## SUMMERS HOME

It has been weeks since the United Nations finally recognized mutantkind as its own sovereign state, ushering in a new era for the X-Men.

In celebration of this momentous step towards peace, Cyclops and Wolverine have set their rivalry aside and entered a three-way relationship with the marvelous Jean Grey. Everyone in the Summers Home has been adapting to the trio's new status quo--everyone except Hope Summers, who has just now learned about it.

Hope

Young Cable

Prestige

Cyclops

Jean Grey

Wolverine

Havok

Corsair

Vulcan

**Summers House,  
Mutant Habitat,  
the Moon.**

Hey, Nate!  
What's the rush?  
Are your parents  
around? I'm looking  
for your mom.

I wouldn't  
bother them,  
though. The  
grown-ups are  
being... weird,  
again.

Oh, hey  
Hope, err...  
Yeah, they're  
up there.

See ya!

Hey,  
Summers  
people!

Is anyone  
home?

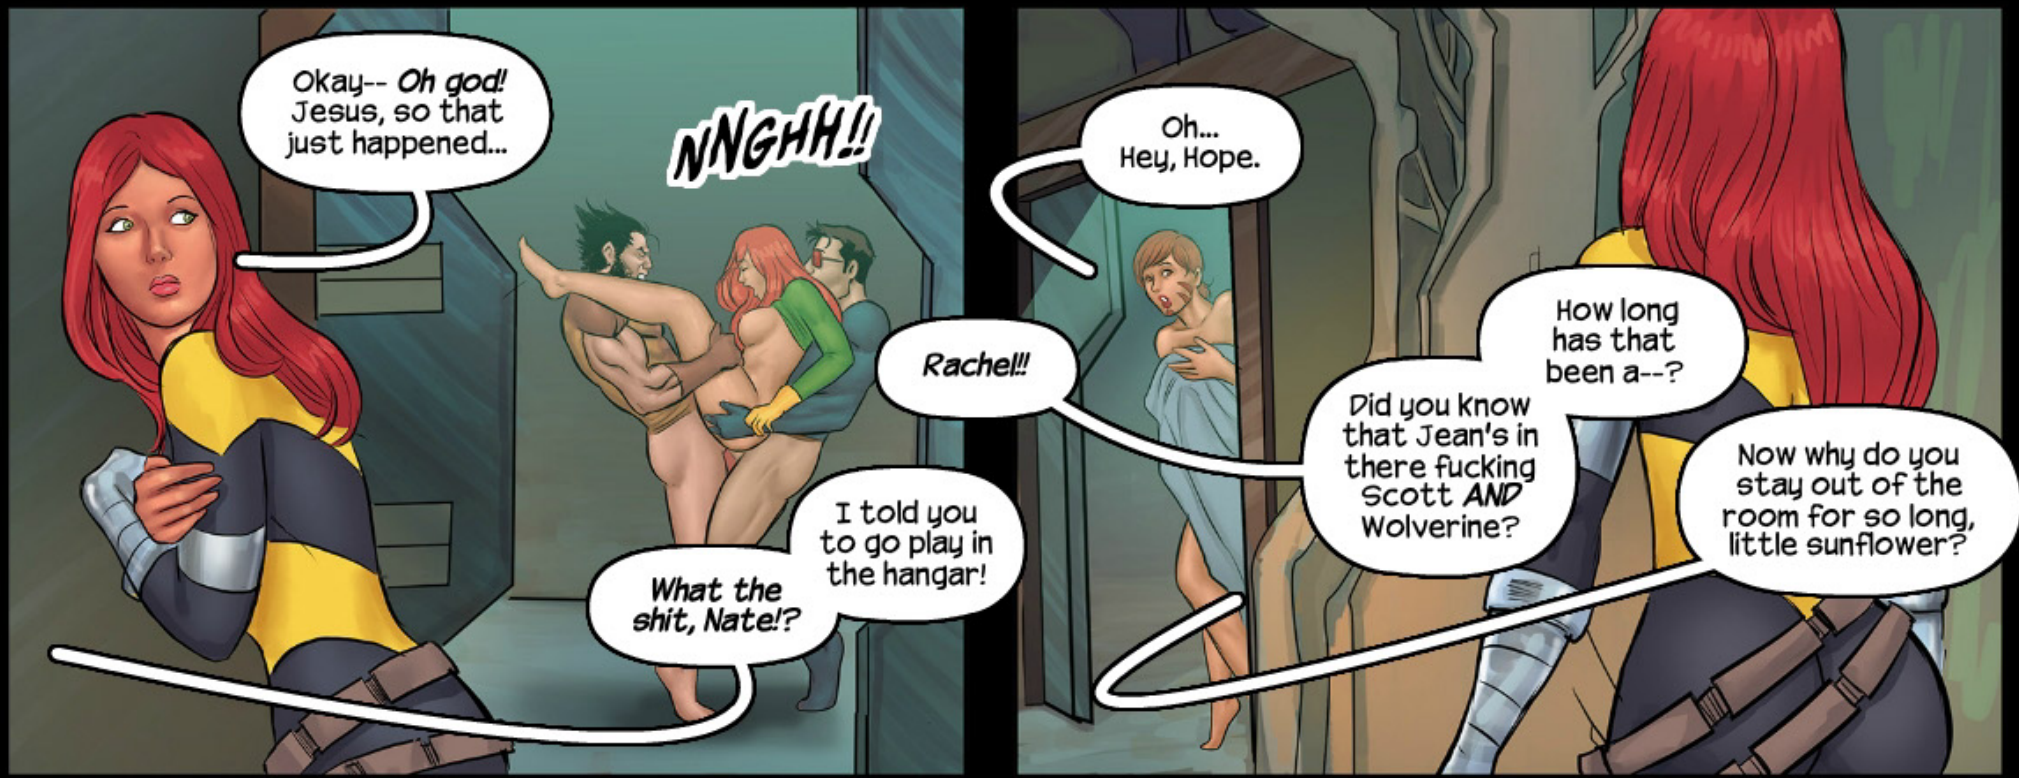

Why aren't you  
answering your  
communicators?

This young  
version of  
Cable sure is  
interesting...

Weirder than old-man  
Nathan... Hell, stranger  
than Stryfe even!

Man, where is  
everybody?  
*Hello-ooo!*

Okay-- Oh god! Jesus, so that just happened...

**NNGHH!!**

Oh... Hey, Hope.

**Rachel!!**

I told you to go play in the hangar!

**What the shit, Nate!?**

Did you know that Jean's in there fucking Scott AND Wolverine?

How long has that been a--?

Now why do you stay out of the room for so long, little sunflower?

**Heeyy... Gabriel.**

I told you to wait, while I handled this...

How could you possibly expect any man to do that?

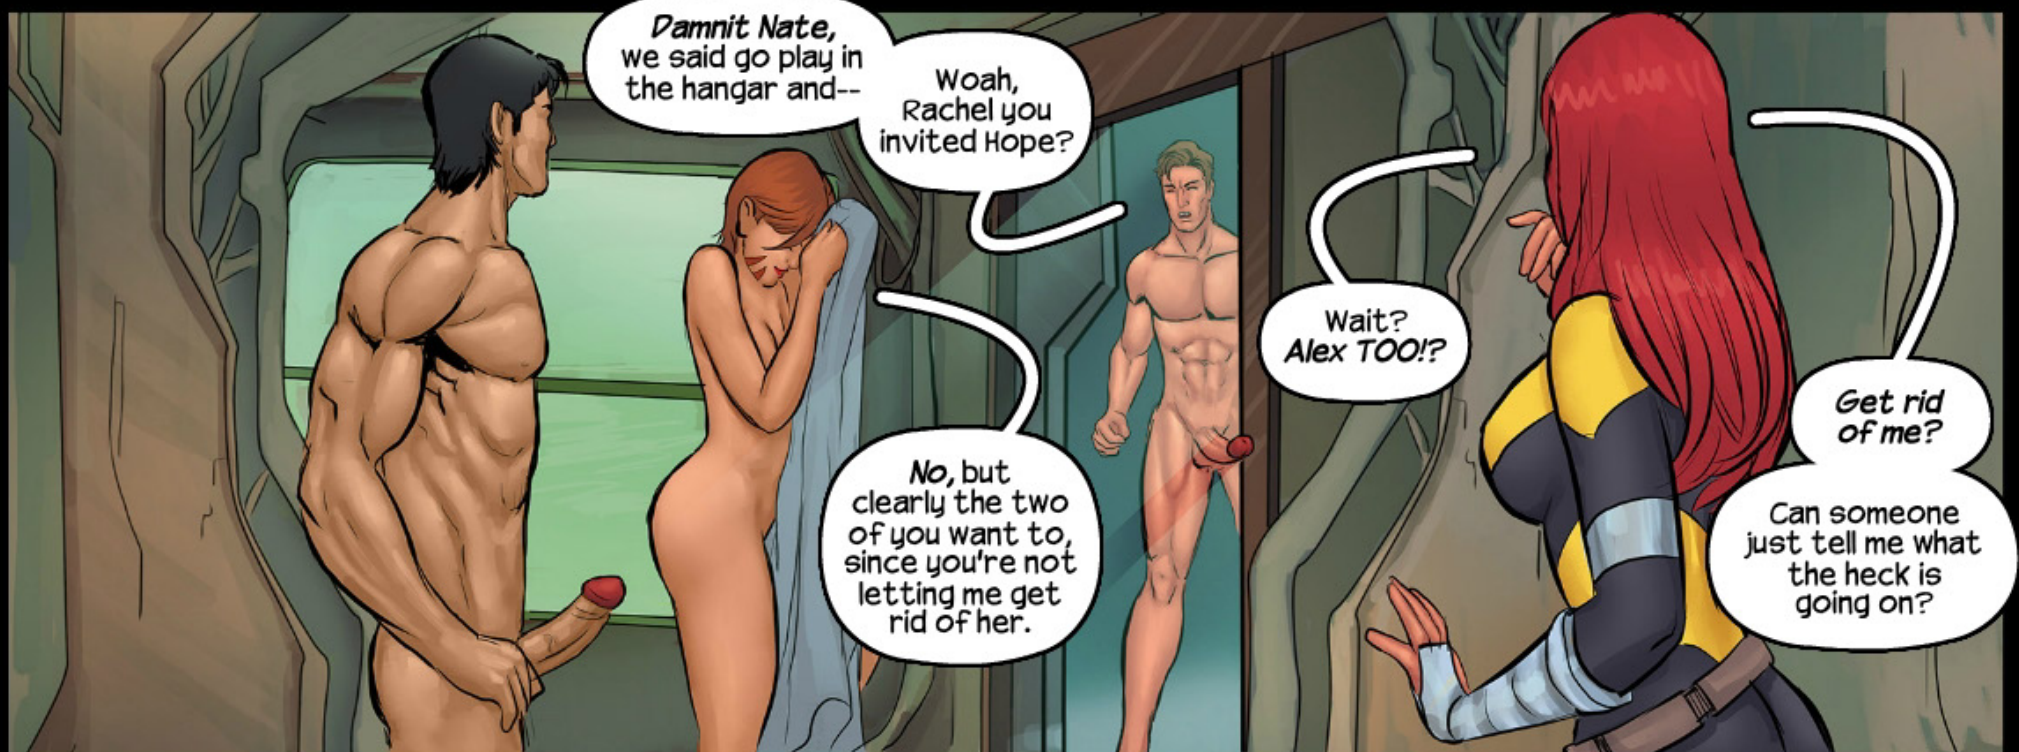

The way that you light up the place, I simply missed your warmth.

Rach... You...

I know you're from a different timeline but...

You and Gabe... He's... Your genes...

You guys are...

**Damnit Nate,** we said go play in the hangar and--

Woah, Rachel you invited Hope?

Wait? **Alex TOO!?**

No, but clearly the two of you want to, since you're not letting me get rid of her.

**Get rid of me?**

Can someone just tell me what the heck is going on?

You haven't told her about the thing?

**No!** I was trying to, but you keep...

Hmmm... **Interrupting me.**

Right, so...

Well, remember the recognition celebration on Krakoa?

Apparently Jean got Scott and Logan to put aside their dick-measuring contest that night.

So now, they're just sharing her instead.

Like, don't get me wrong, we're all happy for them!

They're just getting a little too... obvious, with their horniness.

It is true! Even I who was once emperor find their love-making too gratuitous.

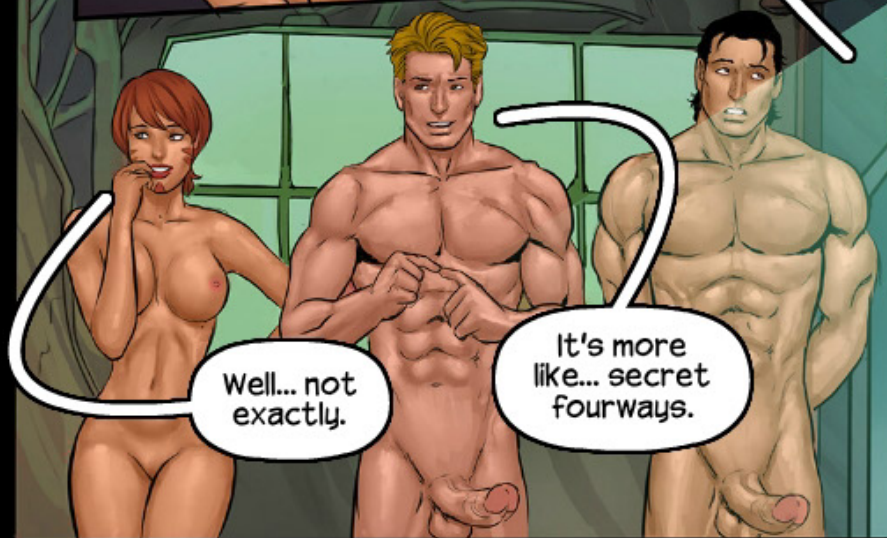

It seems ill-advised to flaunt your partners in front of companions you know live on their own...

Right! I wouldn't even care that they're fucking if they weren't doing it in front of us all the time!

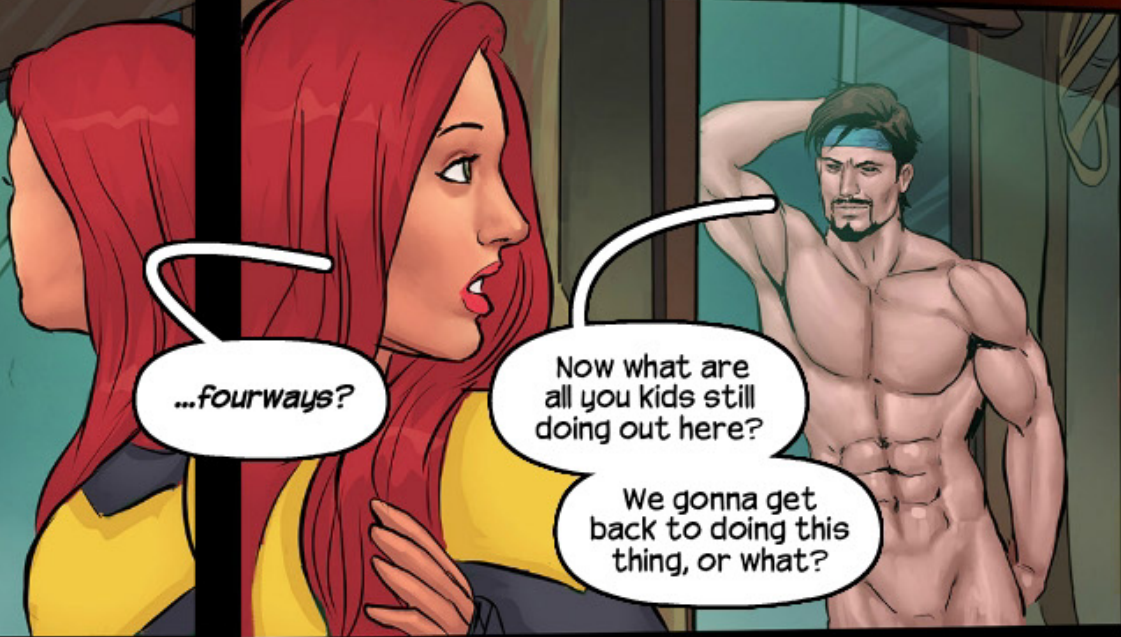

It's kinda hard not to get turned on when three objectively attractive people are having sex right next to you.

So what? You guys were so horny you decided to start having secret threeways?

Well... not exactly.

It's more like... secret fourways.

...fourways?

Now what are all you kids still doing out here?

We gonna get back to doing this thing, or what?

Yes, Christopher.

But first we need to warm Hope up a bit.

Wait, what? You're not expecting me to... join you!?

Oh come on... I can feel how strongly the Phoenix Force is pulsating in you right now...

Yeah... How do you hold those Phoenix urges back?

You remember the *Judgement of the Phoenix*, right?

"The embodiment of the very passion of Creation..."

"The spark that gave life to the Universe..."

"The flame that will ultimately consume it."

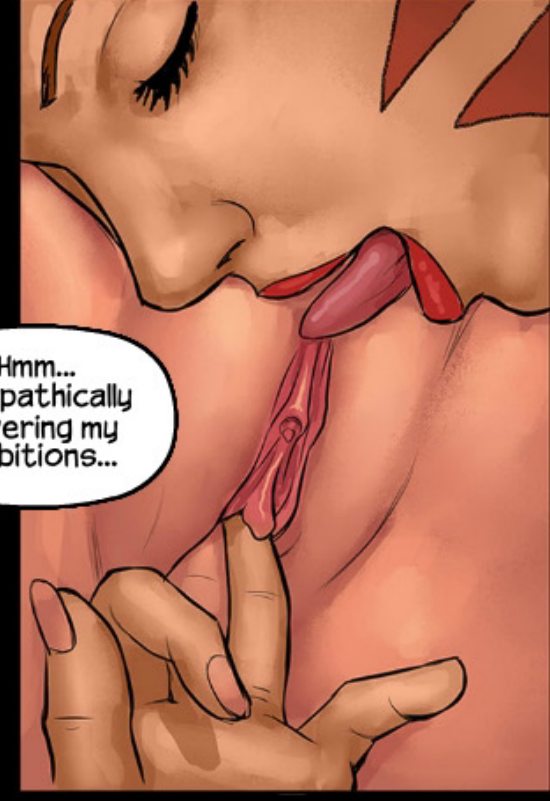

You make it sound like it's all about sex.

It *is* all about sex.

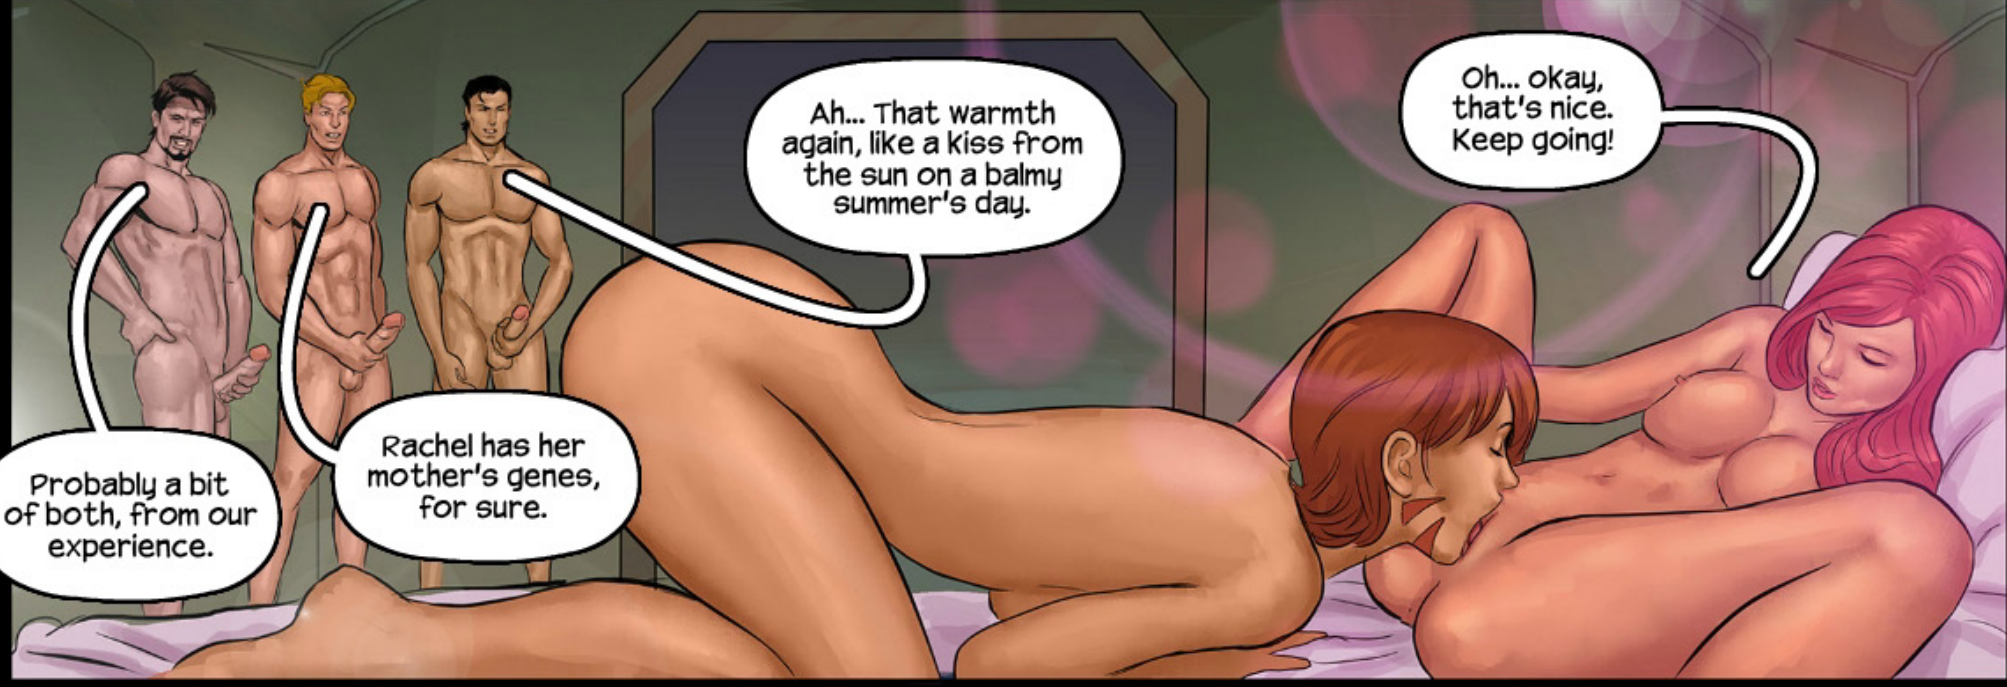

Life is nothing more than a vessel for love. Especially making love.

I'm not sure if you're making sense or...

Hmm... telepathically lowering my inhibitions...

Ah... That warmth again, like a kiss from the sun on a balmy summer's day.

Oh... okay, that's nice. Keep going!

Probably a bit of both, from our experience.

Rachel has her mother's genes, for sure.

There, isn't that much better?

Mmmfff!!!

Mhmm...

Attagirl! See what you've been missing out on?

Not that your job on Krakoa isn't important, but you need to spend *quality time* with family, Hope!

Good things happen when you stop by...

I am ardent to return to what we were doing before we were so rudely interrupted earlier.

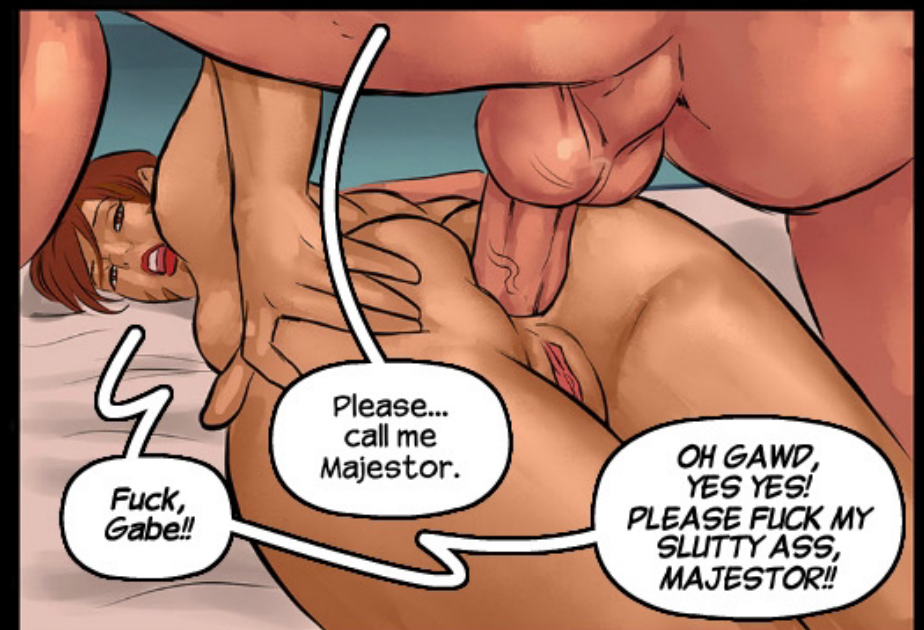

Oh God...

Whoa, whoa!!

Get over here, my little gleam of sunshine.

The bed's not big enough a place for what we're about to do...

Fuck, Gabe!!

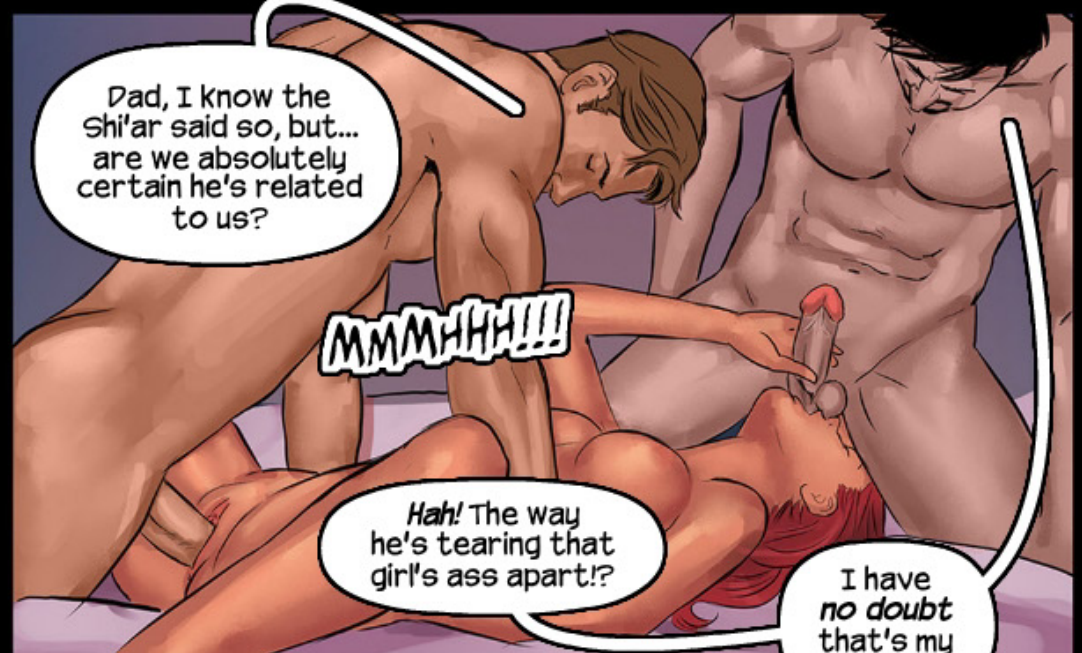

Please... call me Majestor.

OH GAWD, YES YES! PLEASE FUCK MY SLUTTY ASS, MAJESTOR!!

Then take it, you X-Harlot! Make your anus the *sheath* for the sword that is my cock!

YES, MY LORD MAJESTOR! GIVE IT TO ME!

Dad, I know the Shi'ar said so, but... are we absolutely certain he's related to us?

MMMMHH!!!

Hah! The way he's tearing that girl's ass apart!?

I have no doubt that's my boy.

I feel the power of a thousand suns coursing through my divine rod!

Do you feel the fires of divinity burning within you, Rachel!?

I feel it, Majestor!

Give me all of your hot, molten cum!!

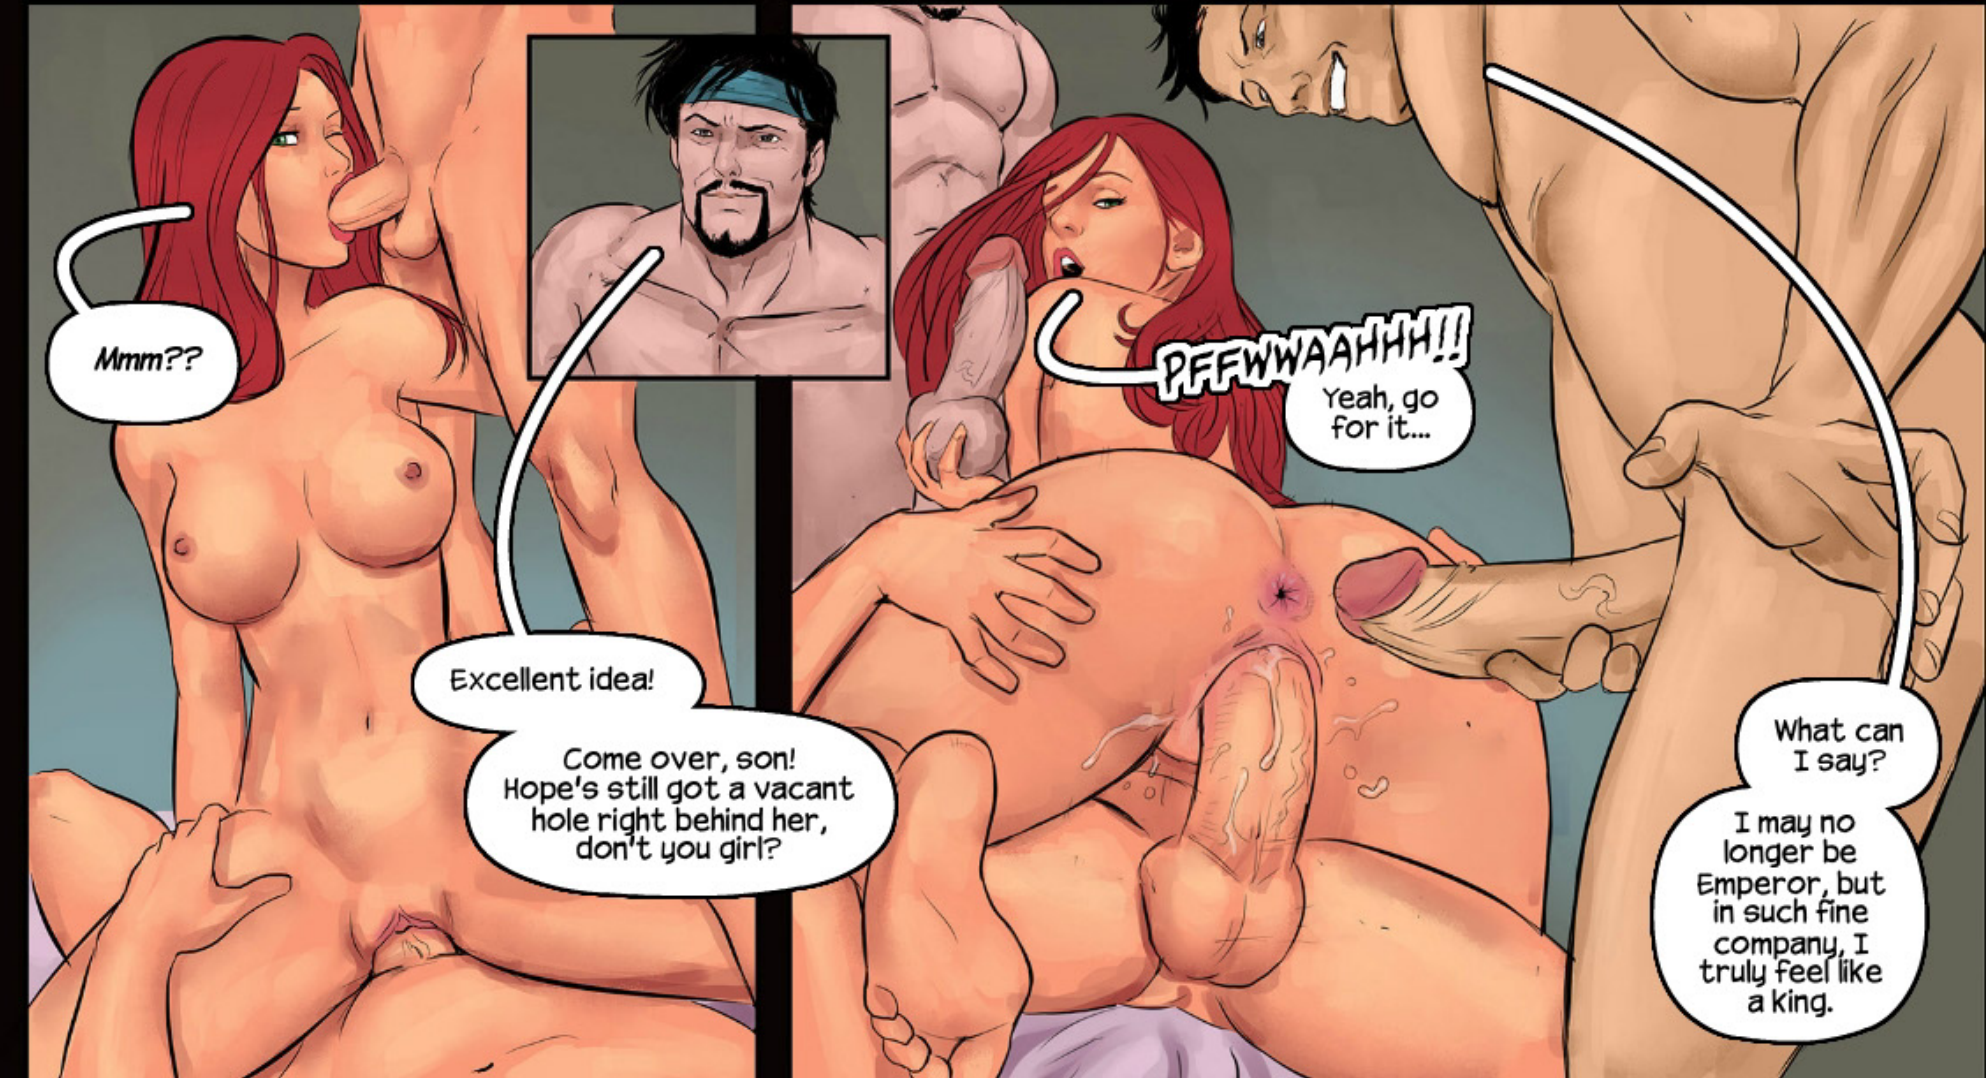

I'm cumming, Praetorian! Prepare the depths of your bowels for Vulcan's fiery seed!

OH, FUCKING SHIT FUCK, YES!

Sweet release...

Gawd... fuck that was intense... Just give me a moment...

Oh Hope, you have got to try some of that.

Mmm??

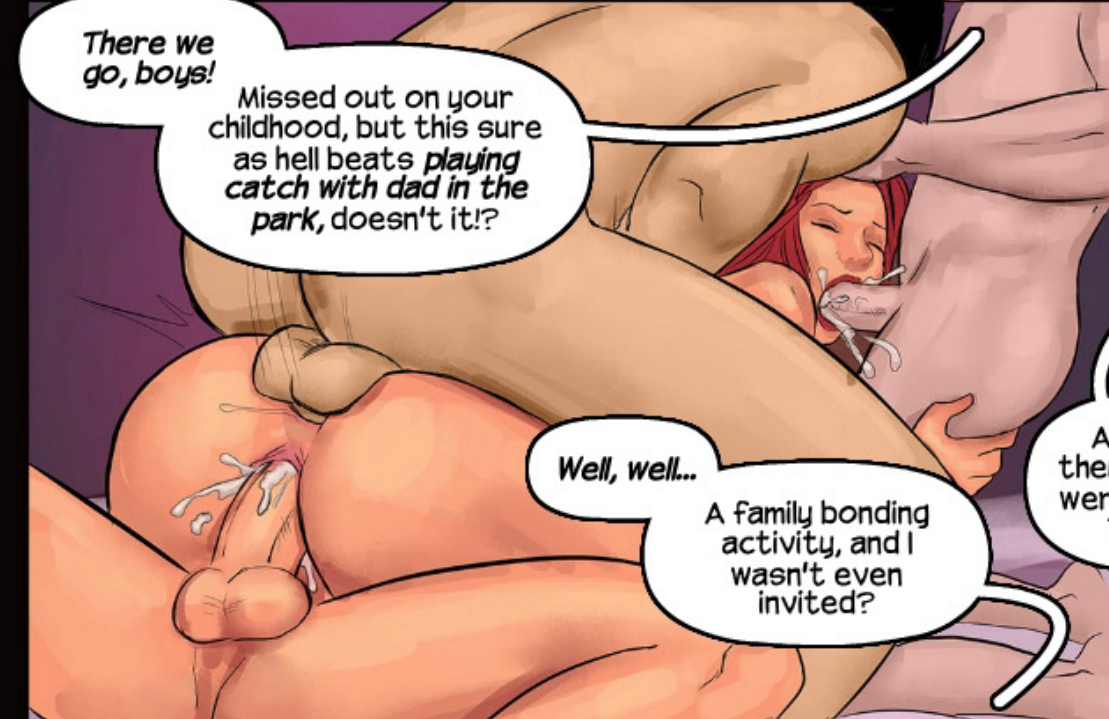

Excellent idea!

Come over, son! Hope's still got a vacant hole right behind her, don't you girl?

PEFWWAHHH!!  
Yeah, go for it...

What can I say?

I may no longer be Emperor, but in such fine company, I truly feel like a king.

There we go, boys!

Missed out on your childhood, but this sure as hell beats playing catch with dad in the park, doesn't it!?

Well, well...

A family bonding activity, and I wasn't even invited?

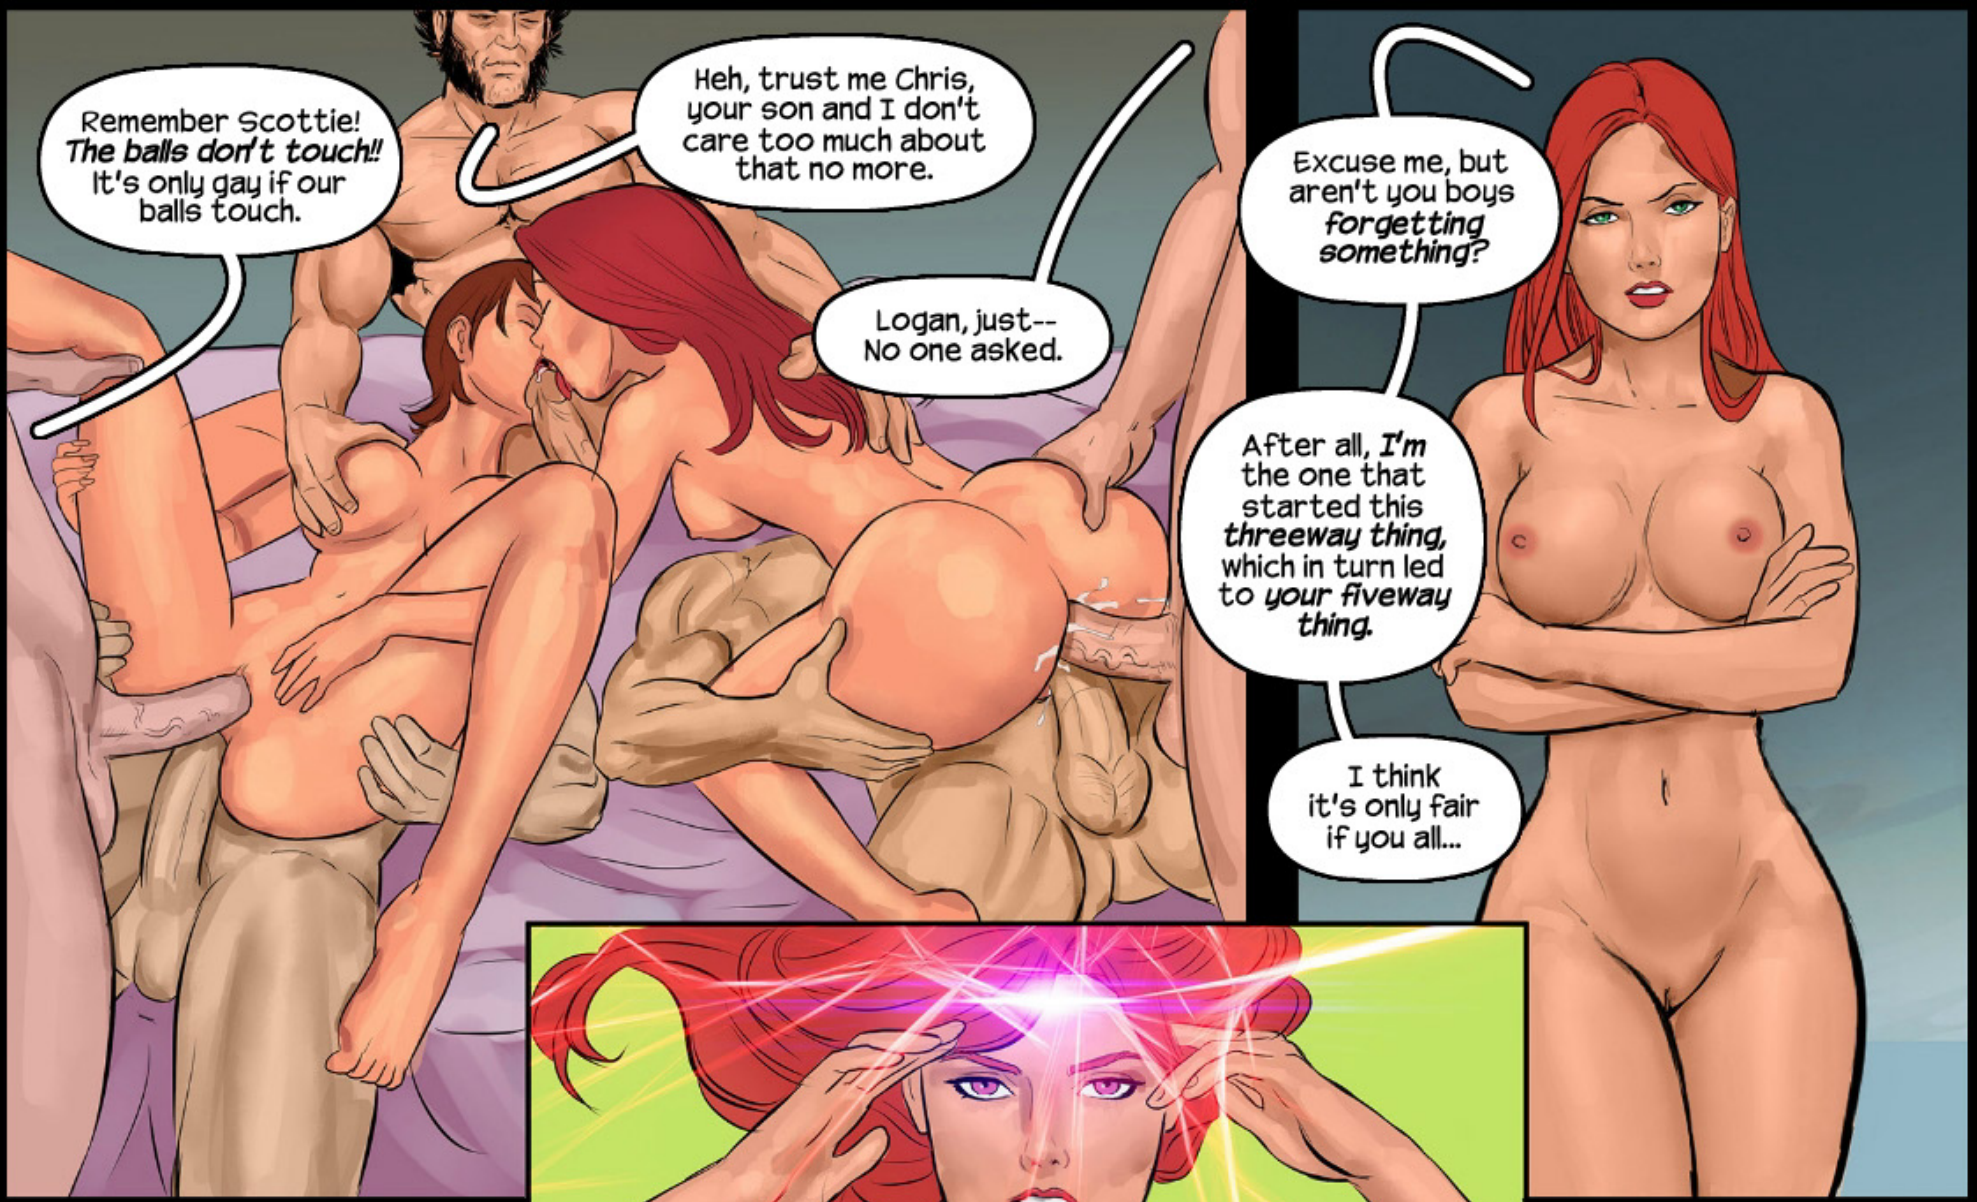

Still, better late than never.

And to think they thought we were being rude. Tsk, tsk...

Well I don't know about the two of you, but I ain't waiting for an invitation.

Remember Scottie!  
*The balls don't touch!*  
It's only gay if our balls touch.

Heh, trust me Chris,  
your son and I don't care too much about that no more.

Logan, just--  
No one asked.

Excuse me, but aren't you boys forgetting something?

After all, I'm the one that started this *threeway thing*, which in turn led to *your fiveway thing*.

I think it's only fair if you all...

Pay.

Attention.

To me!

Sorry girls, destiny calls.

Oh man, we finally get to fuck Jean!?  
Hell yeah!

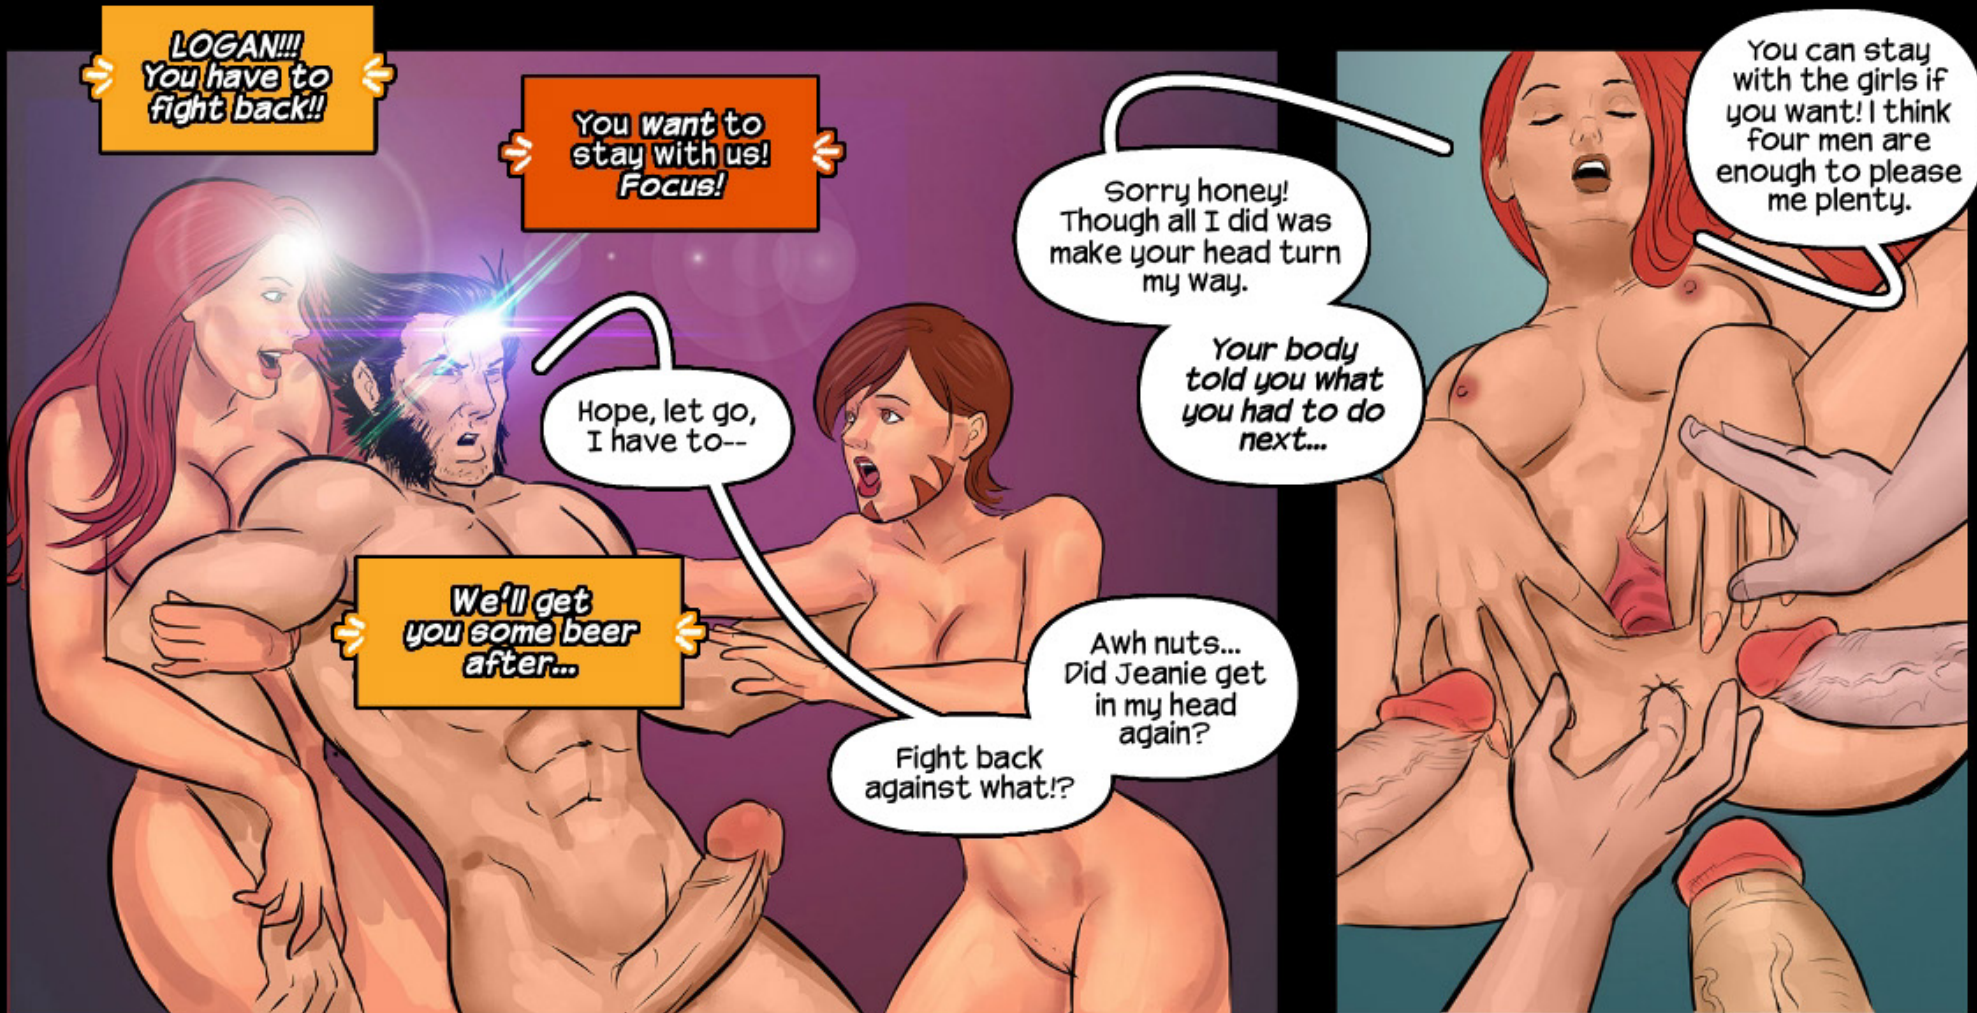

Scott, I've been wanting to get my hands on your girl since the day you introduced her.

Guys, you are in for a treat.

I think it is only fitting that the *God of Fire* would finally bed the *Mighty Phoenix*.

Yeah, we were just sharing! You could've joined in any time!

What the heck, Jean!?!

**LOGAN!!!**  
You have to fight back!!

You want to stay with us!  
**Focus!**

Sorry honey! Though all I did was make your head turn my way.

Your body told you what you had to do next...

You can stay with the girls if you want! I think four men are enough to please me plenty.

Hope, let go, I have to--

**We'll get you some beer after...**

Awh nuts... Did Jeanie get in my head again?

Fight back against what!?
