THE PYRO INCIDENT

Pyro has returned home to Krakoa, but he didn't come alone. He was unknowingly boarded by the villainous Yellowjacket, who's hiding away inside Pyro's brain. Harvesting neural signals from his microscopic command center, Darren Cross is livestreaming data of the X-Men's home to those who would do them harm.

Fortunately, Emma Frost noticed this tiny intruder, and has been running interference the only way she knows how-- by telepathically giving Pyro a good time, of course! Jean Grey wouldn't mind being the star of his corny sex fantasy, right?

Well, I'll be honest.

Didn't know what to think when they gave me this assignment.

~~Yellowjacket's Mobile Command Station...~~

Thought it'd be a boring gig, just sitting around all day, streaming data.

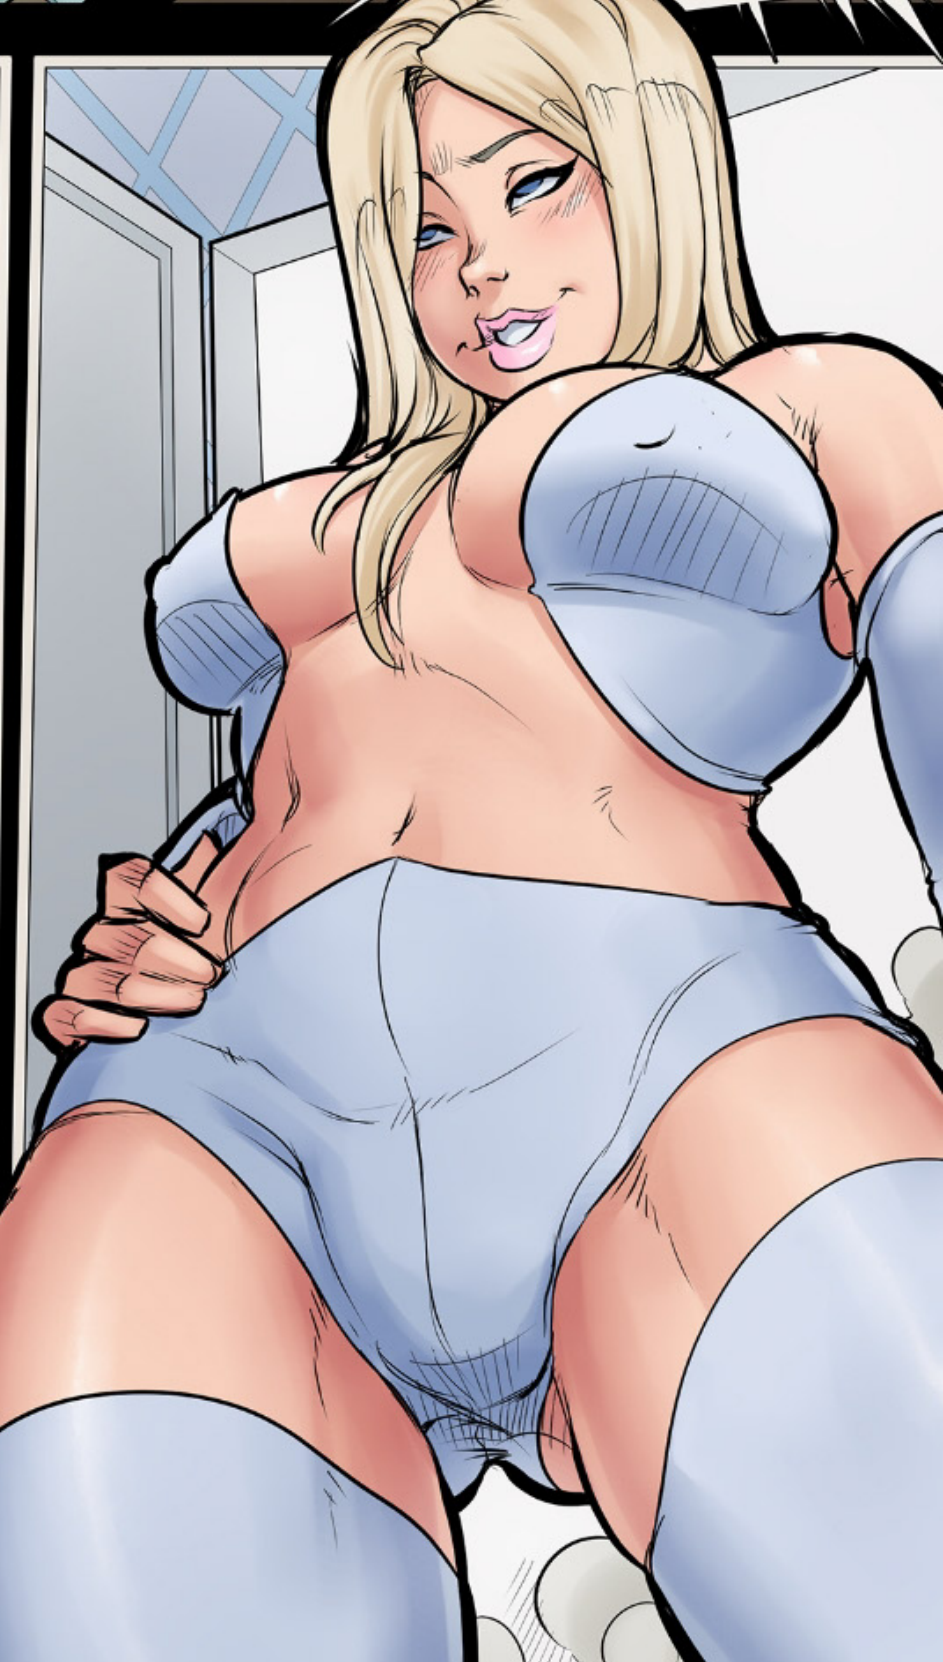

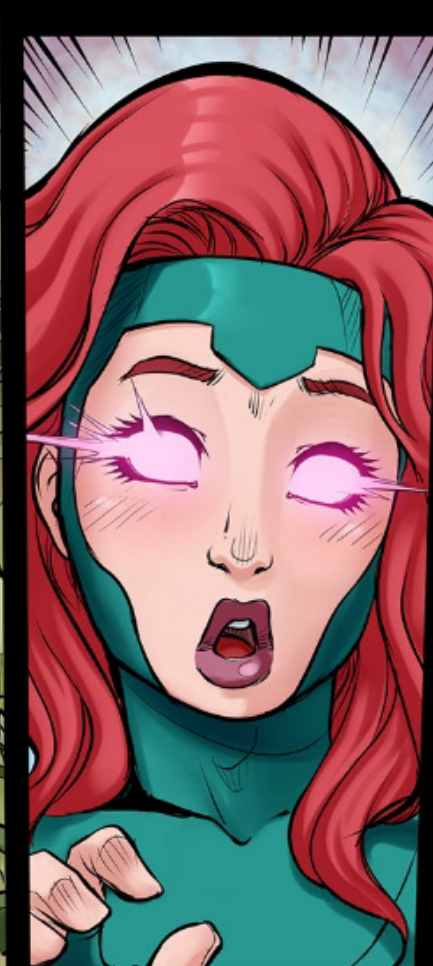

~~...center of Pyro's visual cortex...~~

But goddamn, Pyro.

Who knew you'd be fucking Jean Grey?

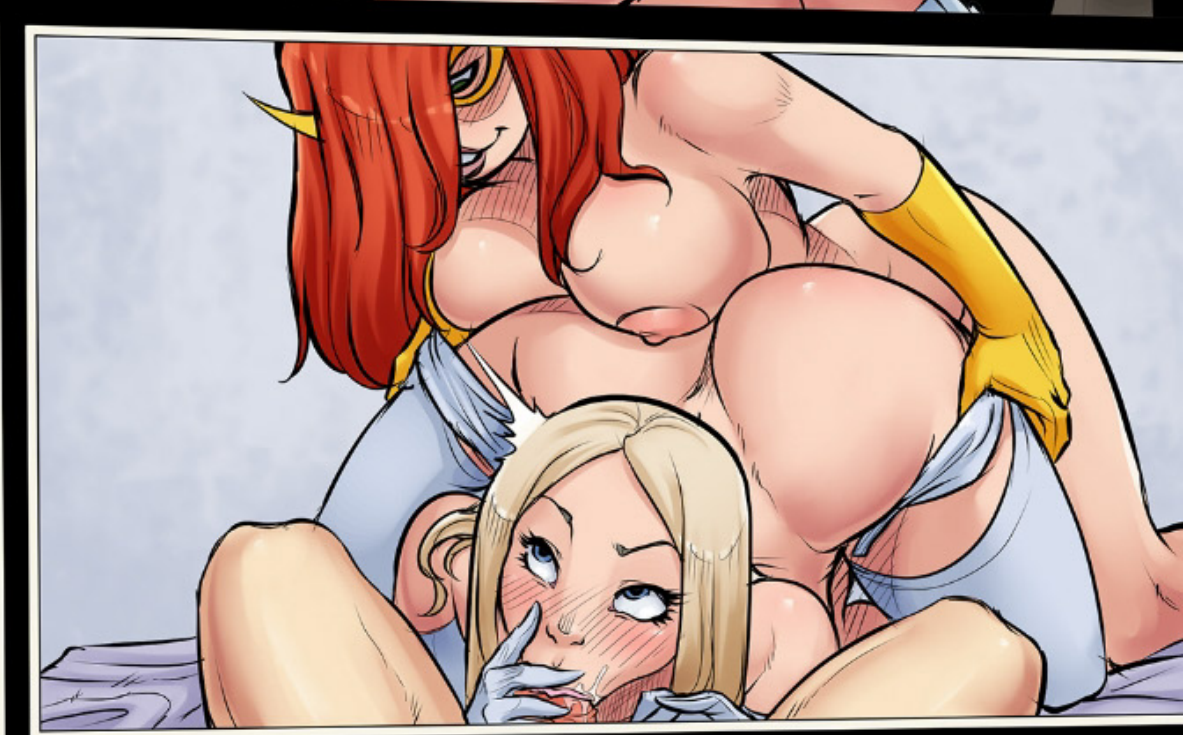

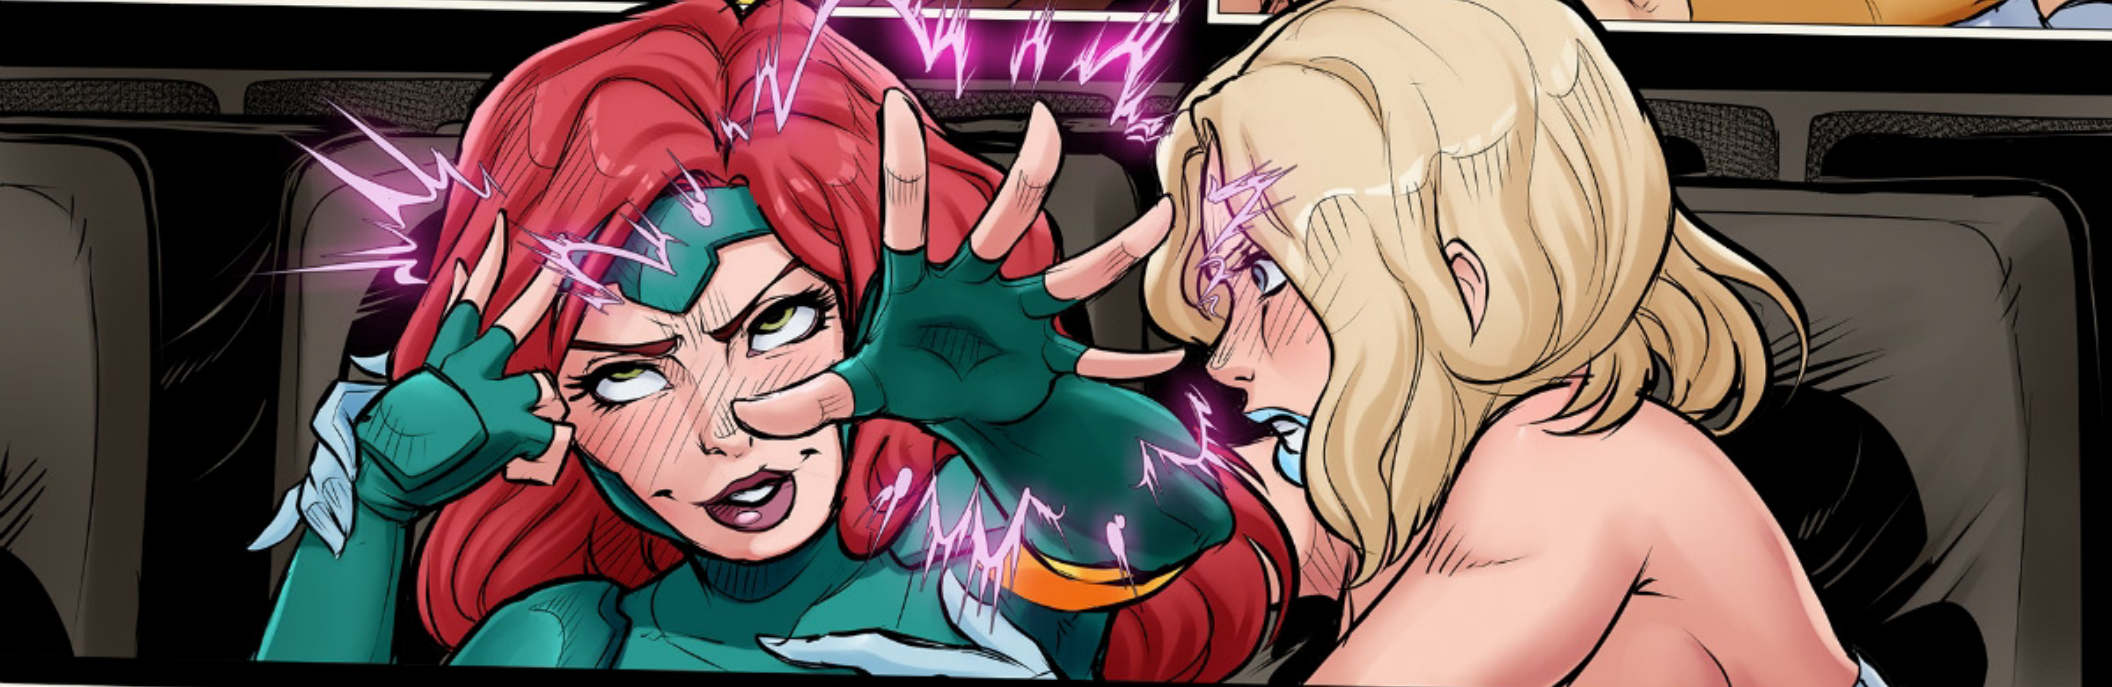

~~...on Krakoa.~~

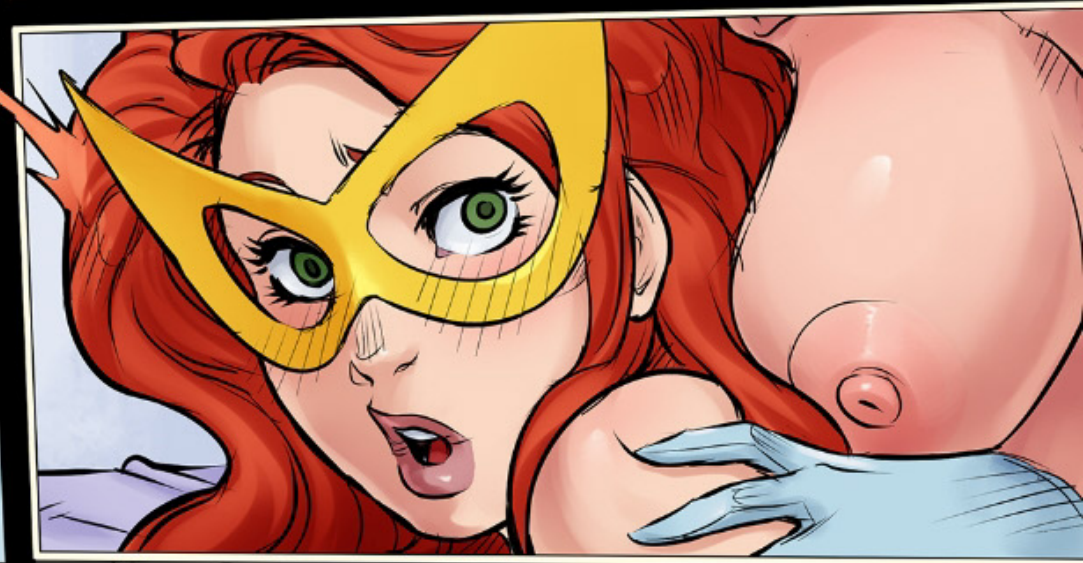

What the fuck!?

How many X-girls are you fucking, man!?
