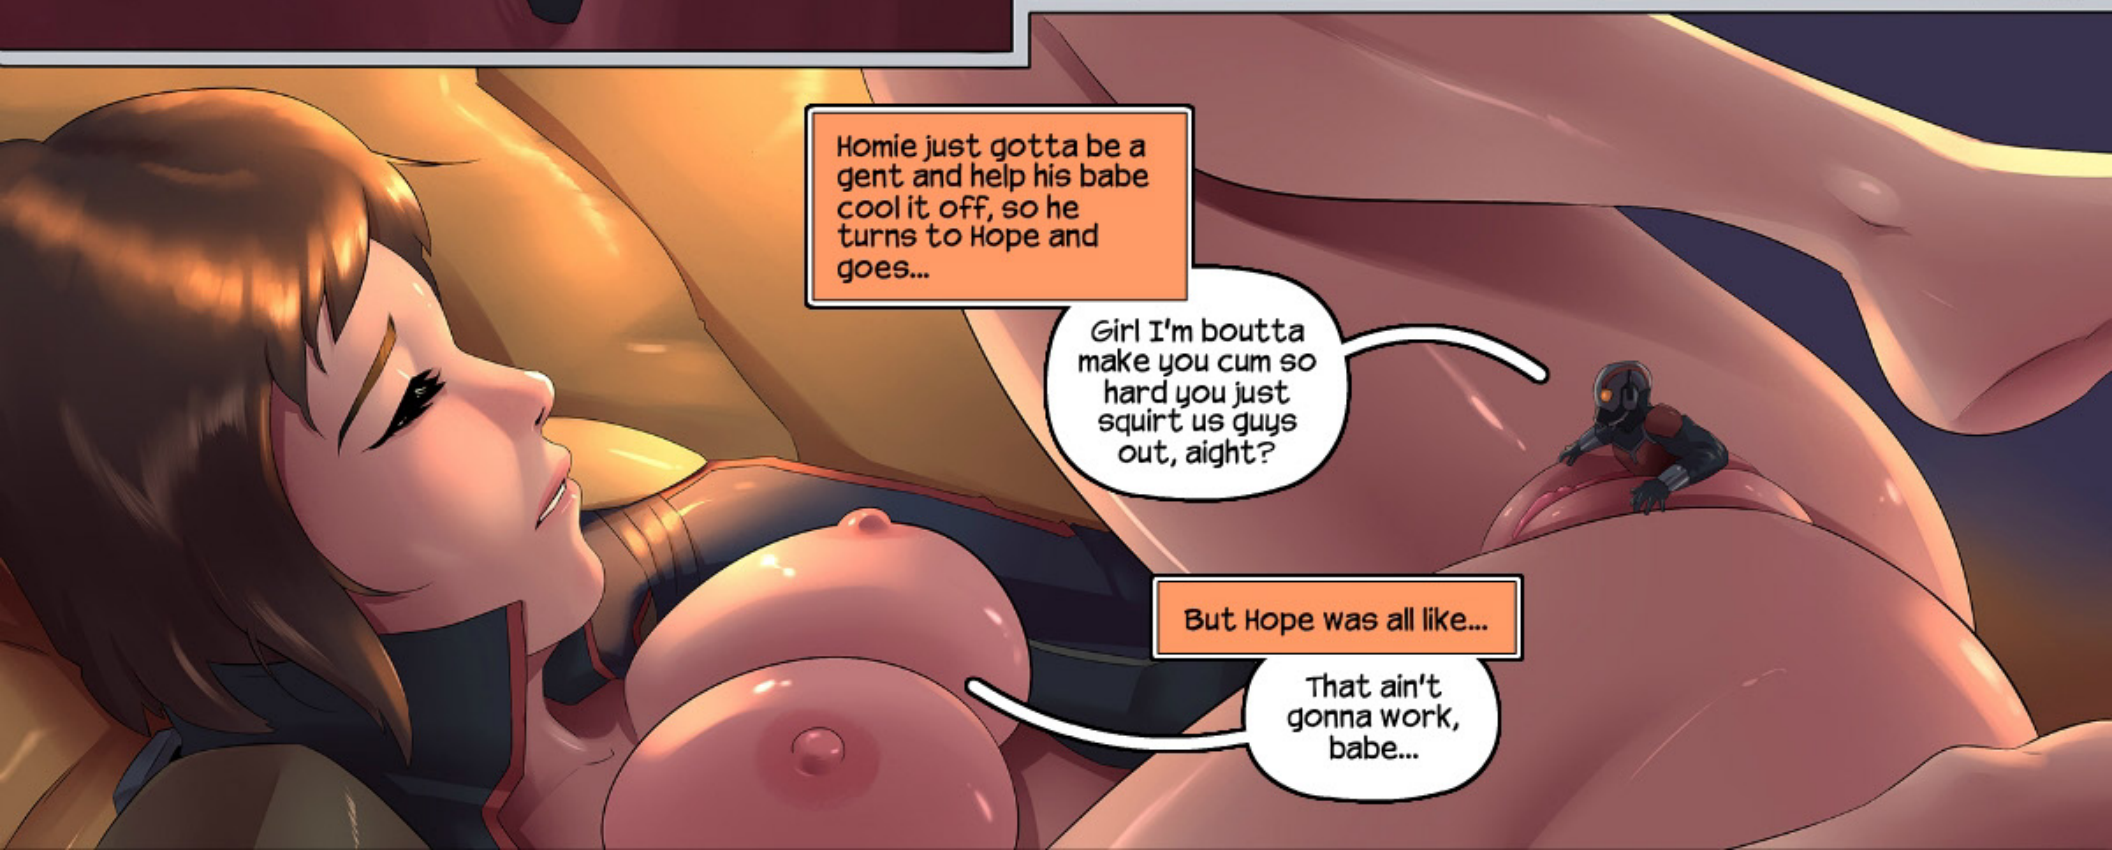

But Hope can't do nothing but get even more uptight, pussy locking Scott down like he's back in San Quentin!

Now things start getting crazy scary, cause she could like break his ribs or pop Scotty's head off, or something.

Homie's gotta think fast or he'd be dead of pussy rekt, right?

But he's like, the motherfucking Ant-Man, so damn straight he figures it out!

Homie just gotta be a gent and help his babe cool it off, so he turns to Hope and goes...

Girl I'm boutta make you cum so hard you just squirt us guys out, aight?

But Hope was all like...

That ain't gonna work, babe...

Thing 'bout being microscopic though? It makes the clit damn easy to find!

So my man Scotty starts flicking her bean like there's no tomorrow.

But shit still ain't working, so next thing you know...

He goes full on Hungry Hungry Hippos!

Like...

GOBBLE GOBBLE GOBBLE!!

...all up on that pussy pearl, man!

Scotty's tongue is all over Hope like it's opening night at the Giants game.

Like he's licking up after his plate of garlic fries or something.

Man, ain't nothing better than the garlic fries at AT&T, you ever had those?

Where are you from again?

Your story, Luis.

Right, right... So then Hope was all...

Scotty Babe, I'm 'bout to cum!

And Scott be like...

I gotchu fam! Give it to me!

So homegirl explodes!

Like forget Ant-Man
and Spider-Man...

Anyone that survived that
watershow oughta be called
Hydro-Man or something!

Of course Scotty's alright,
Cap wouldn't just let anyone
into the Avengers.

Homie's like, the OG
drowning survivor,
you know?

Aren't you
forgetting
something, Luis?

Nah, I don't
think so.

What happened to
Spider-Man!?

Oh right, right!
Spider-Man's alright.

More like Fly'derman if you're
asking me, way he was stuck
on the wall like that.

With how hard Hope squirted,
it's amazing her and Scotty
got him down from there,
like he was all...

Mr. Lang...
I don't feel
so good...

Interesting...
Now tell me Luis,
where can
I find them?

Ah, now you see,
that's where things
get complicated...
