EXPSYLOCKE

Before Brian Braddock succumbed to the forces of darkness, he bestowed his Amulet of Right upon his sister Elizabeth. The magics of Avalon flowed through her veins, transforming Betsy into the heroic Captain Britain!

But after events that have recently passed, the mutant who was once Psylocke has become a stranger in her own body. Haunted by her past selves, can she find the confidence within her to become the protector of Otherworld?

Krakoan Lighthouse,
Somewhere near
Cornwall, England.

I'm going to bed.
Good night.

Hmph.

Maybe when you wake up, you can tell us what your plan is.

I doubt it...

Why did you choose me, Brian...

I don't even know what I'm doing in *this body*, much less as *Captain Britain*.

You're the hero of Otherworld...
And I'm just--

I wish you were here to give me advice, right now.

God help me, I wish anyone was...

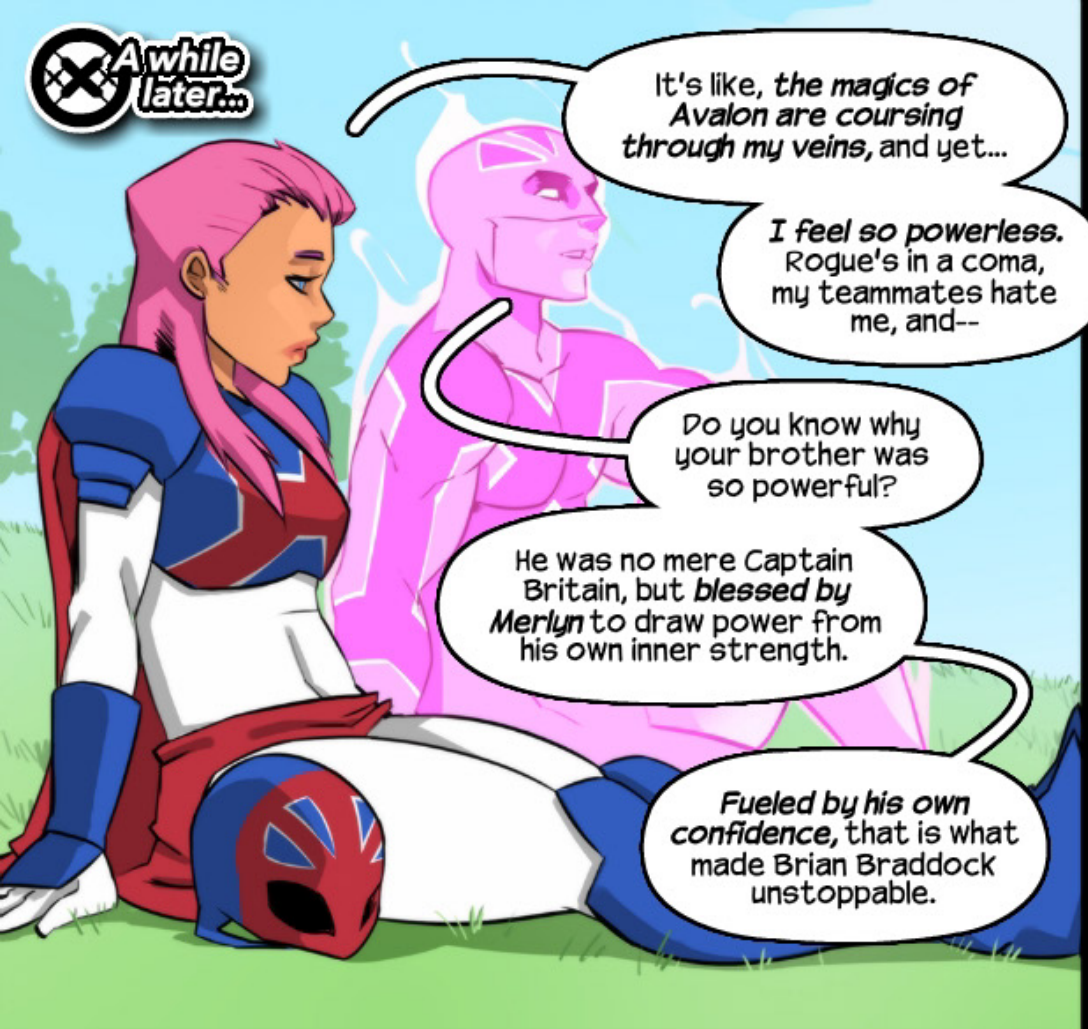

What... Where am I...

Elizabeth Braddock, you have summoned for help, and the *Captain Britain Corps* has heard your call.

Who are you?

We are the *Amulet of Right*.

Awhile later...

It's like, *the magics of Avalon are coursing through my veins*, and yet...

I feel so powerless. Rogue's in a coma, my teammates hate me, and--

Do you know why your brother was so powerful?

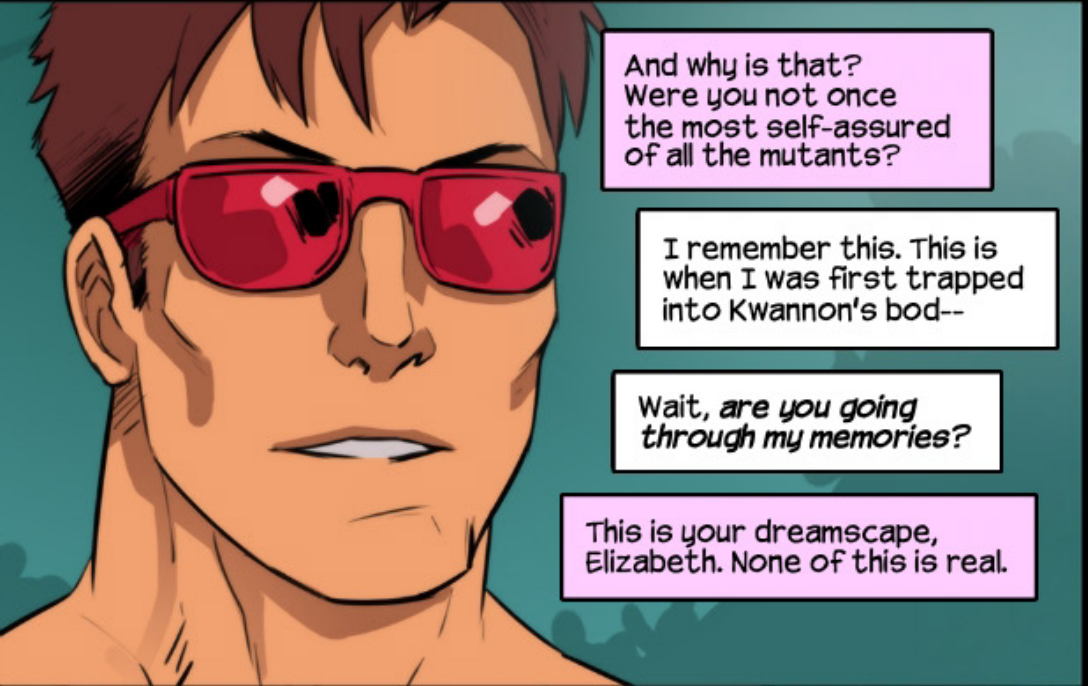

He was no mere Captain Britain, but *blessed by Merlin* to draw power from his own inner strength.

Fueled by his own confidence, that is what made Brian Braddock unstoppable.

That same blessing flows through you now.

Well, I guess I'm just not feeling very confident as of late.

And why is that? Were you not once the most self-assured of all the mutants?

I remember this. This is when I was first trapped into Kwannon's bod--

Wait, *are you going through my memories?*

This is your dreamscape, Elizabeth. None of this is real.

Now answer the question.

Did you not try to seduce the leader of your X-Men?

Well, yes. But it was not quite like this I--

You felt you had an opportunity to reinvent yourself.

Like your butterfly motif, you felt it was your time to emerge from your cocoon.

And still he ignored me...

So I went to Piotr's, knowing Scott was looking for him, to show him what he was missing...

Do you remember what came next?

He *consummated* our affair...

I *finally* won.

I finally had the leader of the X-Men.

But that was a terrible thing to do, it almost ended Scott's relationship with Jean!

Thank God they worked it out, I don't think I had the strength to live as a homewrecker.

Well that's not necessarily true, is it?

How do you mean?

What about that model you had a photoshoot with? Wasn't she in a relationship?

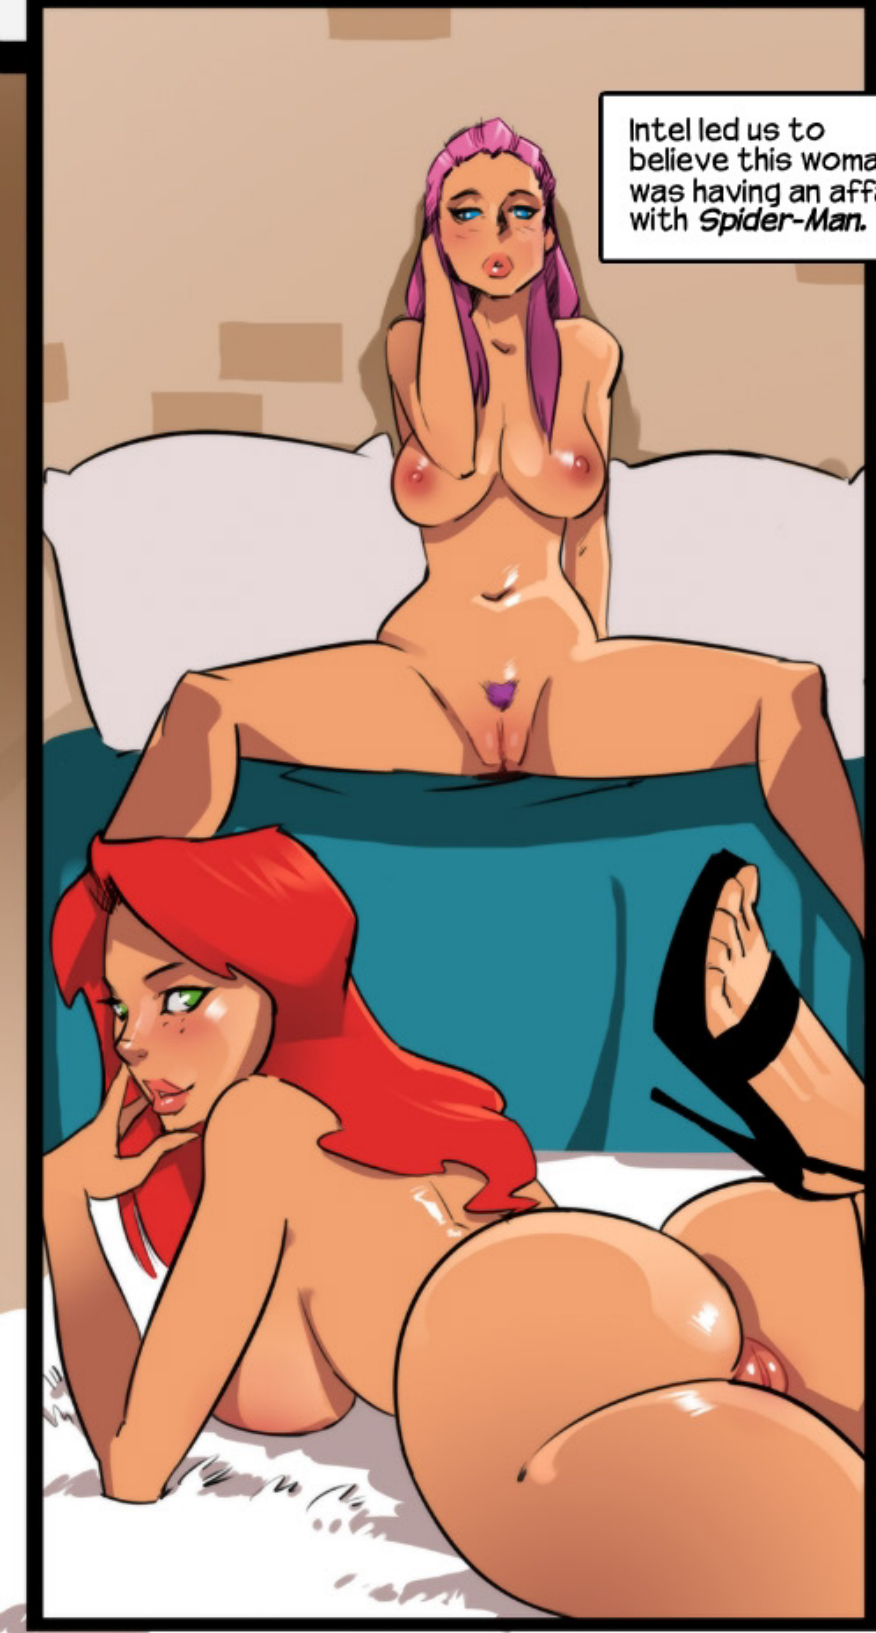

Mary Jane?

I was undercover for STRIKE at the time.

Establishing my cover as a model to later infiltrate the Hellfire Club.

I met this young American model who flew to the UK to shoot for Mayfair. *Mary Jane Watson*, still just starting her career.

Intel led us to believe this woman was having an affair with *Spider-Man*.

My mission was to get close enough to use my telepathy...

Find out her secrets, and get a leg up on SHIELD.

And did you?

In a way. I found how much she loved her significant other, despite what the rumors led us to believe.

I was *overcome* with love, and somehow, she knew it too.

That's why the shoot turned out how it did.

I felt her immense love and I just... Couldn't hold back.

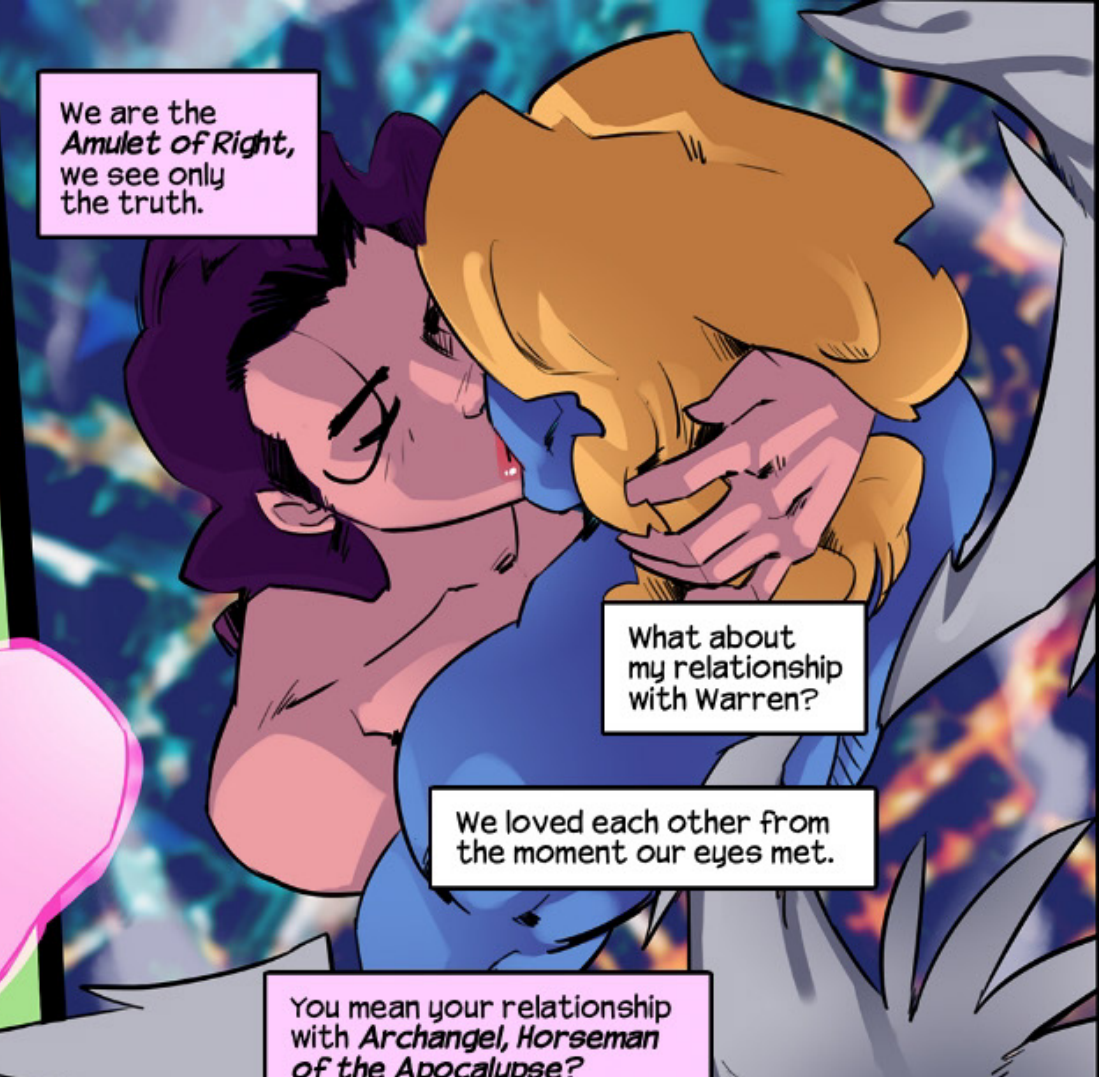

Heh...

What is it?

It's funny that you bring up love, what could *you* possibly know of love?

I've known plenty of romances!

We are the *Amulet of Right*, we see only the truth.

What about my relationship with Warren?

We loved each other from the moment our eyes met.

You mean your relationship with *Archangel, Horseman of the Apocalypse*?

That was not love, it was *power*.

No, I truly loved him!

You loved the idea of him.

Someone, *like you*, who had struggled with their sense of morality.

Who too was tainted by an uttermost evil.

Just look at your selfish passion for him.

How many times did you *"make love"* to him in the sky?

Have him take you above New York, in plain view of millions?

You wanted everyone to see that you could tame En Sabah Nur's beast.

That was *your confidence* acting on your behalf.

No, I... Perhaps you're right.

Of course we are.

There are other examples. What of you and that Victor Creed?

You claimed to hate him with so much passion...

...and yet that passion turned into desire as soon as you met his other self.

The one exiled from an alternate dimension.

I-- mmpph, I turned a foe into a teammate.

That was... Ah!! It was just teambuilding, nothing else.

Then what about the times when you'd tear your friends apart?

You ran off with *Fantomex* to start a life together, abandoning the X-Men.

You thought for a moment that you had everything you've ever wanted.

But it wasn't enough.

You weren't content with loving the criminal thief alone.

You had to sleep with his female clone too.

You started a three-way relationship with two clones of the same despicable man.

That... That counts... right? We were in love.

You weren't in love, *you were in control.*

You broke things off the moment you lost that control.

The moment you realized they could have fun *without you...*

...you left!

Your team.

Your friends.

Your "lovers".

What was that if not *reckless, blinding confidence?*

You're a confident, sexual being, Bets.

You always have been.

If that's the case... then why don't I feel confident lately?

What changed?

Well, isn't it obvious?

Because the *one true love* of your life is missing.

B-- Brian??

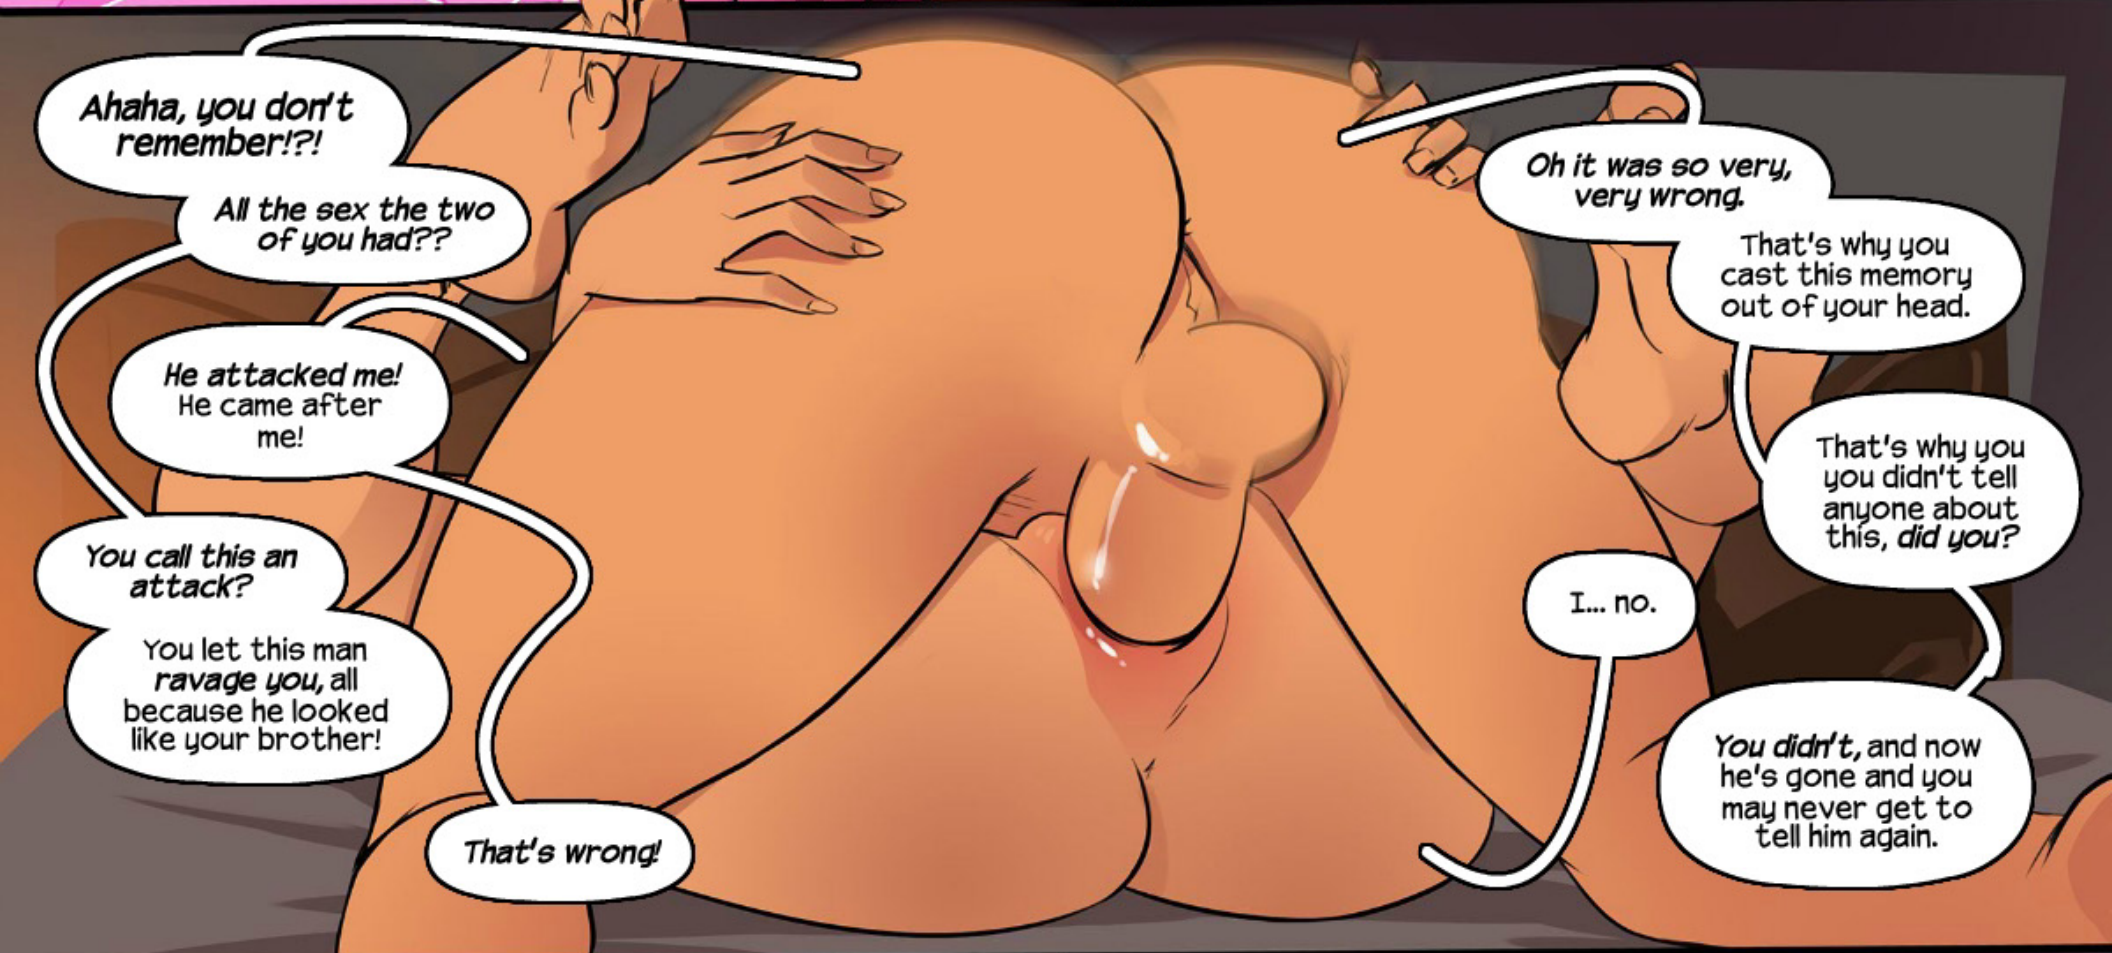

Not quite, though that's why we took this form.

Oh, don't tell me you don't remember this, Bets.

The time you slept with *Kaptain Briton*, his fascist self from another universe!

No, that's not true! That's not how I remember it!

Ahaha, you don't remember!?!?

All the sex the two of you had???

He attacked me! He came after me!

You call this an attack?

You let this man *ravage* you, all because he looked like your brother!

That's wrong!

Oh it was so very, very wrong.

That's why you cast this memory out of your head.

That's why you didn't tell anyone about this, *did you?*

I... no.

You didn't, and now he's gone and you may never get to tell him again.

All those *false romances*, just making up for your biggest regret.

But that's why we appear to you now, in this form, so you can make things right!

Gain your confidence back!

You're--

You're right. I think, I do... *...love my brother.*

What's that again, dearie?

I said--

**OHH-- FUCK!
I FUCKING LOVE MY BROTHER!!!**

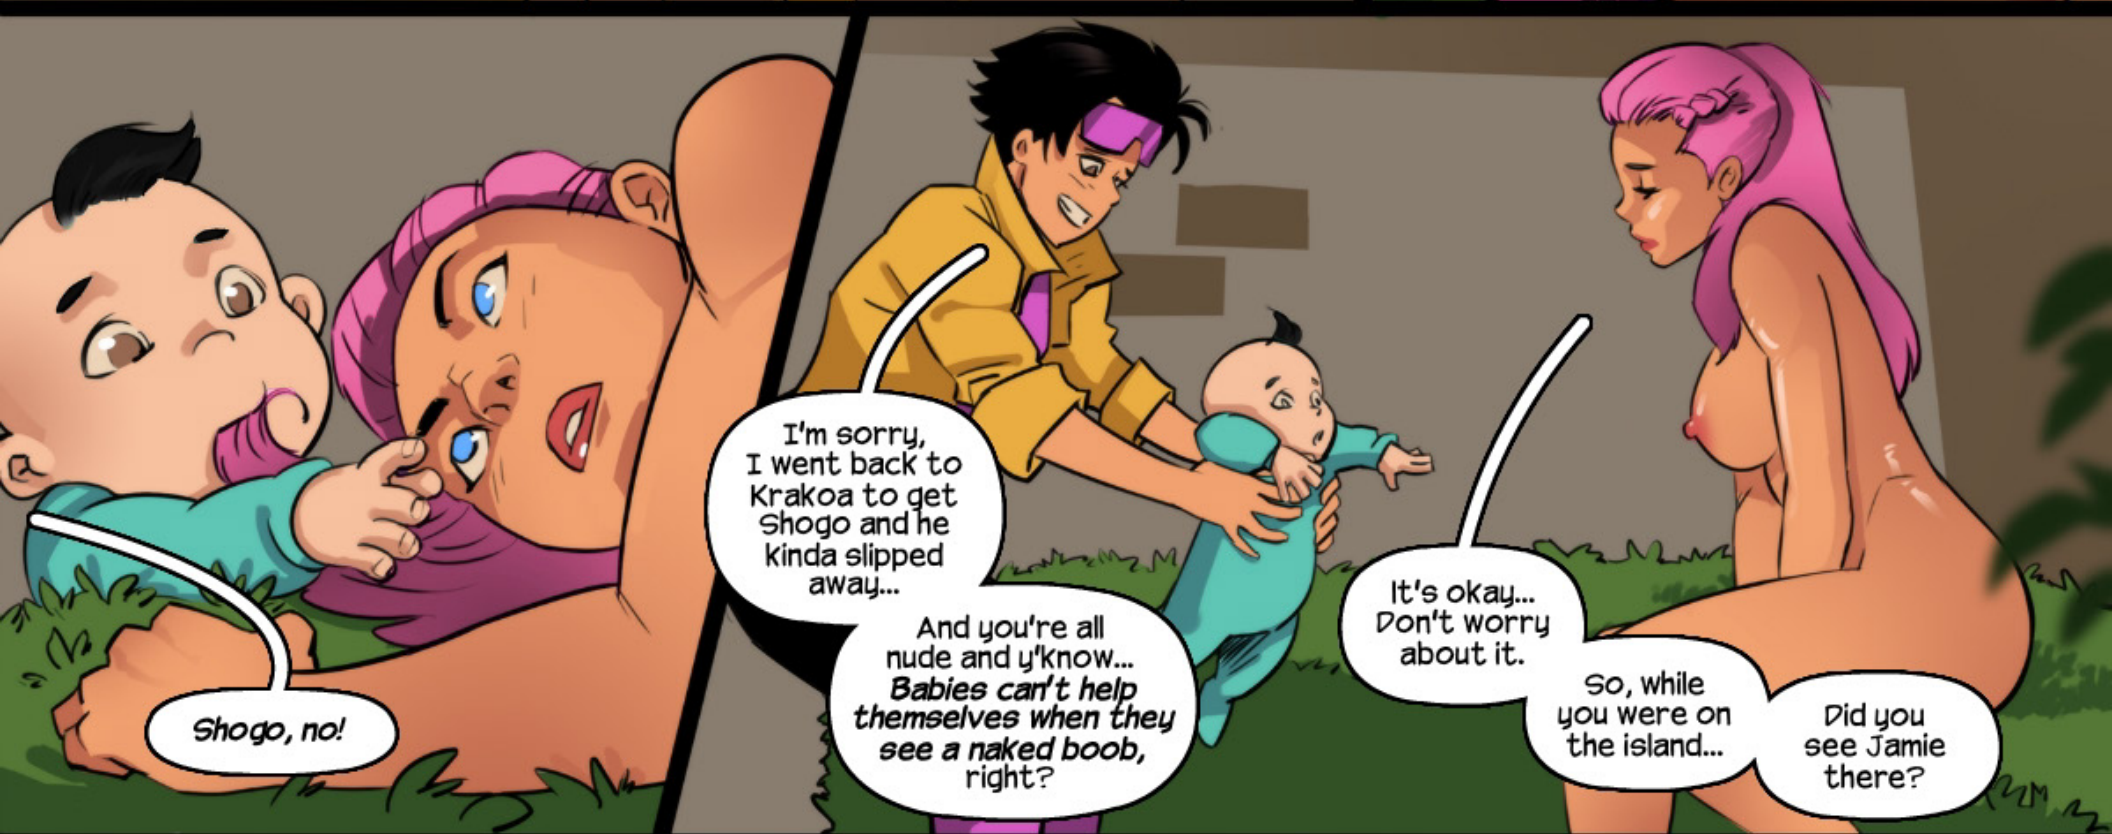

YOU'RE
GODDAMN
RIGHT YOU DO,
YOU STUPID
SLUT!

Mmmhh...
Jamie!?

Ah, bugger...

Oopsie.

What the--?

Shogo, no!

I'm sorry,
I went back to
Krakoa to get
Shogo and he
kinda slipped
away...

And you're all
nude and y'know...
*Babies can't help
themselves when they
see a naked boob,*
right?

It's okay...
Don't worry
about it.

So, while
you were on
the island...

Did you
see Jamie
there?

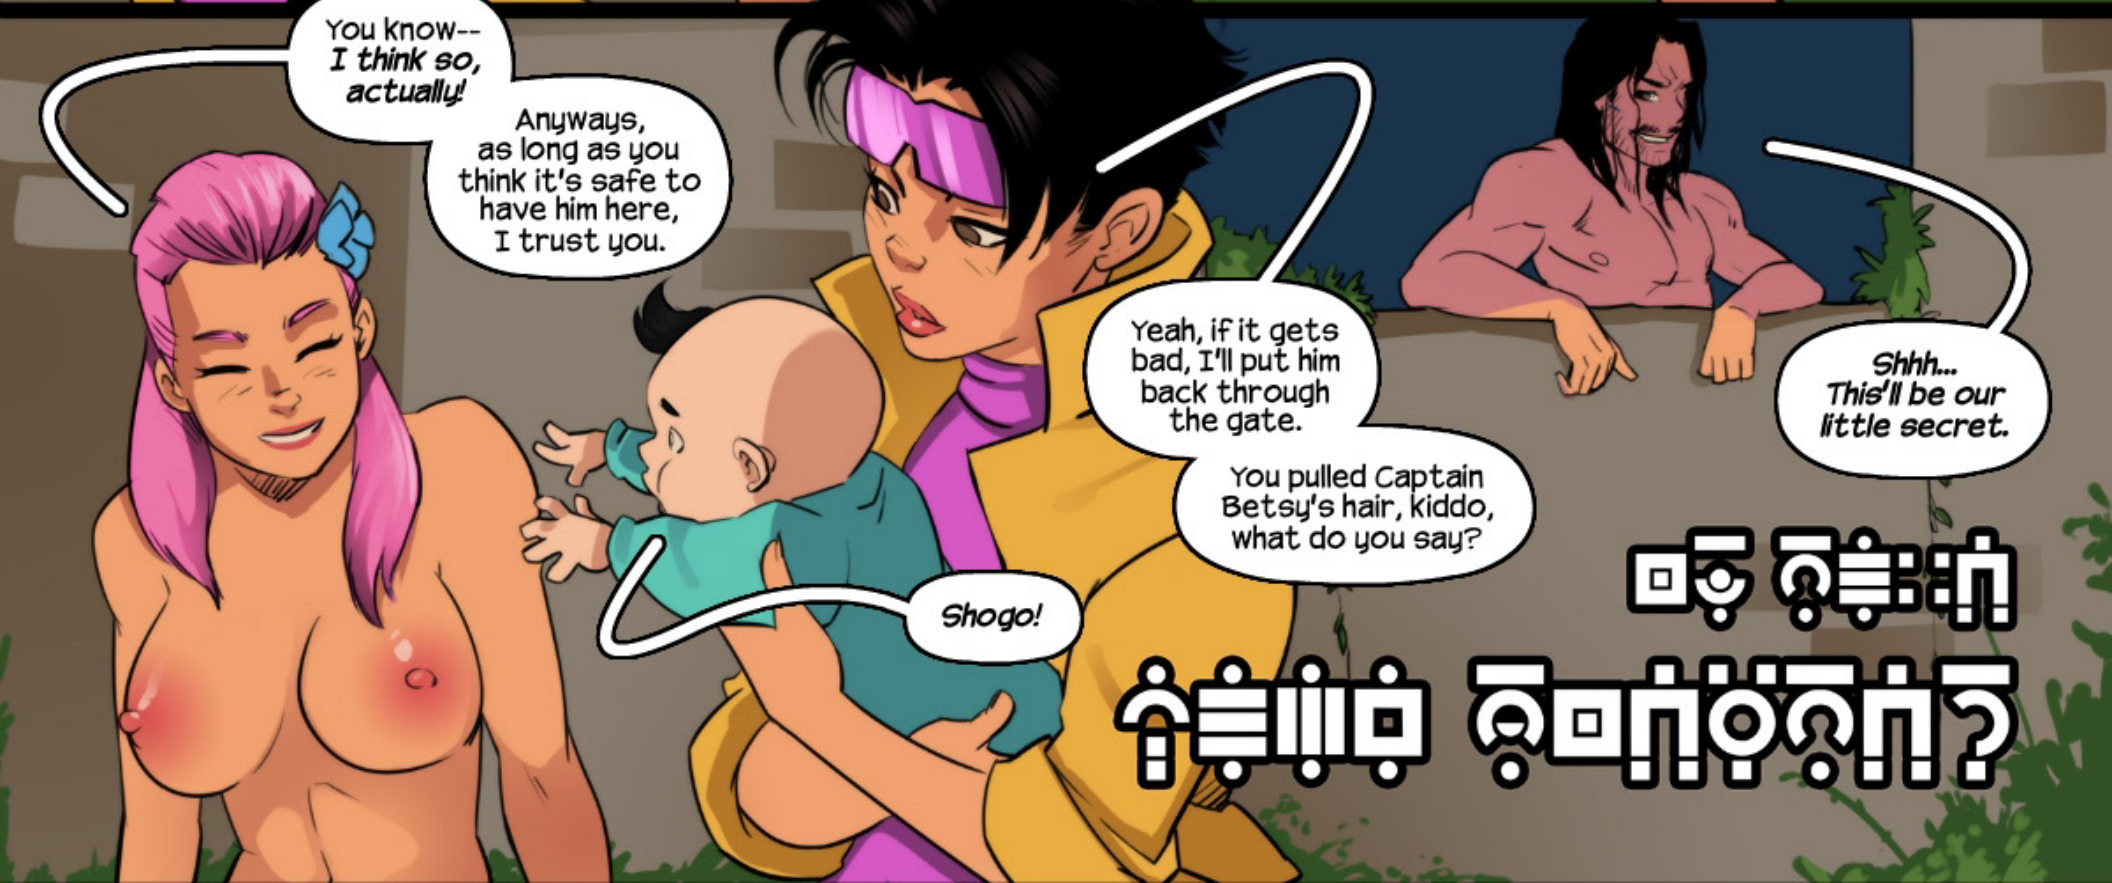

Your brother?
No, I just
grabbed Shogo,
but I assume
he's there.

What's
wrong, is
everything
alright?

I'm fine...

...Just had a weird
dream myself. Family
can really get into
your head.

Oh yeah,
I know all
about that.
You feeling
any better
after your
nap?

You know--
I think so,
actually!

Anyways,
as long as you
think it's safe to
have him here,
I trust you.

Yeah, if it gets
bad, I'll put him
back through
the gate.

You pulled Captain
Betsy's hair, kiddo,
what do you say?

Shogo!

Shhh...
This'll be our
little secret.

କିପାଇଁ କିଏକିଏକି?
କିପାଇଁ କିଏକିଏକି?
