And you think this is how we save the world?
By defacing this scumbag's storefront?

We're *twelfth graders*, Ben.

Saving the world doesn't need to mean doing it all at once.

We all have a *great responsibility*. Each of us.

You do what you can.

But, I'll admit-- kinda doing it for the thrill, too.

Like, man, I'm *amped as fuck!*

Don't you feel that? That *whoosh?!?*

Oh, I'm definitely feeling a lotta things right now.

...like how hot and wet your pussy is, against my neck.

What's that?

Yeah, the whoosh! Totally feeling it!

Hey, punks! **HOLD IT!**

Hands up, now!

Shit. You're fast, right?

Ready to run, Spidey?

Wait. Wait wait wait. Hold on.

Erm, Faye? I have an idea.
Just... please don't freak out...

Freak out? Why would I--

**FFREEEAAAKKK
OOOUIIIII!!!**

HOW--!? WHAT IS--!? BEN!!! EXPLAIN NOW!!!

Okay, so here's the thing!

My dad!

Turns out he was the original Spider-Man!

So this suit I'm wearing?

REMEMBER THE GREAT DEPARTED

...bit more than just dress-up!

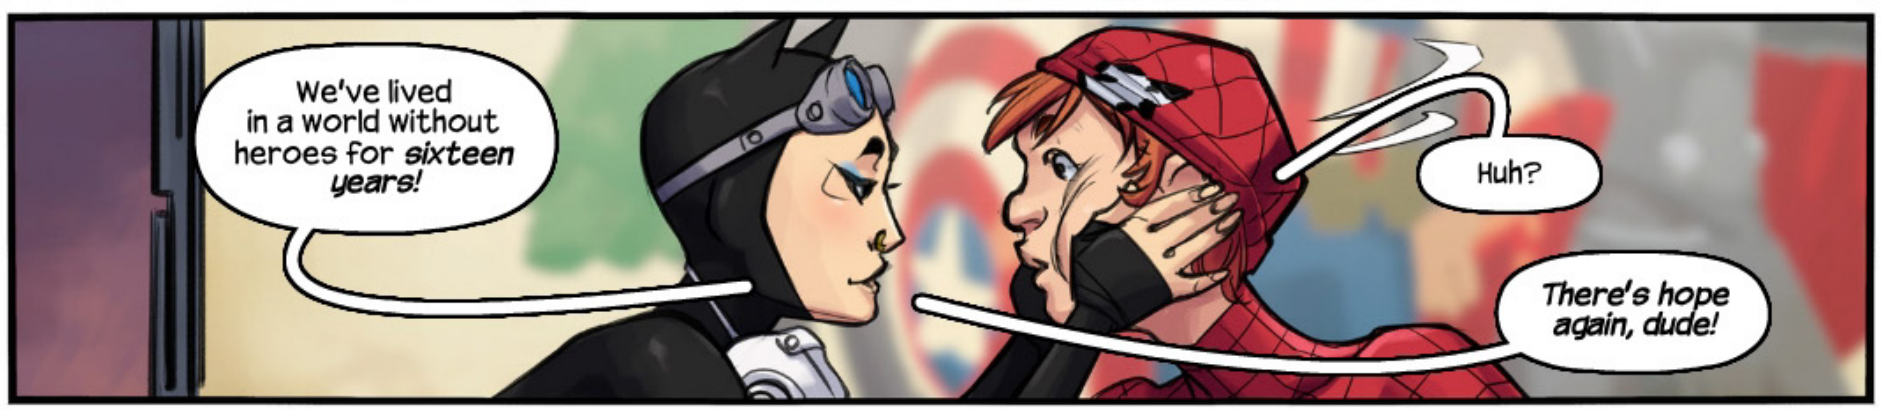

This is fucking crazy!

I know!

You know what this means?

I guess it could mean a lot of th--

We've lived in a world without heroes for sixteen years!

Huh?

There's hope again, dude!

Heroes are back!

I don't know, Faye...
Wearing this suit, it feels wrong.

I'm sure I can help you find a way to make it feel right...

...

Uhm, I... You know--

Think I need to say...

Faye, look, this is my first time, uh...

Relax, Ben. It's mine too.

Kinda. Minus one or two guys.

But from what I can feel, you're *much* bigger than them.

Don't be ashamed, dude!

I knew you had *big kahunas* from the way you kicked that bully's butt.

Woah. Still, wasn't expecting anything this big.

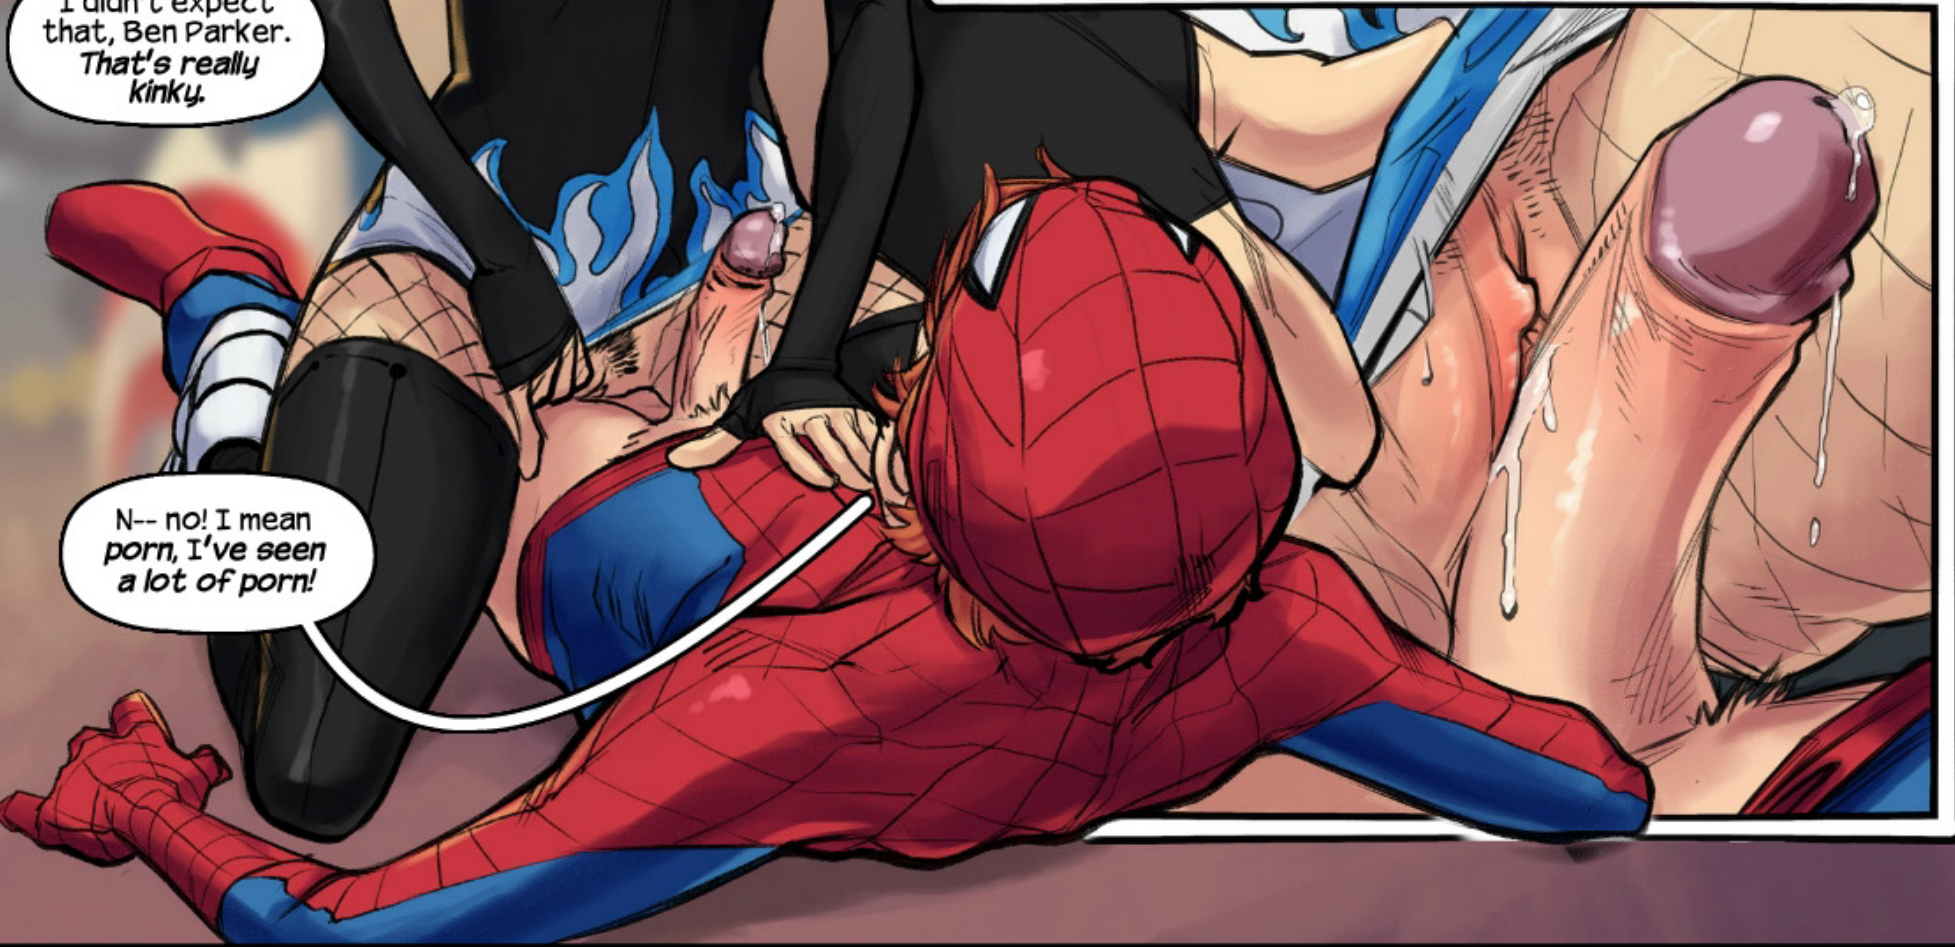

Do you know that from experience?

Suppose you've had your way with other guys' junk then, huh?

I didn't expect that, Ben Parker. *That's really kinky.*

Is it? I... uhm, I don't think it's anything above average.

N-- no! I mean *porn*, I've seen a lot of *porn*!

Interesting...

Like, not a lot...
Some! The exact,
healthy amount to
keep my hormones
under control.

I-- Faye, are
you sure about
this? People
could see us!

Yeah, you're
right. Secret
identities are
crucial.

Let's do
it with our
masks on...

That's not
what I... Mmm!
Faye...

I can't believe I'm--

OHhhh...

Oh my god.

I did it.

I'm deflowering
Spider-Man!!

This is my
origin story!!!

Wait, fuck! Did you ever have *the talk* with your dad?

BEN!!!

OH FUCK, FAYE!

Uhhmm... we're not really that close.

No, I mean, *dude!*

What if your cum is poison?!

Like it's *spider pesticide* or something!!

That's not how it works...

Or-- Oh god, what if it's *radioactive* or some shit?

You're not going to give me cancer, are you?

I-- *fucckkk*, I don't think so...

...but I think we're about to find out for sure!!

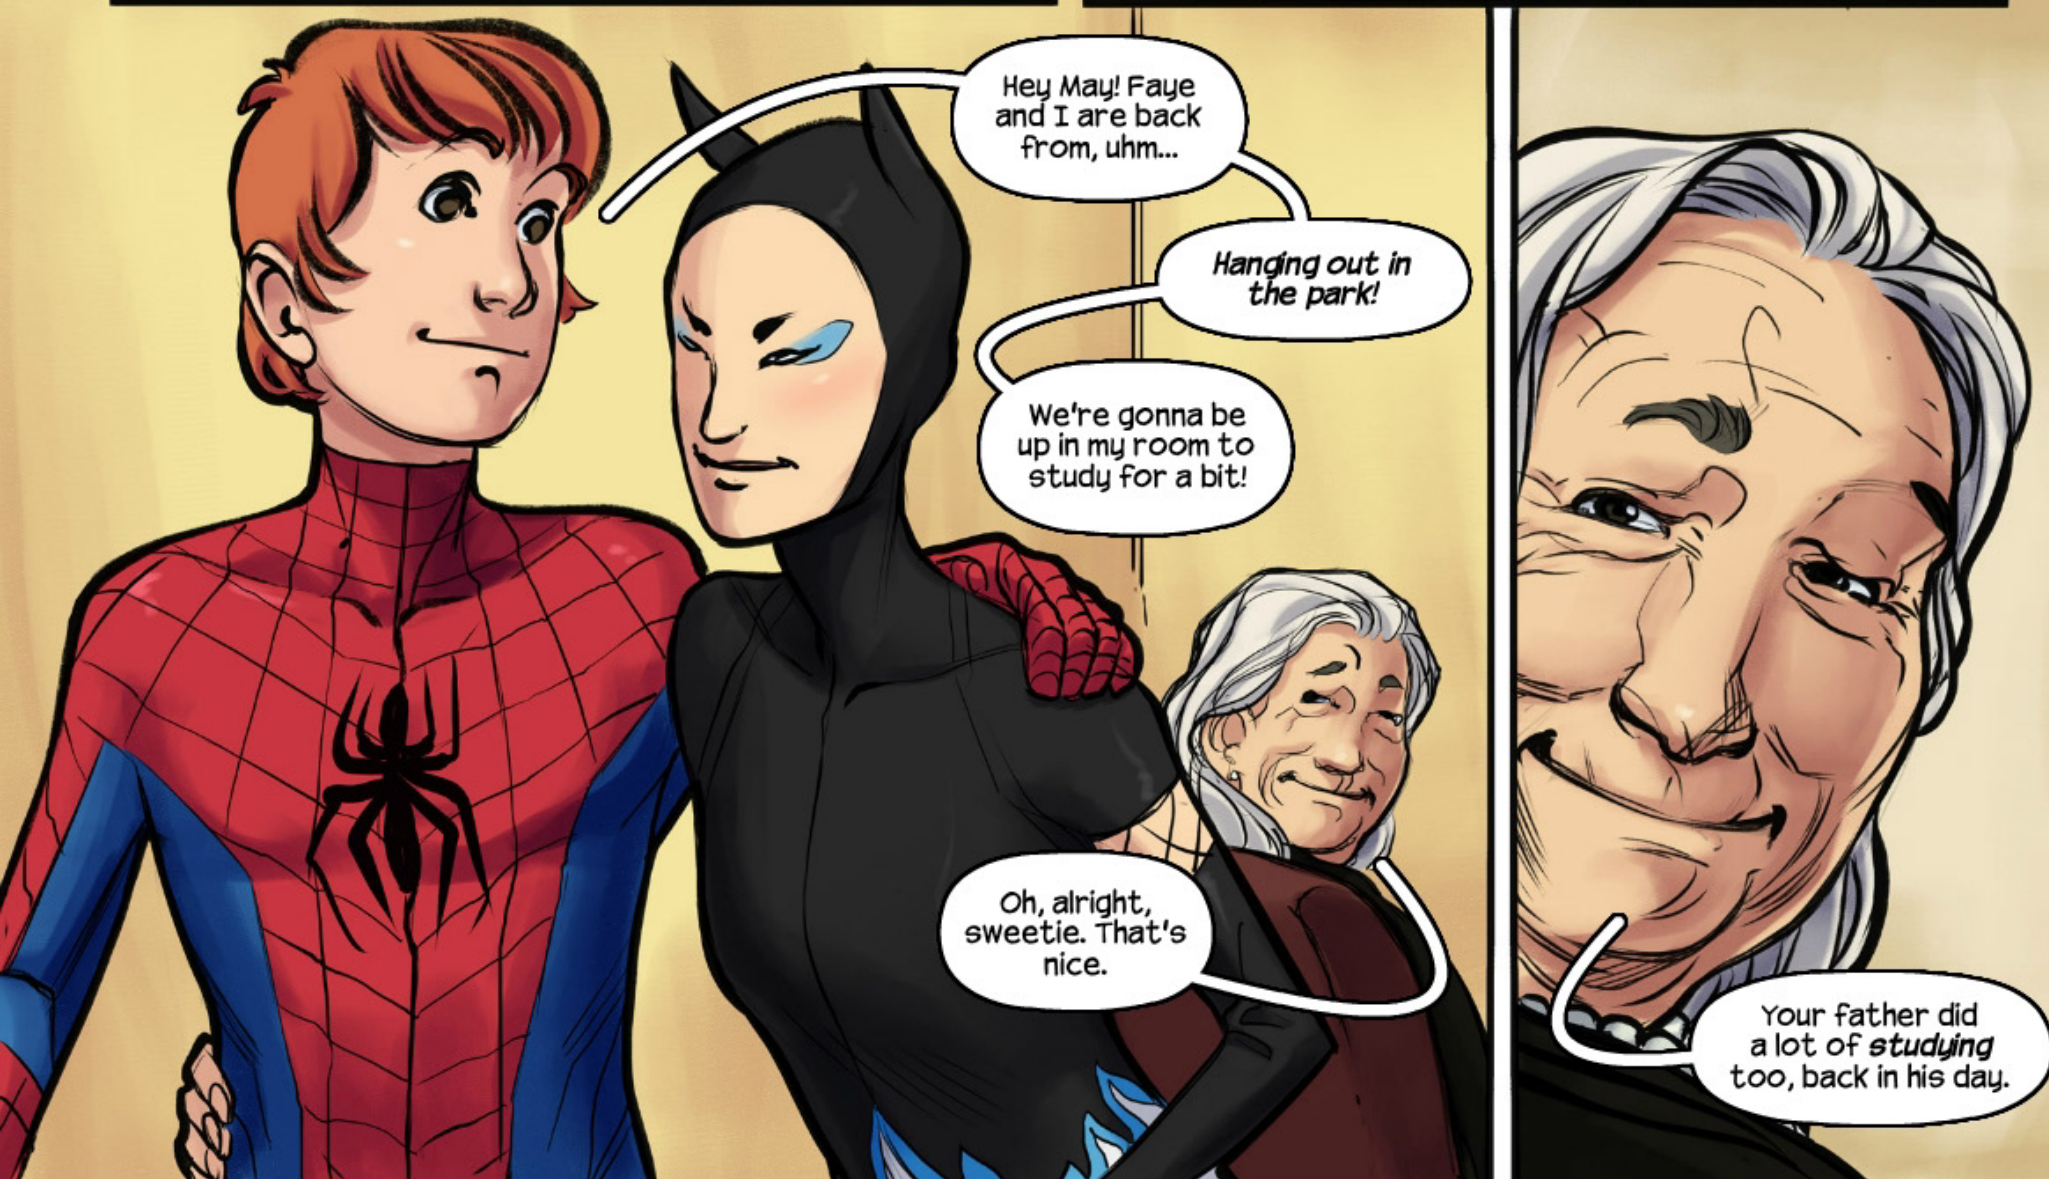

What do you--

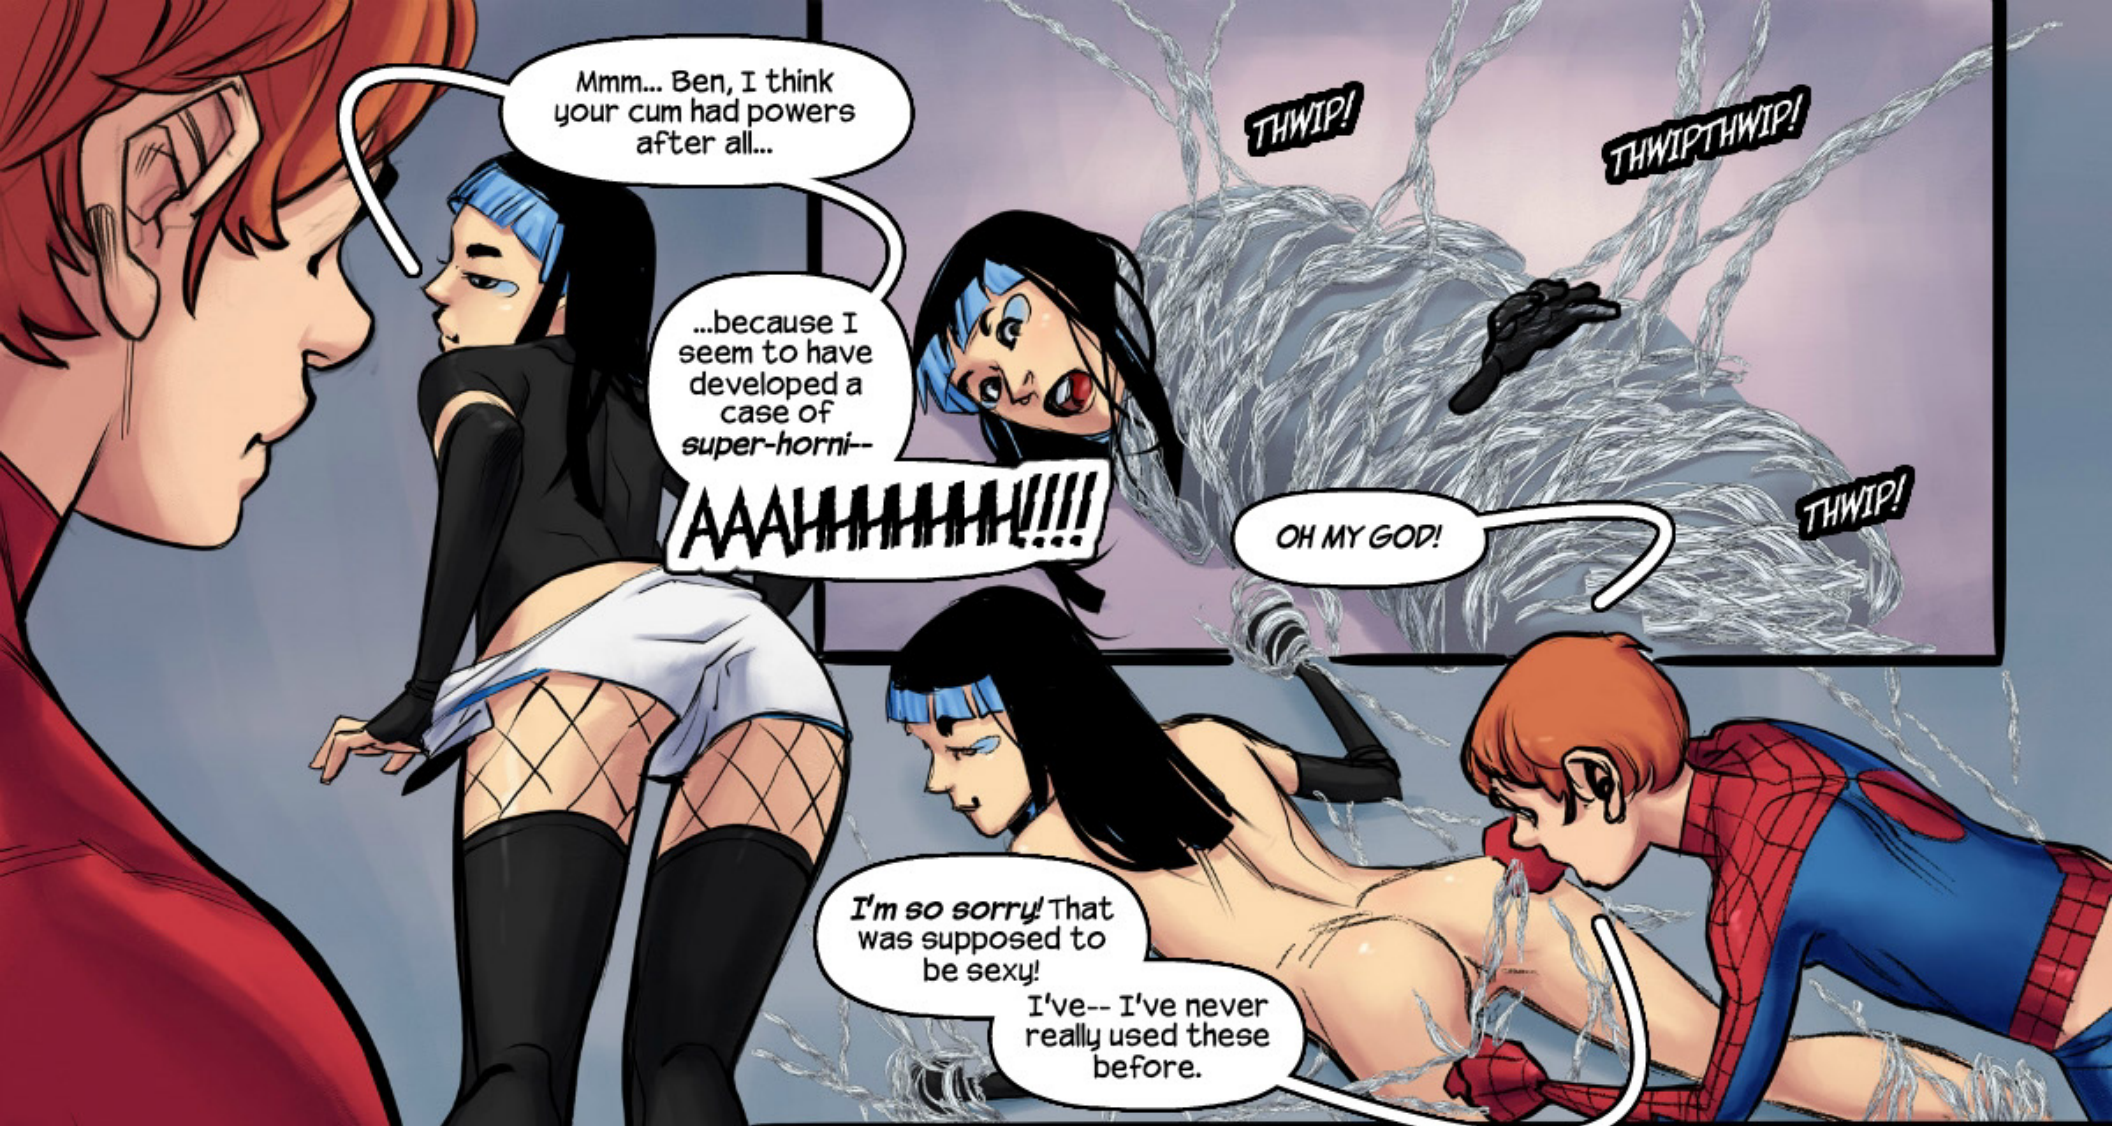

OHHH, GODDD!
YES! YES!

Pump your cum into me, baby!

Well... *it's white.*

That's good, right?

Mmm... Ben, I think your cum had powers after all...

...because I seem to have developed a case of super-horni--

AAAAHHHHH!!!!

THWIP!

THWIPTHWIP!

THWIP!

OH MY GOD!

I'm so sorry! That was supposed to be sexy!

I've-- I've never really used these before.

Benjamin Parker! You're lucky you're cute, you know that?

You think I'm cute?

...just shut up and take me!

**YES, BEN! FUCK ME,
FUCK MY PUSSY!**

Keep going! Just like that!

Faye, I don't think... I can keep this up much longer.

Why didn't you just say so?

Quick, take it out!

Out? Are you sure?

Yes!! Just do it!!!

Unnfff!!!

Oh god, yes!

SPRAY ME WITH YOUR THICK, STICKY WEBS, SPIDER-MAN!

Feel like a hero now?

Those Parker boys and their Parker luck.
