CABLE'S GIRLS

Cable is back, and don't you dare call him a kid. This version of Nate Grey is sleeker, stronger, smoother--really just an upgrade from the original in every way. It's obvious why all the hot, young X-Babes are all over him.

And when an accident in the forest leaves him temporarily incapacitated, well, of course Armor and Pixie just had to take the chance to get up close and personal with Nate's private cable.

Cable

Armor

Pixie

Alright, so maybe I kinda have a small crush on him...

Small!?

Girl, you've been dying to jump on his time-displaced dick since we came to Krakoa.

MEGAN!!!

You know I'm right!

Guys!! Wait up!!!

 Krakoa, the living mutant island in the middle of the Pacific Ocean.

Oh! Hi, Nate! Thought you were going back to the moon base?

Nah, Dad-- er, Scott, just wanted to take a look at the sword.

Didn't that thing literally give you a seizure earlier?

I mean, I think that was just a one time--

**NINGNUNGUNG
NNUNGNNG!!!**

Oh god, oh god! He's seizing again, what do we do!?

I don't know! It just kinda went away last time!

It wasn't this long last time! DO SOMETHING!!

Like what, I don't even, ahh--

GO!!

**GO
PIXIE
DUST
GO!!!**

Did that work!?

It worked, right?

I think so? I don't know... I never used it for something like that before!

Well he calmed down at least. That's good right?

Yeah, the seizures stopped, but now he's probably tripping.

CABLE!!! ARE YOU TRIPPING!?

Woah...

He's up! Oh thank god.

Do you remember who we are?

You idiot, of course he still knows us!

It's pixie dust, not roofies.

Oh, right... **CABLE!!** I don't know if you heard me earlier, but--

ARE YOU TRIPPING!?

You guys look good... in those swimsuits.

Very classic...

X-Men.

He's tripping.

Eeyep. A word?

I'll just... stay here on the floor...

...with my sword!

Alright, so, are you thinking what I'm thinking?

What are you thinking?

Now's your chance to make your move, girl!

Oh, then no, cause you see--

I'm not fucking crazy!

What if he's hurt or we do something that could destroy the entire timeline?

He's fine, I doubt my hallucinations would manifest as horny day dreams if he was hurt.

He's... *horny*?

Are you kidding me? Just look at him!

His pants are practically bursting at the seams!

He-- Fuck, you're right... It's huge.

Yeah, and that's all because of you! He's clearly into you!

Or me, or us--

The point is, now's the best time to get all up close and personal with his *cableconda*.

Guys...

Mm...

Guys... I think I'm tripping.

Fuck. Okay, let's do it...

Why are we taking our clothes off again?

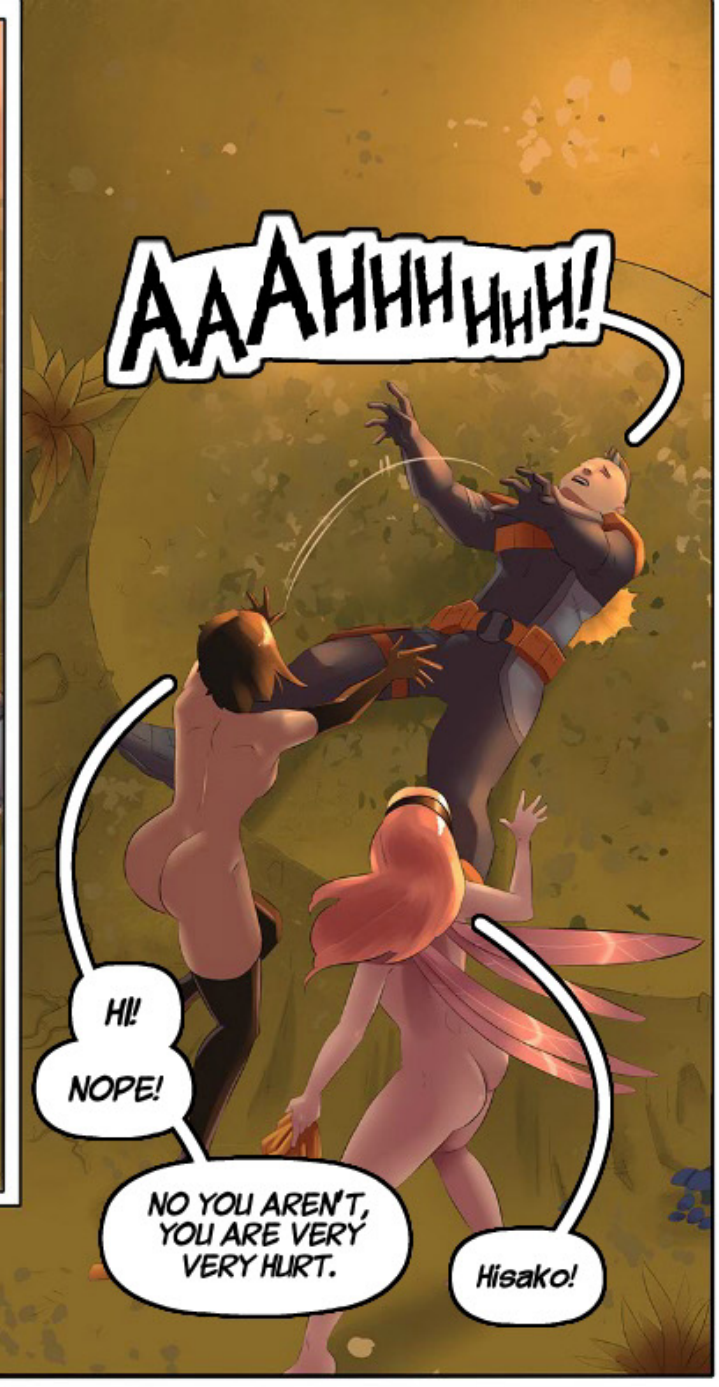

Cause he's imagining us in some sexy outfits right now.

...and if he sees us in our normie clothes when the pixie dust wears off in a couple of minutes...

The jig'll be up.

I... okay, I don't know how your powers work, but I guess that makes sense.

You know... I think I feel better now.

AAAAHHHHHHH!

HI!
NOPE!

NO YOU AREN'T, YOU ARE VERY VERY HURT.

Hisako!

So you need to lie down!! Cause you have all sorts of brain problems right now!

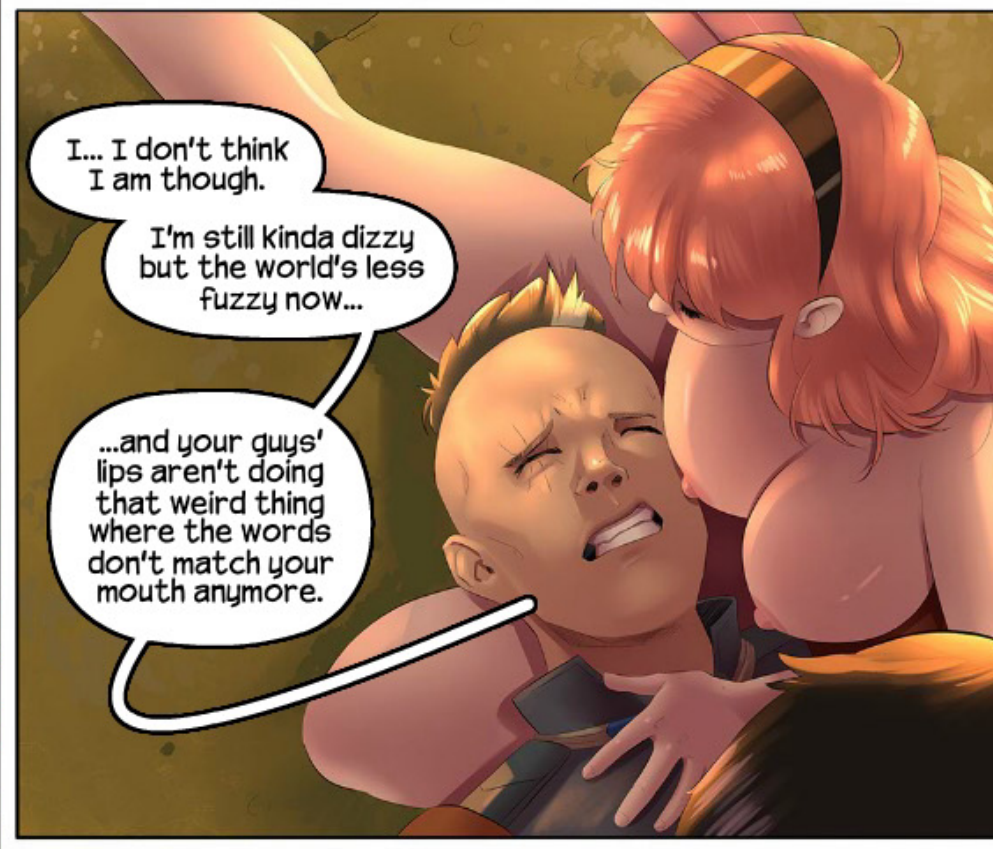

Oh yeah, tons of them!

You're just, completely knocked out in the forest right now.

I... I am?

Yep! And we're just...

More of your sexy hallucinations?

I... I don't think I am though.

I'm still kinda dizzy but the world's less fuzzy now...

...and your guys' lips aren't doing that weird thing where the words don't match your mouth anymore.

Oh yeah, no. That's a bad sign.

That means you're like, really deluding yourself now.

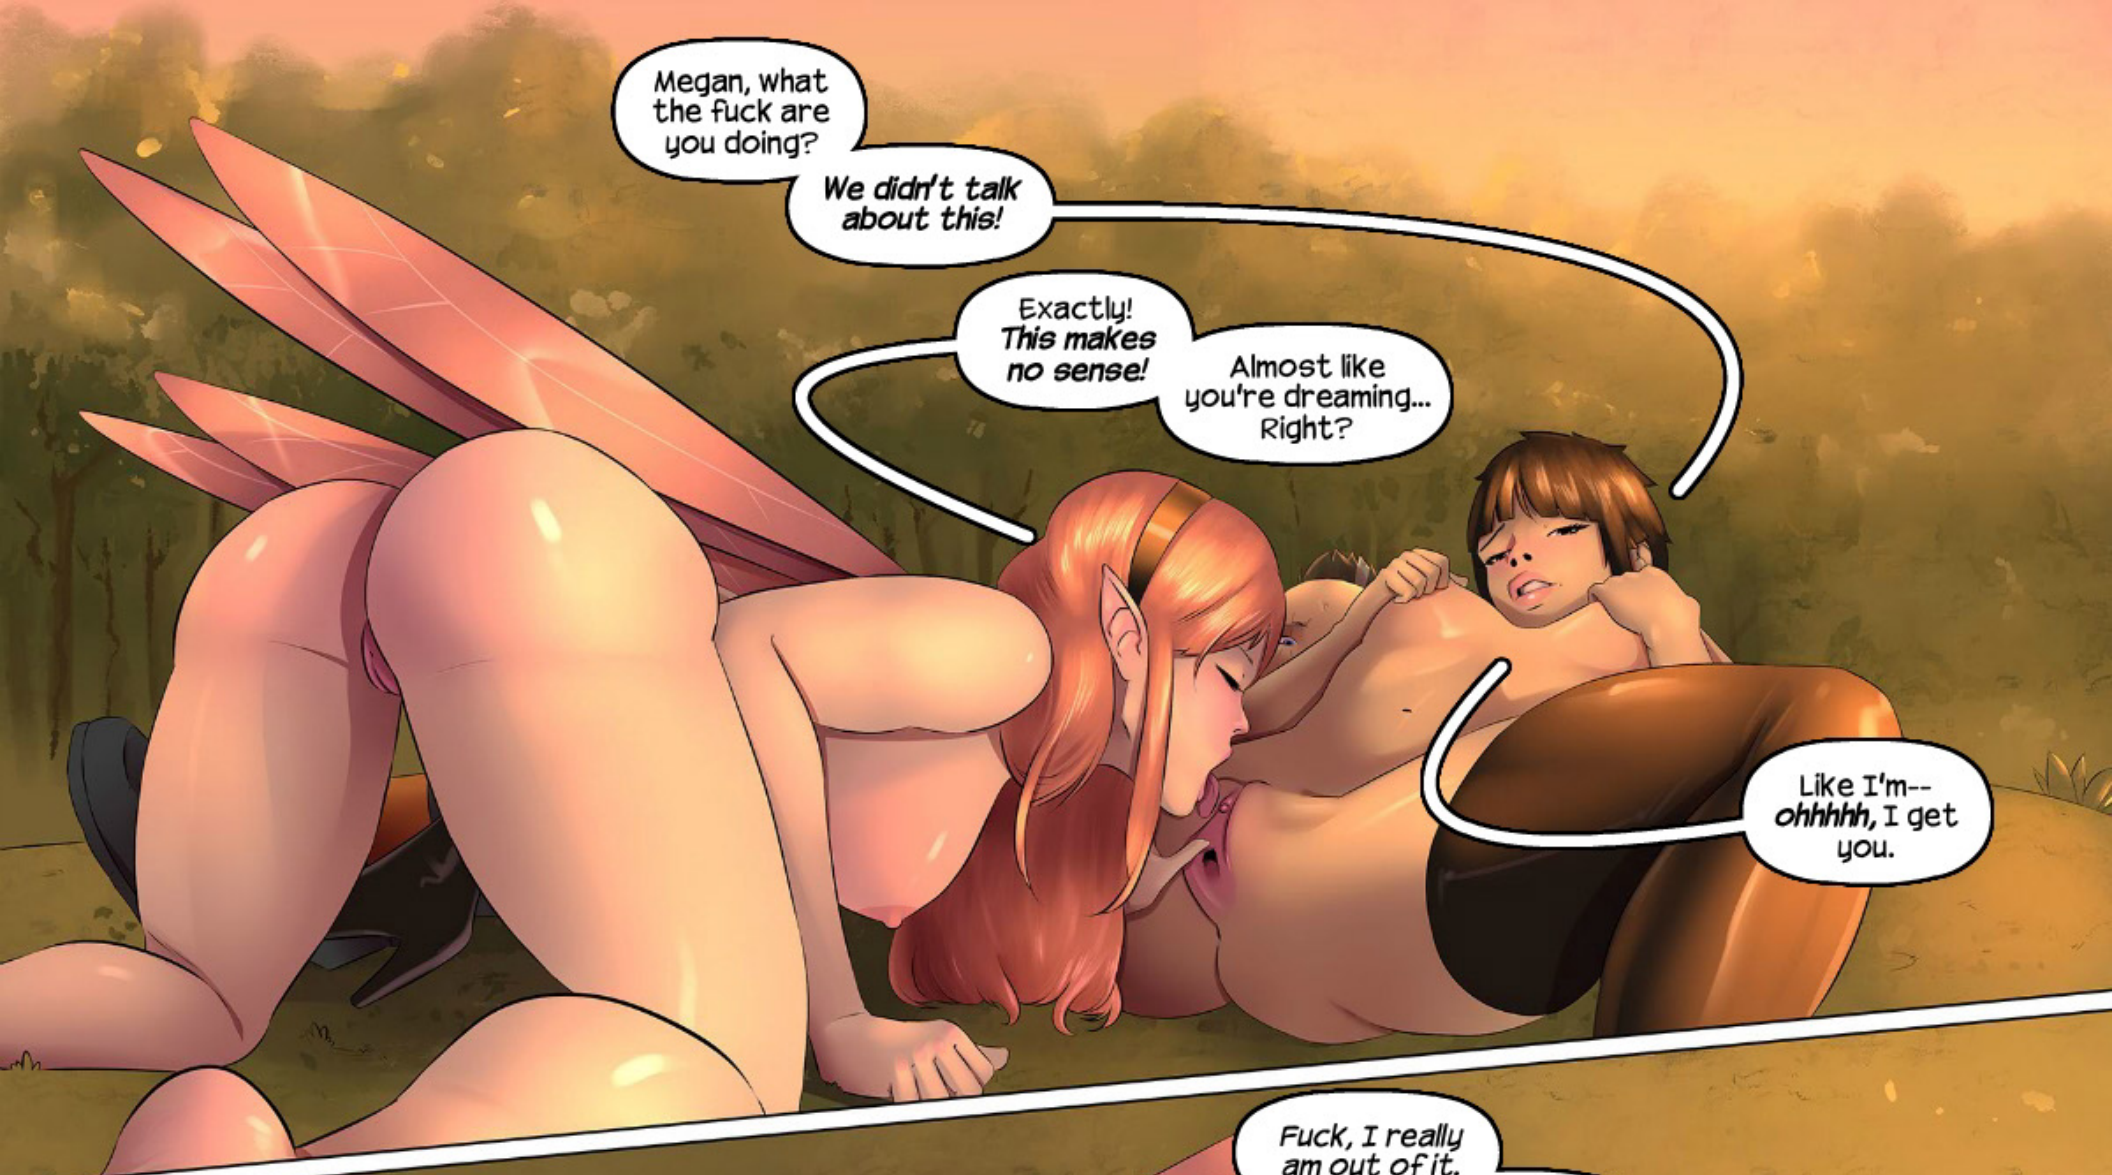

Yeah, like your brain's trying to tell yourself that this is real.

But it's not! Like...

If this was real then like... It'd be like...

MMMMFFF!!!

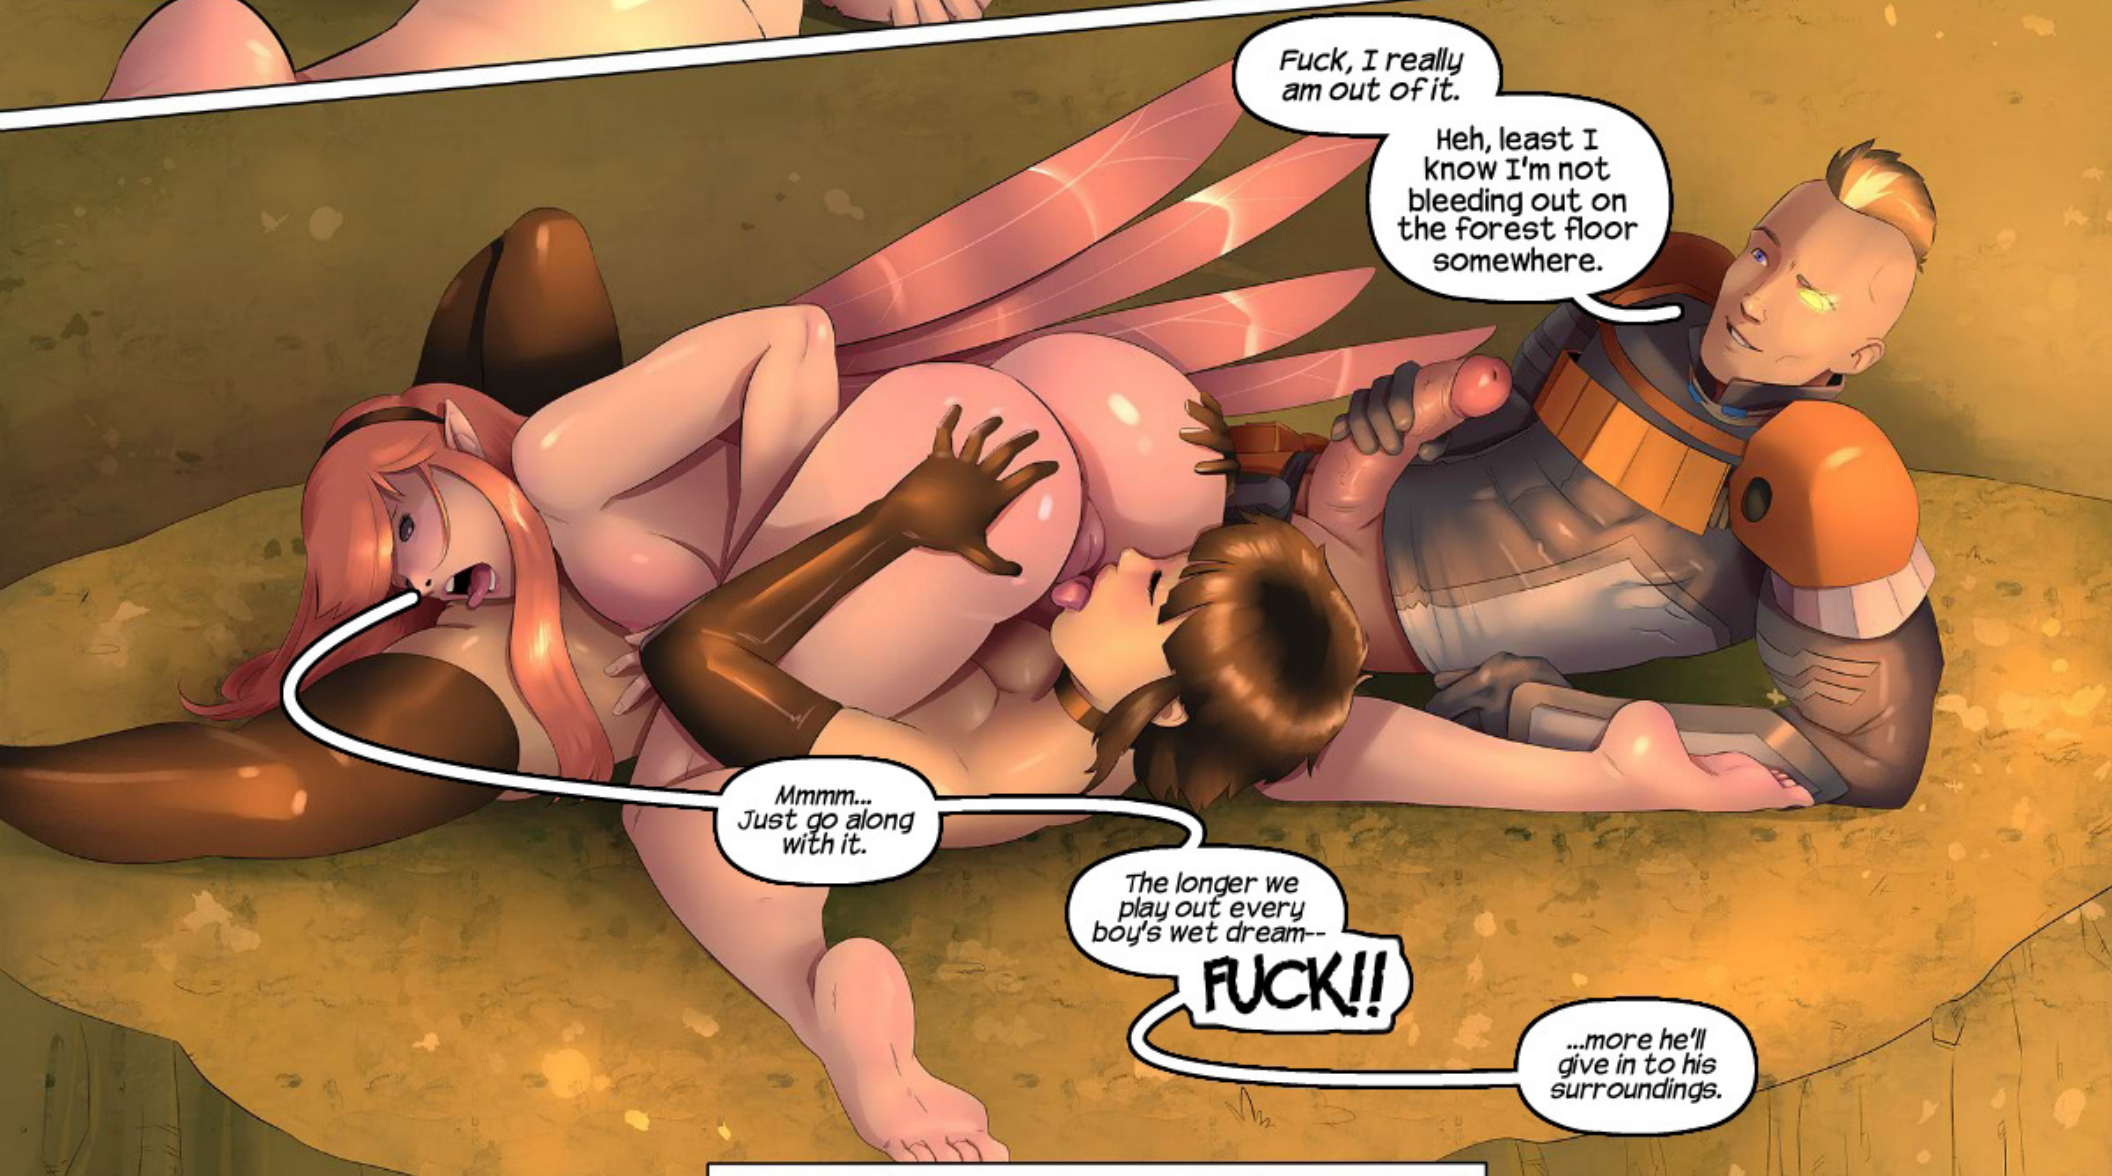

Megan, what the fuck are you doing?

We didn't talk about this!

Exactly! This makes no sense!

Almost like you're dreaming... Right?

Like I'm-- ohhhh, I get you.

Fuck, I really am out of it.

Heh, least I know I'm not bleeding out on the forest floor somewhere.

Mmmm... Just go along with it.

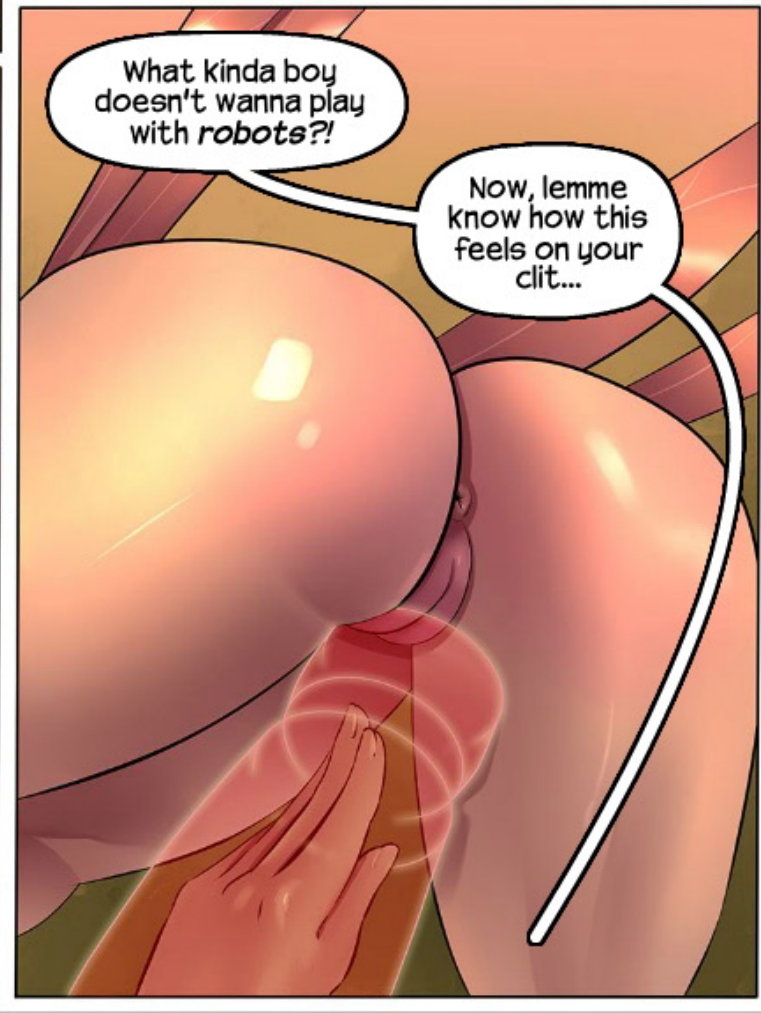

The longer we play out every boy's wet dream--
FUCK!!

...more he'll give in to his surroundings.

Well, if that's the case...

GGRRGKK!!

What kinda boy doesn't wanna play with robots?!

Now, lemme know how this feels on your clit...

**OH FUCK!
FUCK YES,
ARMOR
FUCK!!**

Oh man, this is working out great!
Imagine all the things I can do with this bad boy on my suit!

FUCK!!

I'm glad you're having fun, Sako, but--

MMMMM...

Don't take your eyes off the prize, yeah?

Oh... yeah.

I mean... How are we even gonna do that?

Are you kidding me?

OH, NAAATTEE!!

Armor's mechsuit sure seems roomy, doesn't it?

So it does.

Man... I always knew there was enough room to fuck inside of this thing.

W-What!?

You've thought about... *with me!*?

Of course I have, but you knew all about that already, didn't you?

How would I--

Right!
Yes, because I am you!

This is all in your head, yep!

Best damn dream of my life.

OH GOD, YES!!!

MMFFF! FUCK, DEEPER!

Attagirl!
Ride that future dick!!

Oooohhhhhggoodddddd,
jjuuuussttllllkkkee
ttthhaatttt.....

Fuck, this might all be in my head...
...but I know Old Man Cable is gonna remember this for the rest of his life.

I think it's time to switch things up.
Come on, Cable. Haven't you always dreamed of taking my cute fairy ass?

Why yes. Yes I have, Pixie.

Oohhhh...
Mmm, God I needed that!!

Hey, that's not fair!

I was using that!

Easy girls... Plenty of Cable to go around...

Fuck!! Thank god I have wings, cause I don't think I'm gonna be able to walk for days.

Mmmmmmmmm...

That's enough for you, Megan! It's my turn to ride!

Awh, but I'm still horny...

Say, you think you can still armor yourself up with that thing in your ass?

Ooooh!! This is taking all my concentration but it's so fucking hot!

Girls, I'm close!

Cum inside me, baby!

Wait, no! I wanna go on your face!

Oh god, you two are so fucking hot...

Fuck I'm gonna... Gonna...

Nggngghh...

CUMMM!!

Well, I don't know about you guys, but that was pretty great!

Yeah...

Need to remember to ask real you for...

Sexy dust. After I wake up.

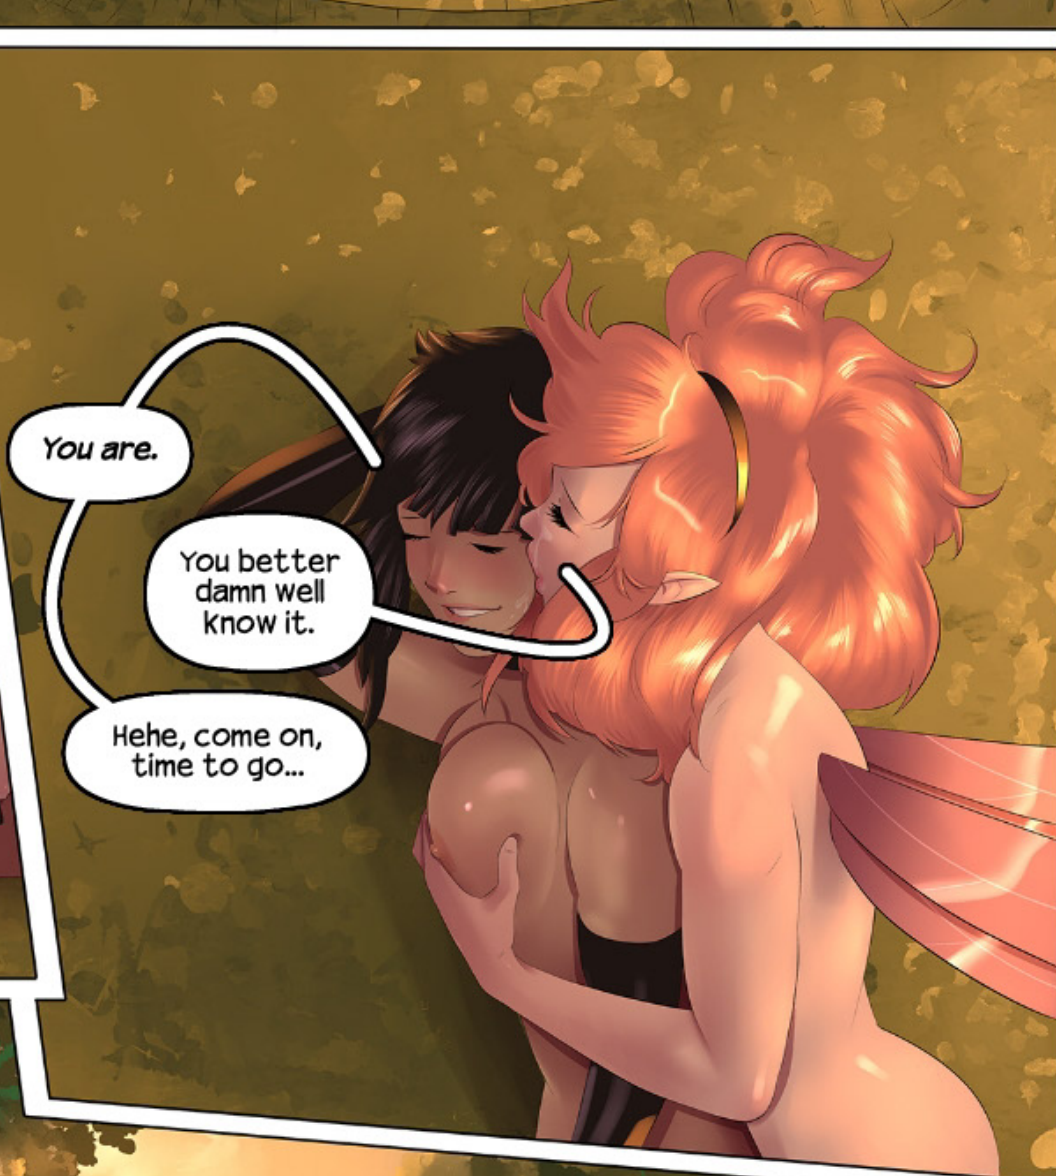

Hope I'm not dead...

What'd I say, totally worth it, right?

Fuck-- I'm so glad I listened to you.

Who's the best wing girl?

You are.

You better damn well know it.

Hehe, come on, time to go...

That's our boy...

You sure he won't remember any of this?

Eh, if he asks, we tell him he's crazy.
