EDITION

The new Avengers Headquarters was built from the corpse of the Celestial known as the Progenitor, who died in what's now the Arctic Circle around four billion years ago. The current Celestials bestowed those remains upon the Avengers as a gift to serve as their new headquarters and a reminder of the wonders of life on Earth.

It was then refurbished by finest architects from Wakanda and Alpha Flight technicians to make the mountain livable.

**AVENGERS MOUNTAIN,
NORTH POLE.**

JESUS, KID!
Are you trying to boil my balls?!

Sorry!

Don't worry too much about it, Robbie.

Ole shell head there's told me his suit has moisturizer for his...

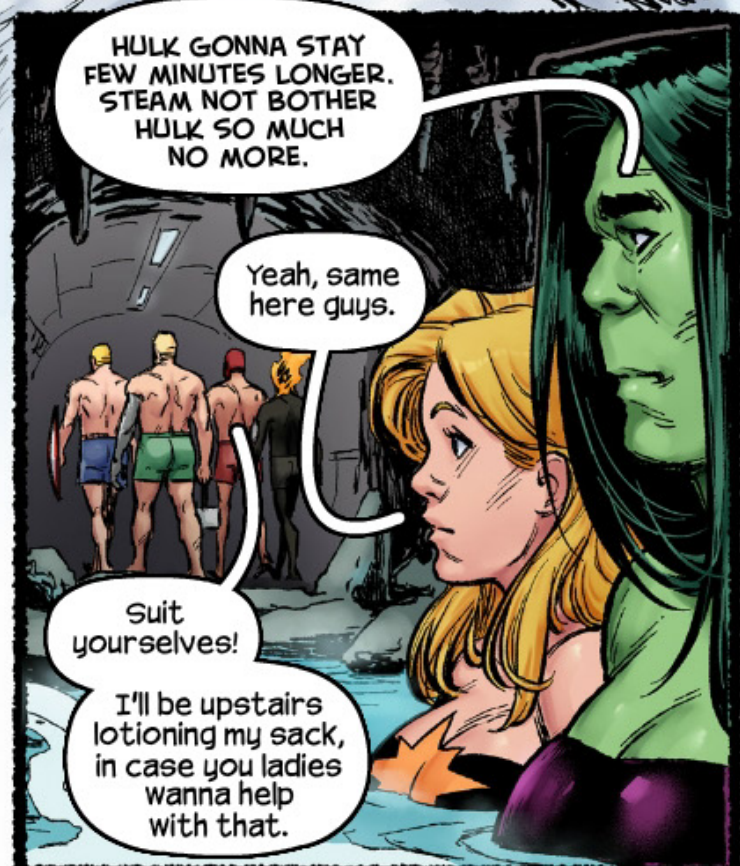

...Lower parts. He'll be fine.

Sorry again. Never used my powers to heat up a pool before. My bad for--

...Making Tony soup?!

Well, apology NOT accepted. You ruined a perfectly good view of Hulk's *ridiculously massive tits!*

No offense, Jen. You girls coming with us?

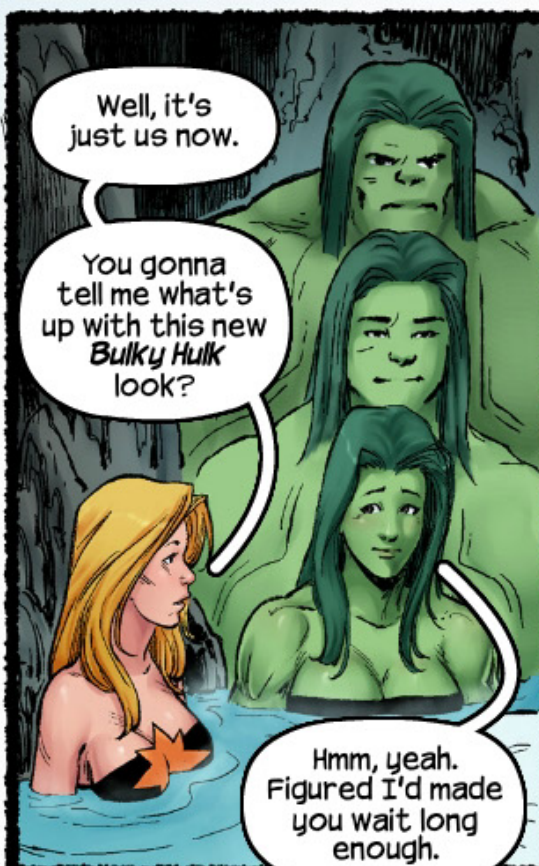

HULK GONNA STAY FEW MINUTES LONGER. STEAM NOT BOTHER HULK SO MUCH NO MORE.

Yeah, same here guys.

Suit yourselves!

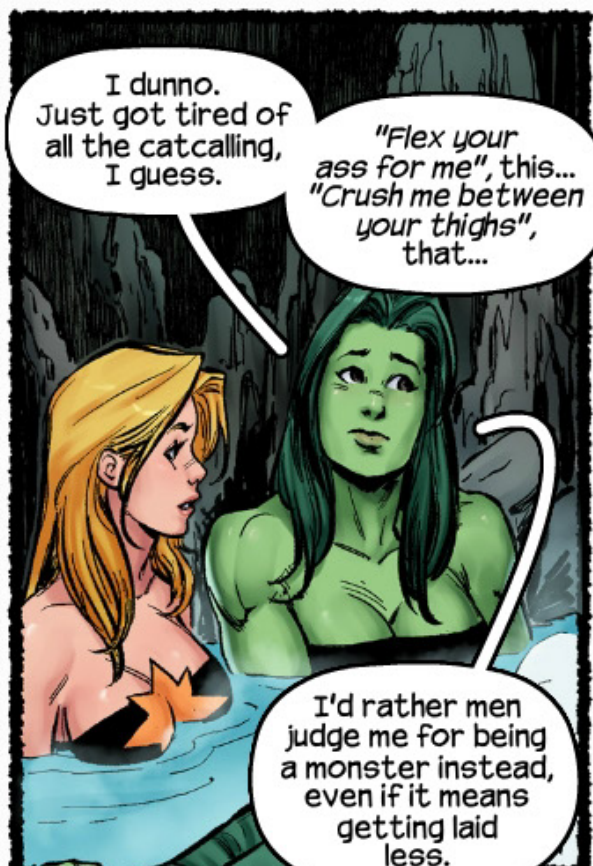

I'll be upstairs lotioning my sack, in case you ladies wanna help with that.

Well, it's just us now.

You gonna tell me what's up with this new *Bulky Hulk* look?

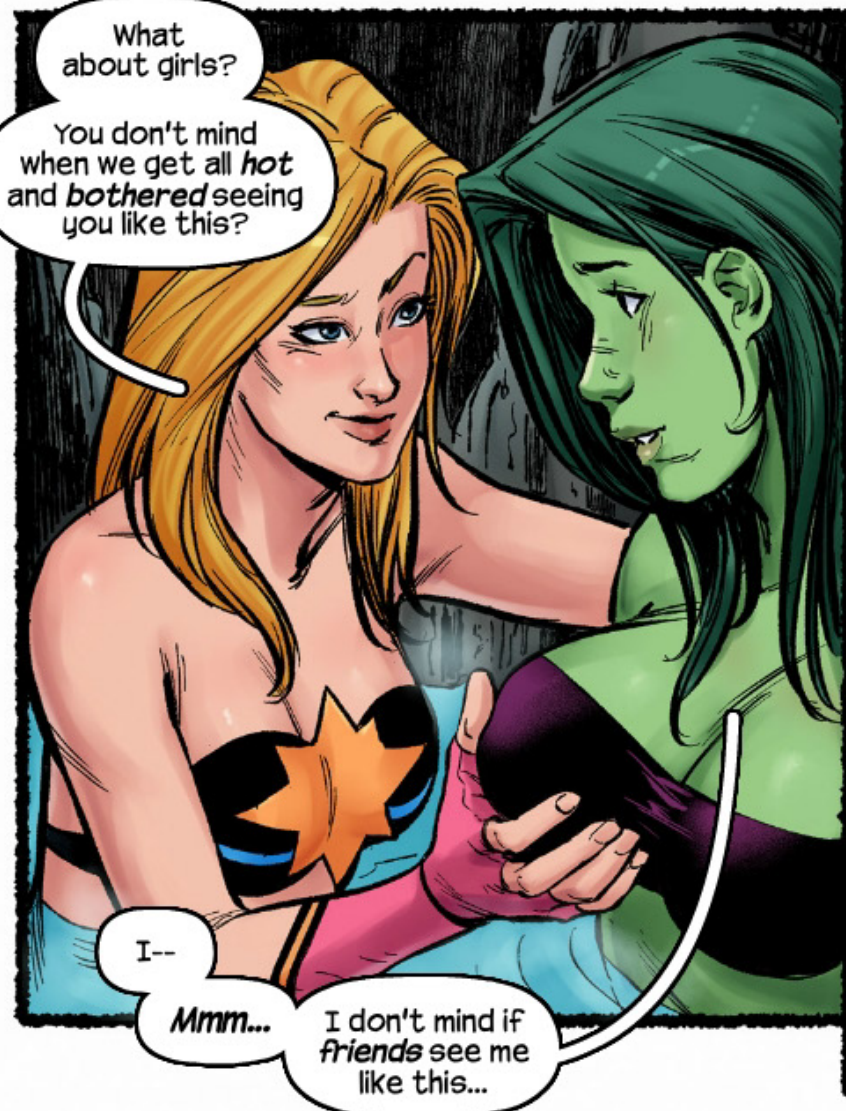

Hmm, yeah. Figured I'd made you wait long enough.

I dunno. Just got tired of all the catcalling, I guess.

"Flex your ass for me", this... "Crush me between your thighs", that...

I'd rather men judge me for being a monster instead, even if it means getting laid less.

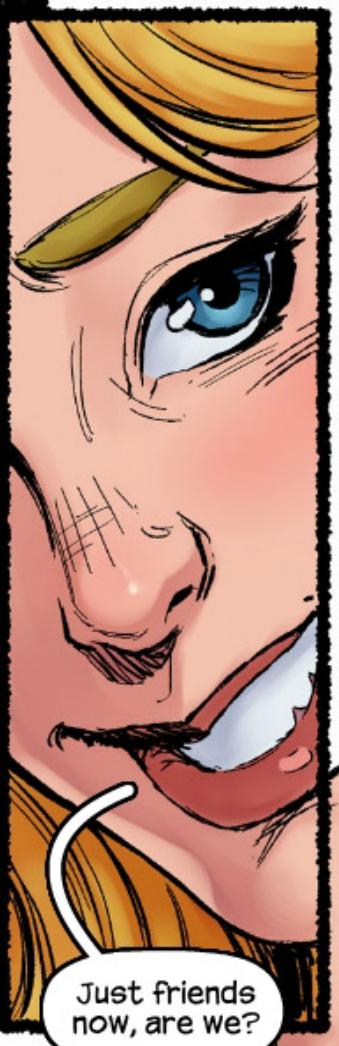

What about girls?

You don't mind when we get all *hot* and *bothered* seeing you like this?

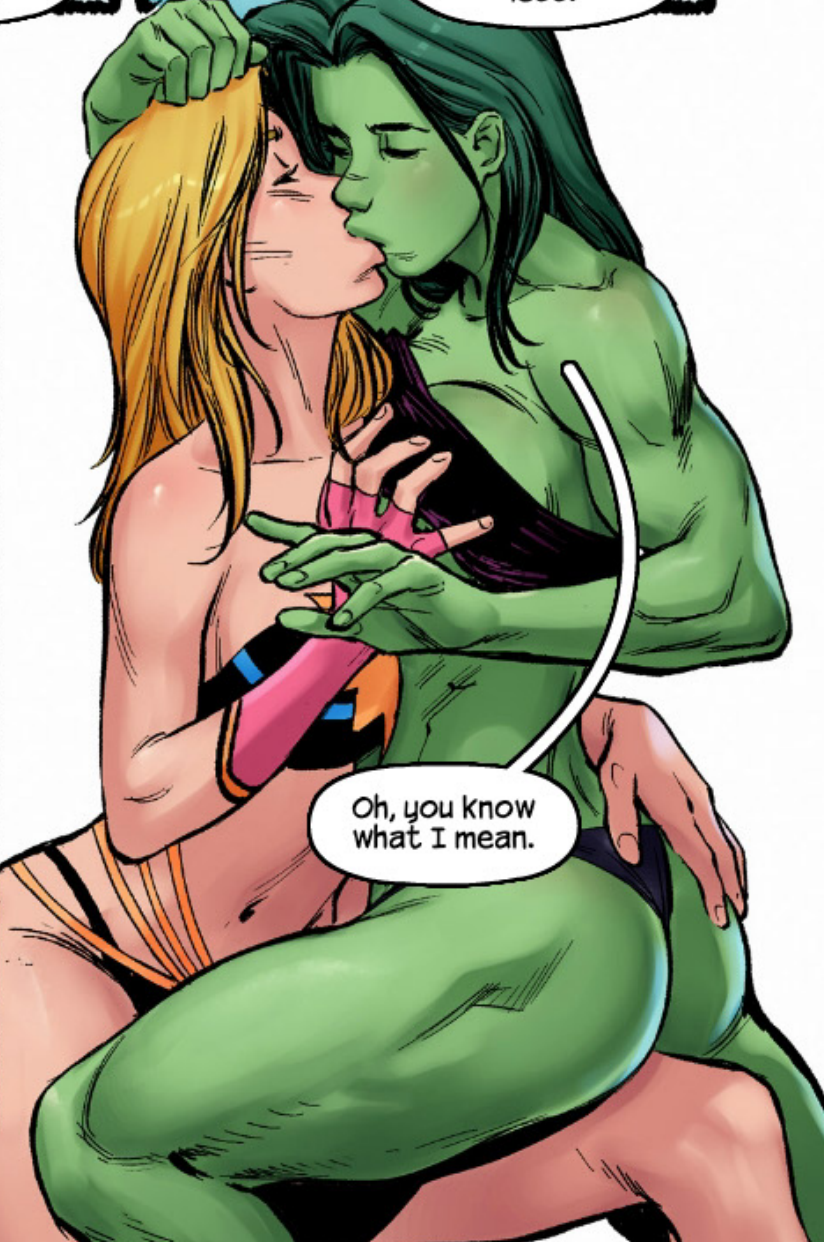

I--

Mmm...

I don't mind if friends see me like this...

Just friends now, are we?

Oh, you know what I mean.

MWAAHHH!!!!

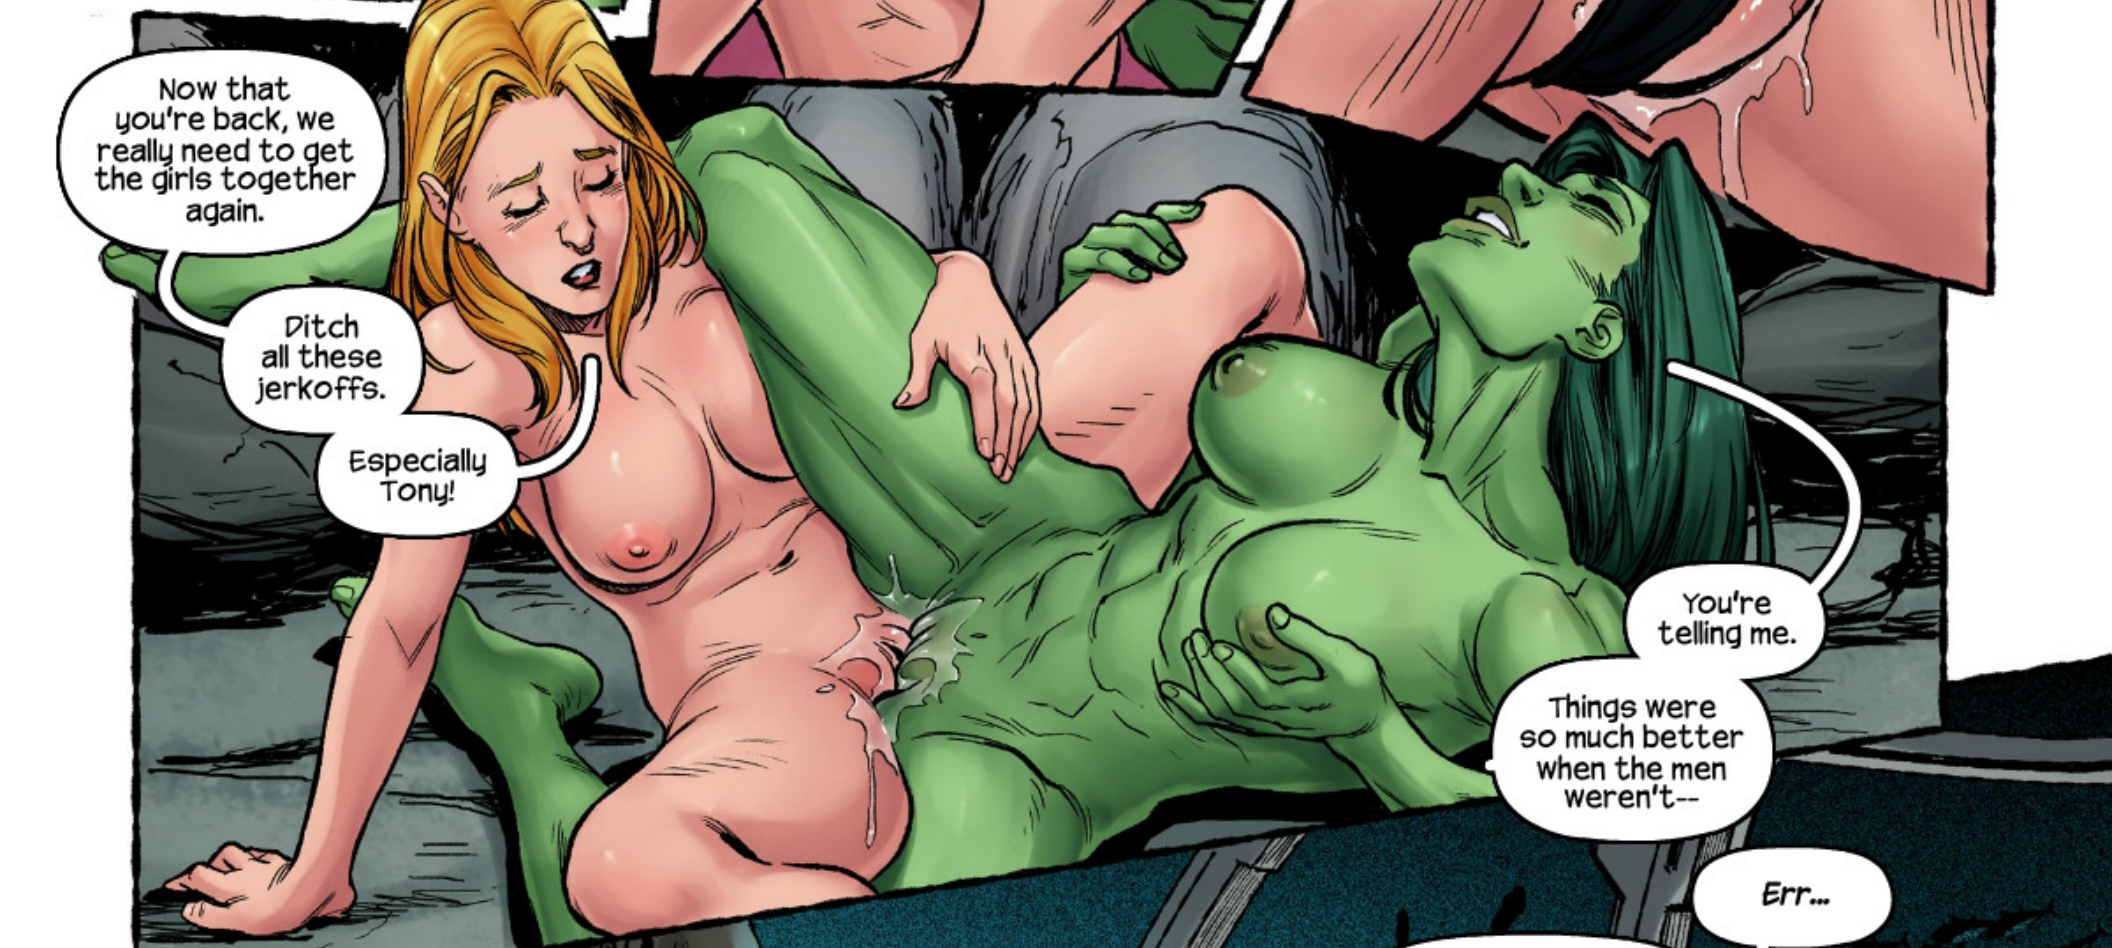

Fuck, it's been too long.

When was the last chance we had a moment to ourselves?

Just us? I don't know, probably A-Force.

Though the last time we did it, *Medusa* was with us too.

Oh yeah. Now *that*, was a good one.

Now that you're back, we really need to get the girls together again.

Ditch all these jerkoffs.

Especially Tony!

You're telling me.

Things were so much better when the men weren't--

What the-- SPIDER-MAN!?

Err...

Now might be a good time to say I'm in the room.

Kinda just got here.

Everyone else went upstairs though!

Passed them on the way down. So I thought this room was empty.

Cause I just got here. And totally wasn't peeping.

YOU WEBCRAWLING PERVERT!!

I'M SORRY I COULDN'T SEE ANYTHING CAUSE IT WAS SUPER FOGGY AND I HEARD WEIRD NOISES SO I WAS LIKE WHAT'S THAT?

AND THEN THE FOG CLEARED AND I WAS LIKE OH PROBABLY SHOULDN'T HAVE SEEN THAT.

AND YOU DECIDED TO STAY AND WATCH?

INVASION OF PRIVACY MUCH!?

I MEAN IT'S NOTHING I HADN'T SEEN BEFORE! Well not with you at least... Hi, Jen.

It's fine. It's all good, Carol.

It is? I thought you were all...

"Objectification bad, SHE-HULK SMASH!"

I mean, kinda, yeah. But Spidey's always been nice to me.

He's not gross, he's just... Kinda dumb and awkward.

Besides, we could use a little boy toy to play with.

What!?

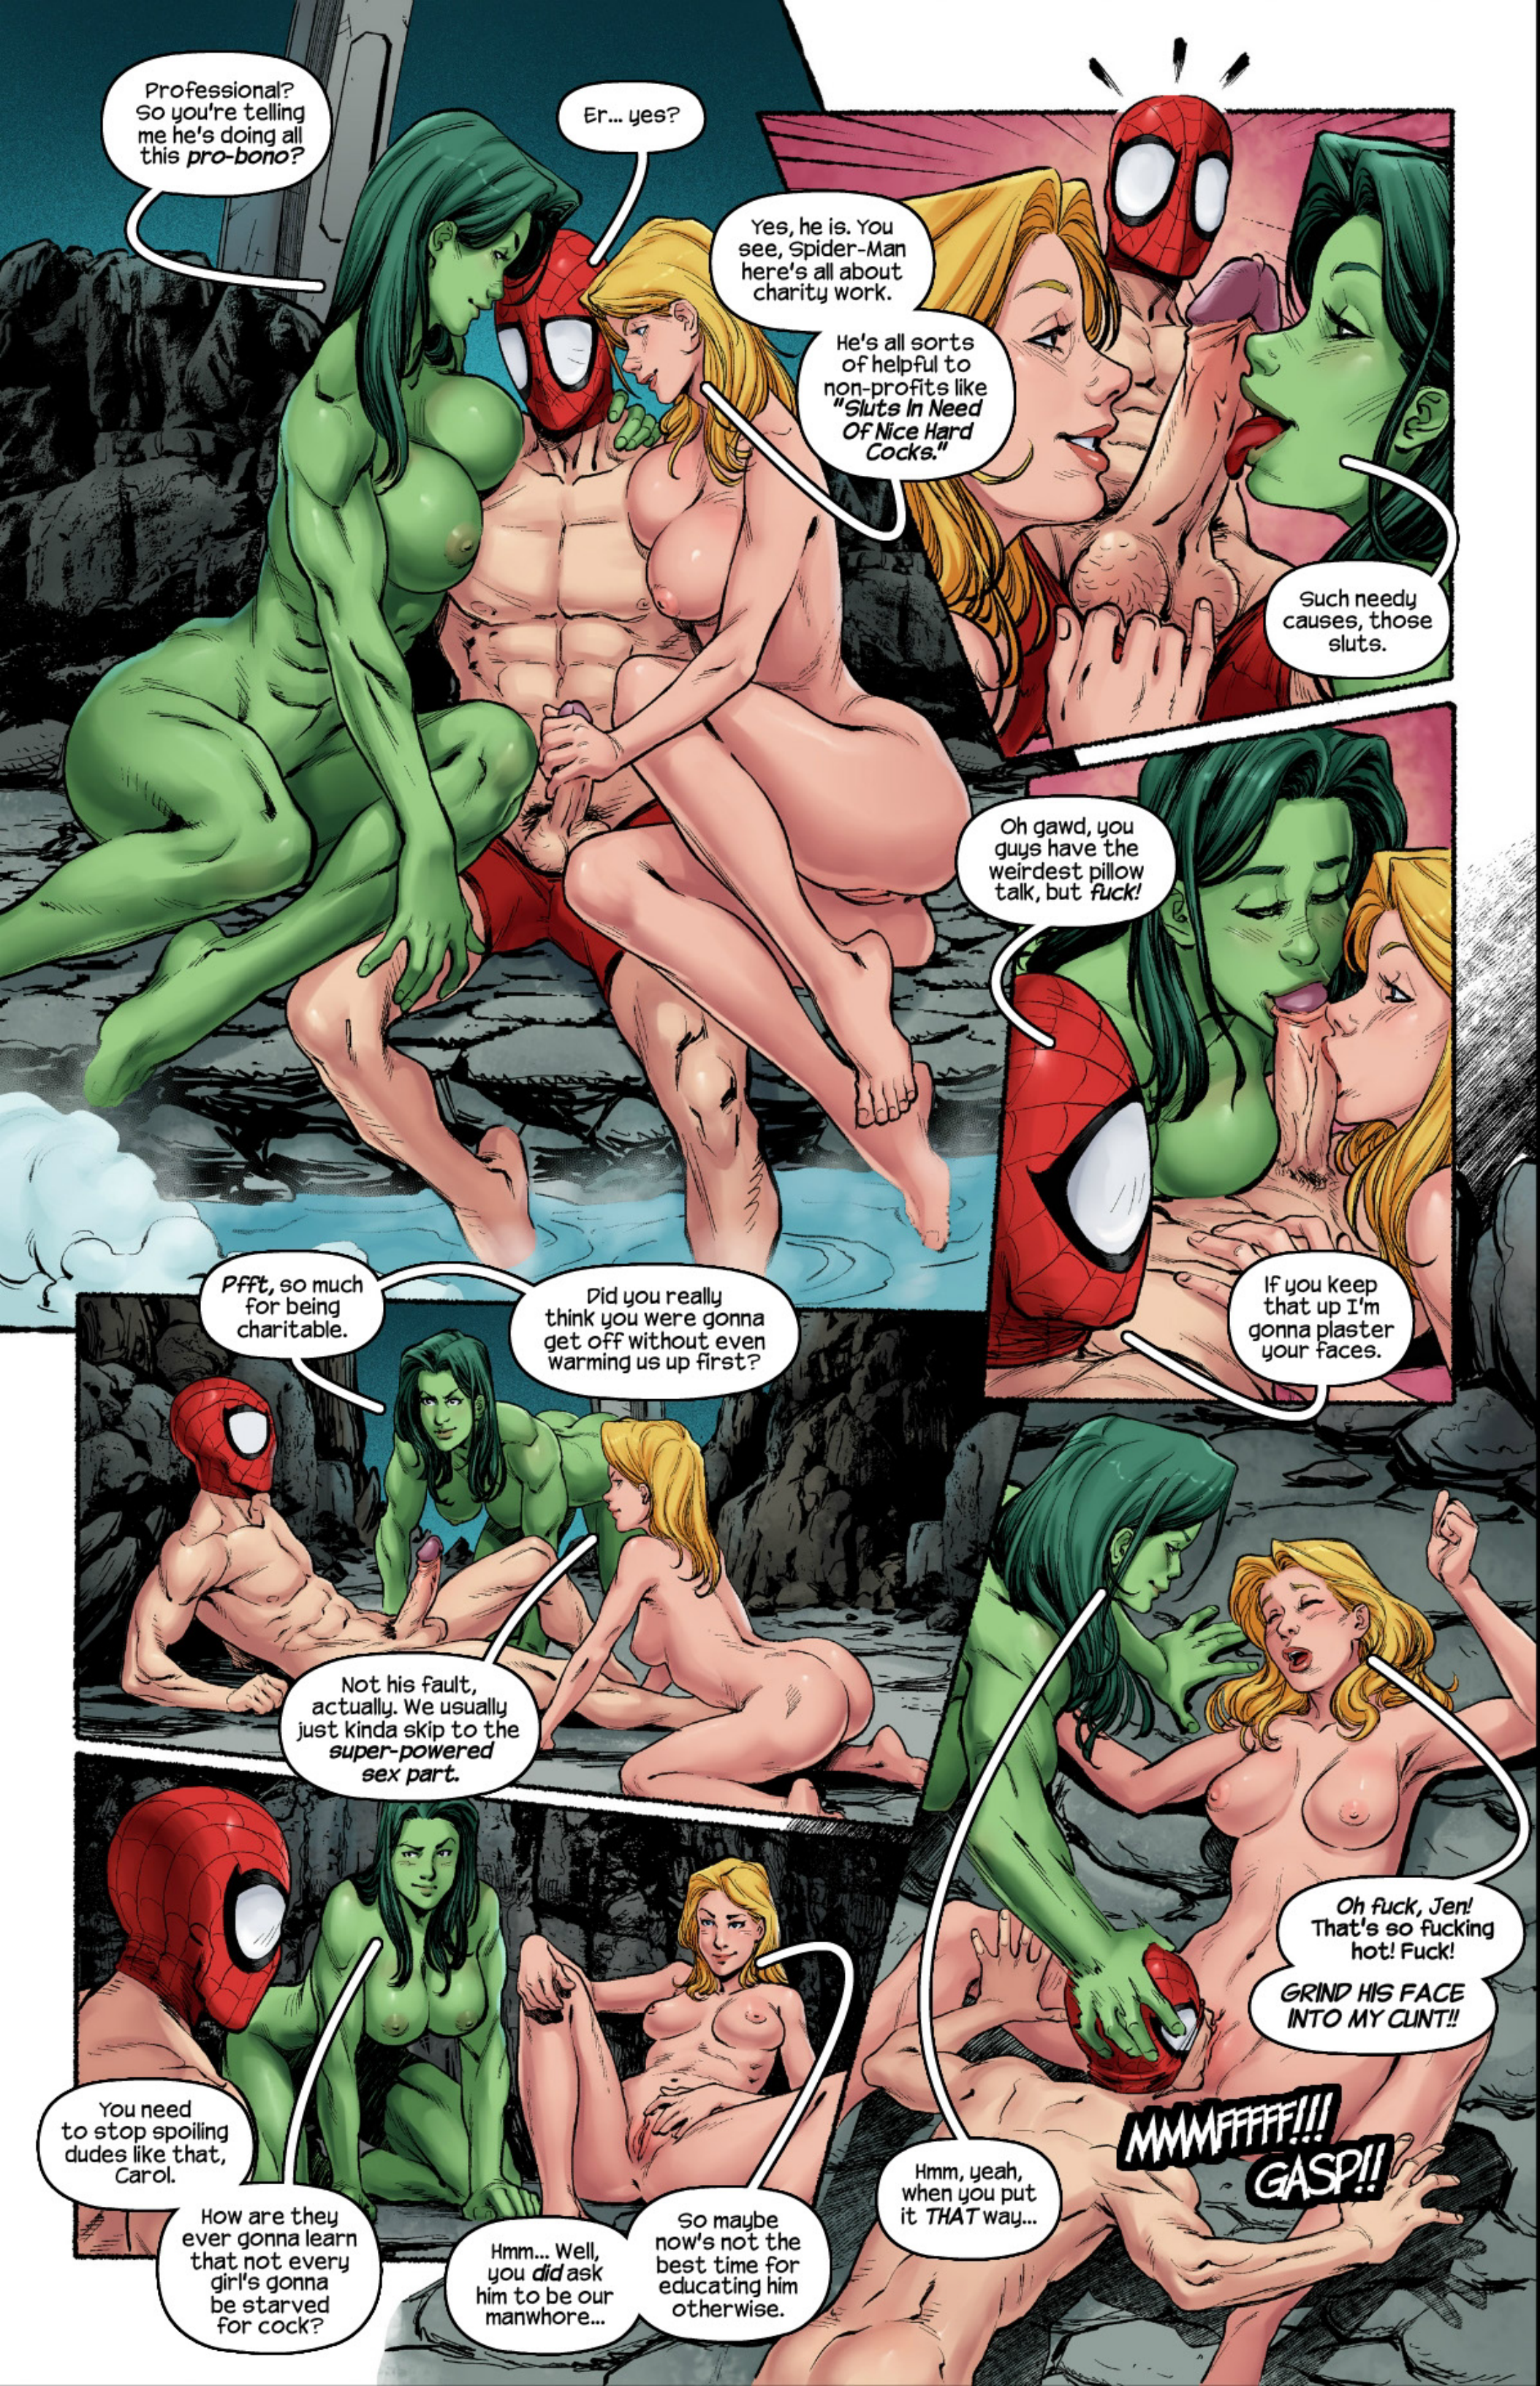

I kinda wanna see this infamous cock you've been raving about.

Hey pipsqueak, you down to be our personal manwhore?

Yep! All good!

Sigh.

Honestly he's more like a professional manwhore.

Professional?
So you're telling
me he's doing all
this *pro-bono*?

Er... yes?

Yes, he is. You
see, Spider-Man
here's all about
charity work.

He's all sorts
of helpful to
non-profits like
*"Sluts In Need
Of Nice Hard
Cocks."*

Such needy
causes, those
sluts.

Oh gawd, you
guys have the
weirdest pillow
talk, but *fuck!*

If you keep
that up I'm
gonna plaster
your faces.

Pfft, so much
for being
charitable.

Did you really
think you were gonna
get off without even
warming us up first?

Not his fault,
actually. We usually
just kinda skip to the
*super-powered
sex part.*

Oh fuck, Jen!
That's so fucking
hot! Fuck!

**GRIND HIS FACE
INTO MY CUNT!!**

You need
to stop spoiling
dudes like that,
Carol.

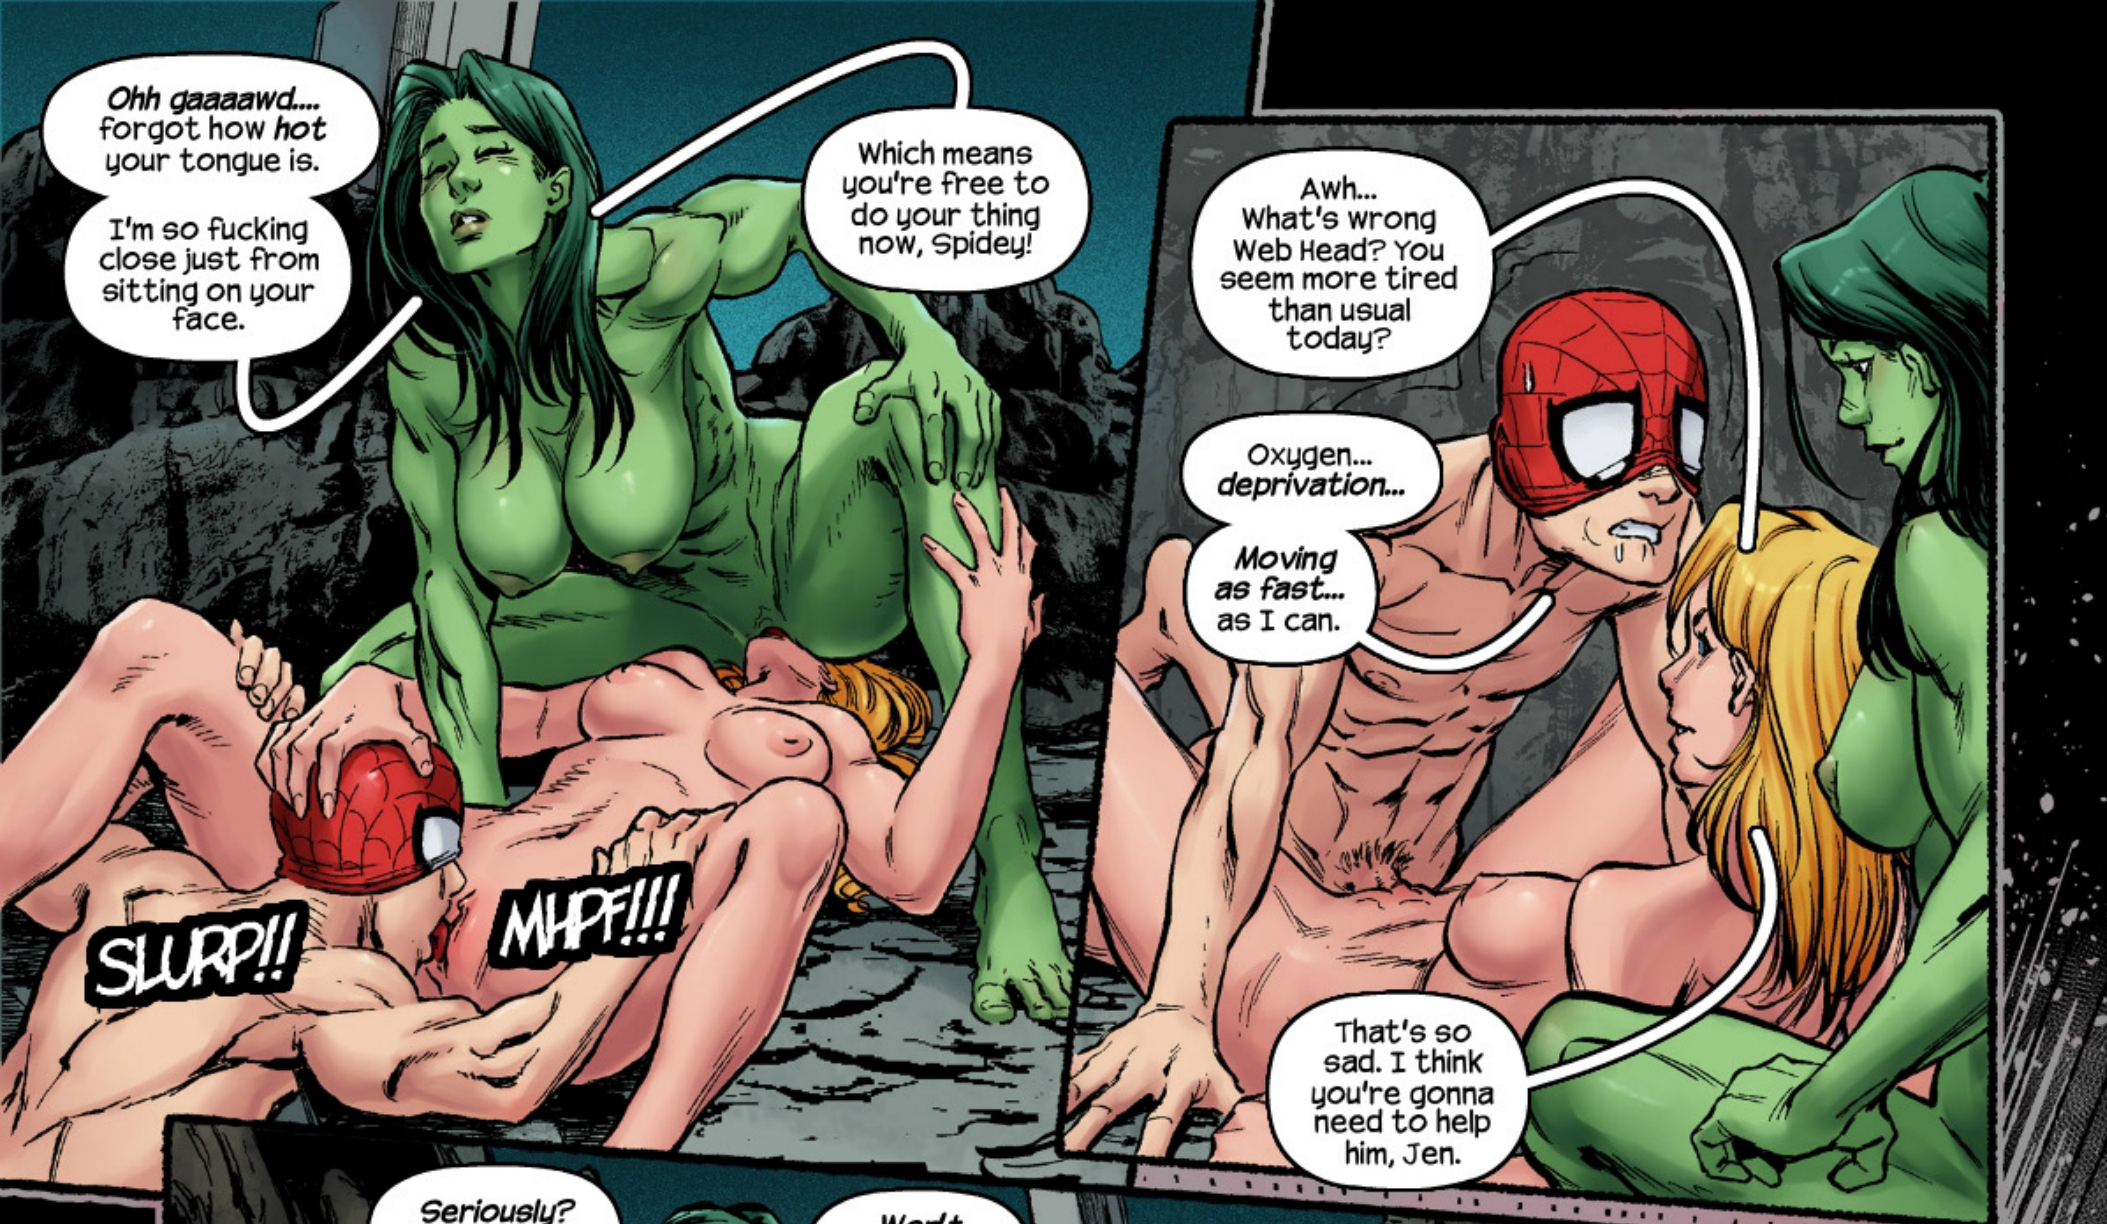

How are they
ever gonna learn
that not every
girl's gonna
be starved
for cock?

Hmm... Well,
you *did* ask
him to be our
manwhore...

So maybe
now's not the
best time for
educating him
otherwise.

Hmm, yeah,
when you put
it *THAT* way...

**MMMMFFFFF!!!
GASP!!**

Ohh gaaaawd... forgot how hot your tongue is.

I'm so fucking close just from sitting on your face.

Which means you're free to do your thing now, Spidey!

Awh... What's wrong Web Head? You seem more tired than usual today?

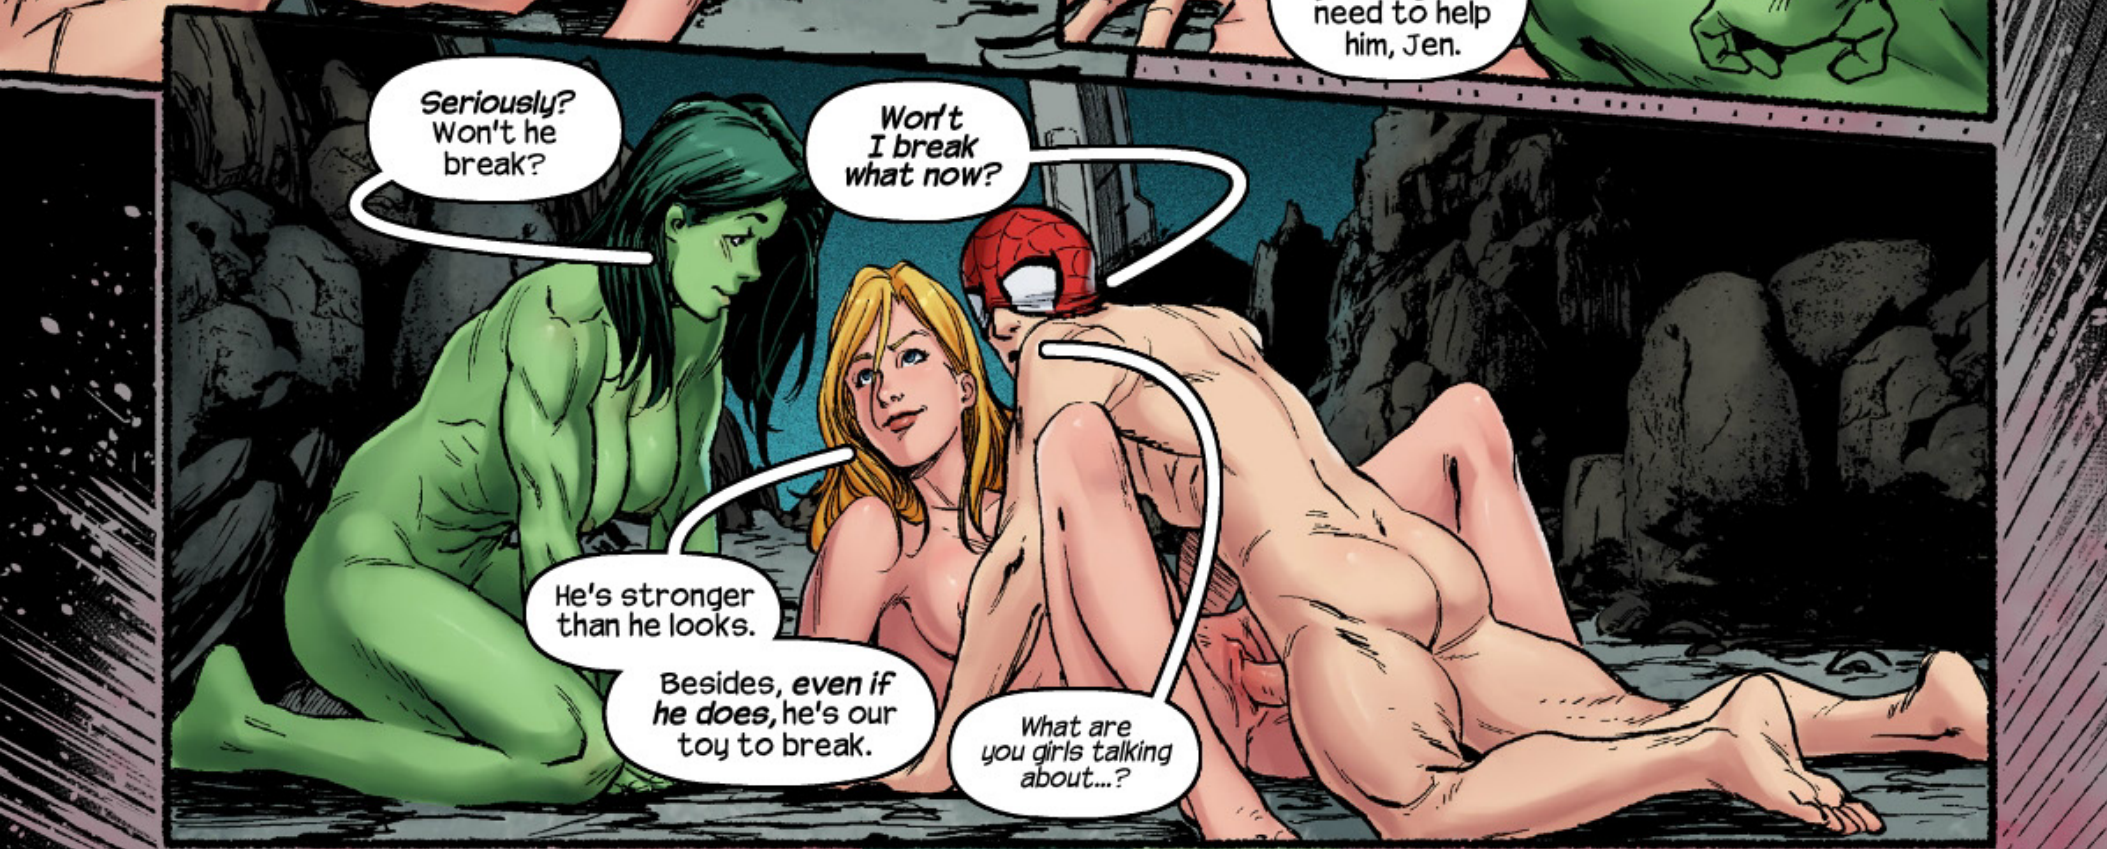

Oxygen... deprivation...

Moving as fast... as I can.

That's so sad. I think you're gonna need to help him, Jen.

SLURP!!

MHPF!!!

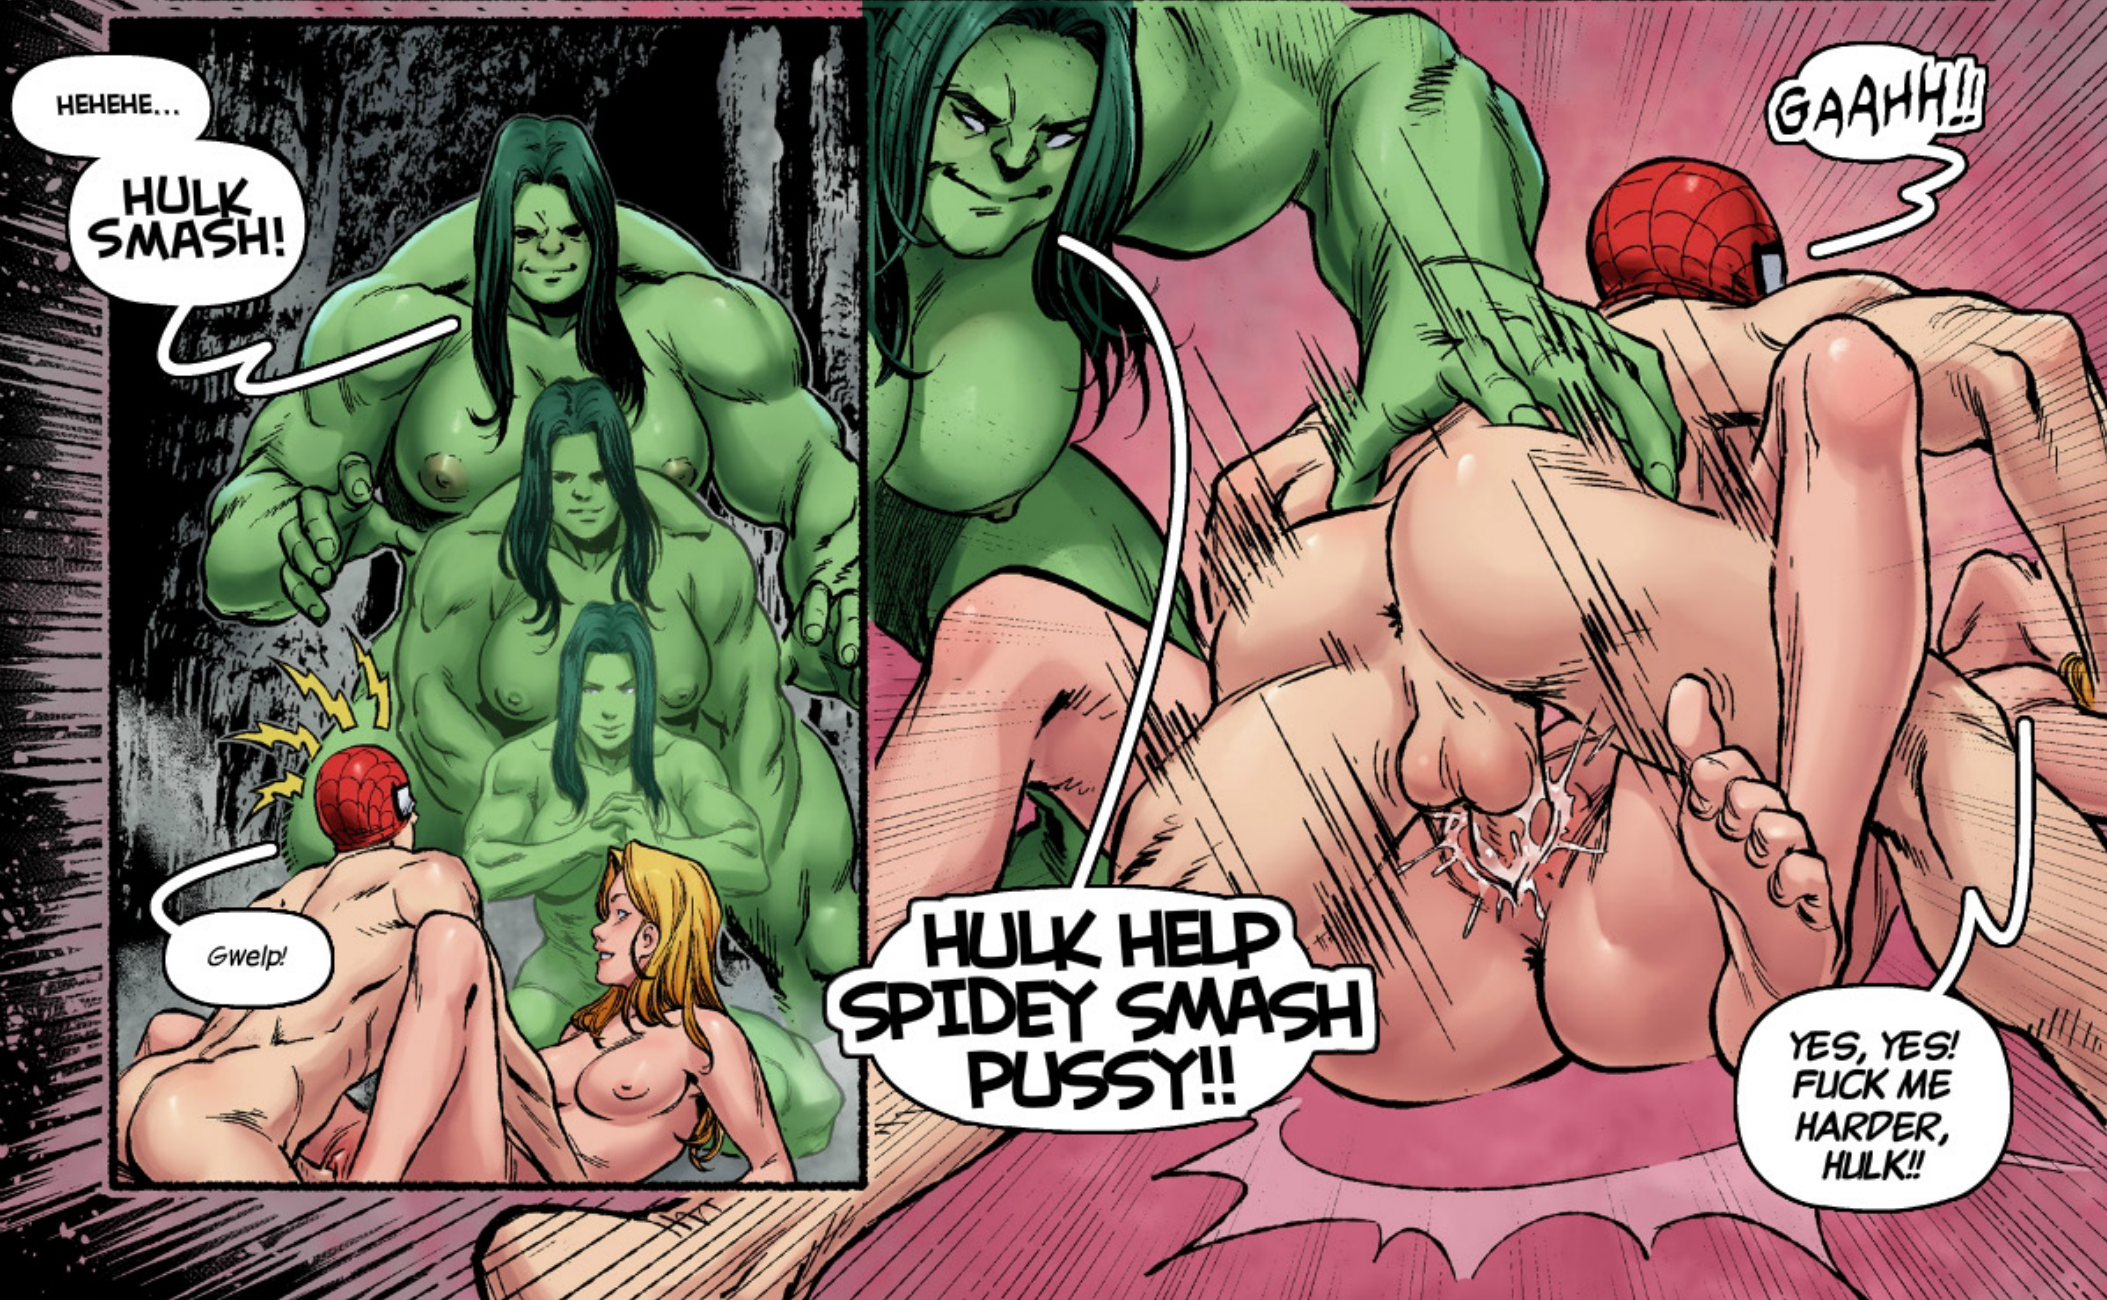

Seriously? Won't he break?

Wor't I break what now?

He's stronger than he looks.

Besides, even if he does, he's our toy to break.

What are you girls talking about...?

HEHEHE...

HULK SMASH!

Gwelp!

HULK HELP SPIDEY SMASH PUSSY!!

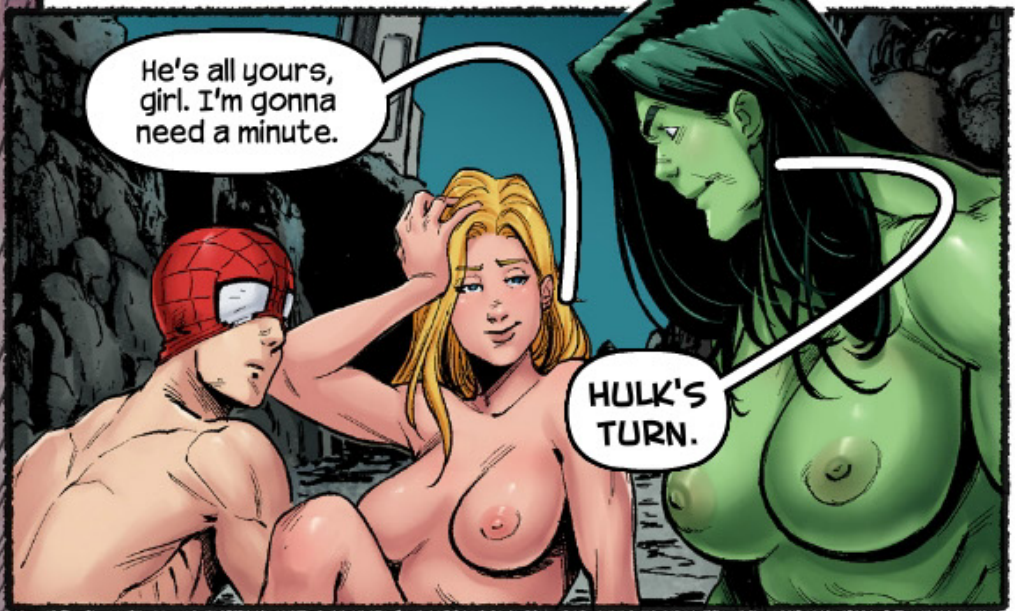

GAAHH!!

YES, YES! FUCK ME HARDER, HULK!!

OOOOO
OHNNNN
NNNNH...

Fuck!!

He's all yours, girl. I'm gonna need a minute.

HULK'S TURN.

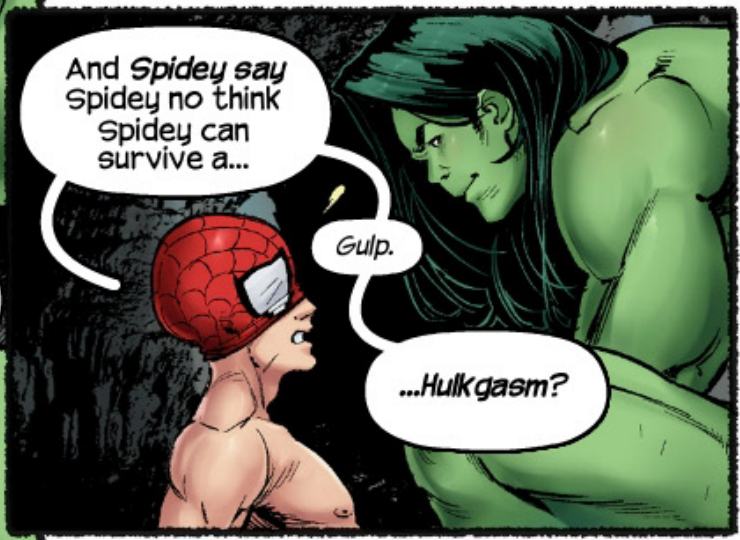

HULK'S TURN TO DO WHAT EXACTLY?!?!?

HEH. HULK SAY HULK RIDE PUNY SPIDER COCK COWGIRL...

...AND THEN HULKGASM.

And Spidey say Spidey no think Spidey can survive a...

Gulp.

...Hulkgasm?

Hmph... Fine! You wuss.

Thank you thank you thank you thank you...

Hey Jen, if you're looking for a kink...

Lookie what I found!

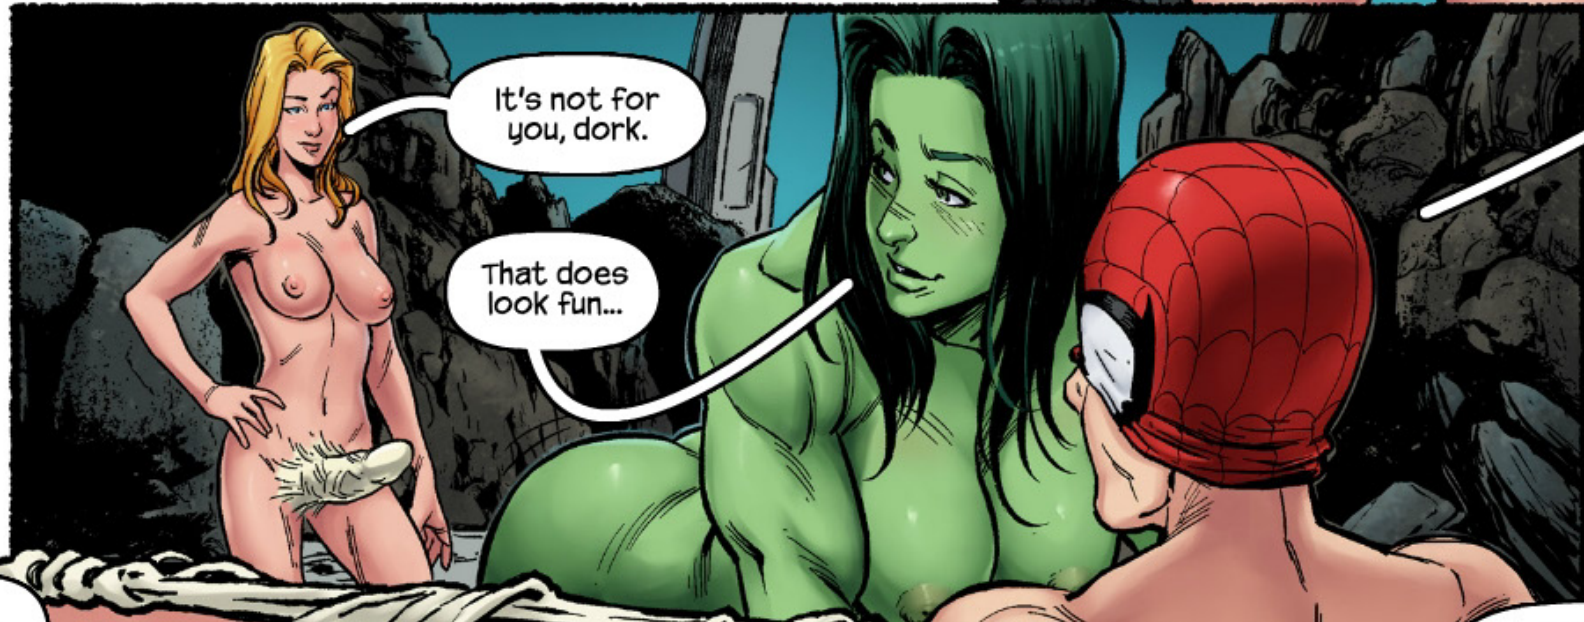

Are those my webshooters!?

I learned a thing or two about web-weaving on our previous hook-ups.

Think I got skilled enough to add a *second boy toy* to the mix.

LHMMM...
Manwhore no think manwhore swing that way.

It's not for you, dork.

That does look fun...

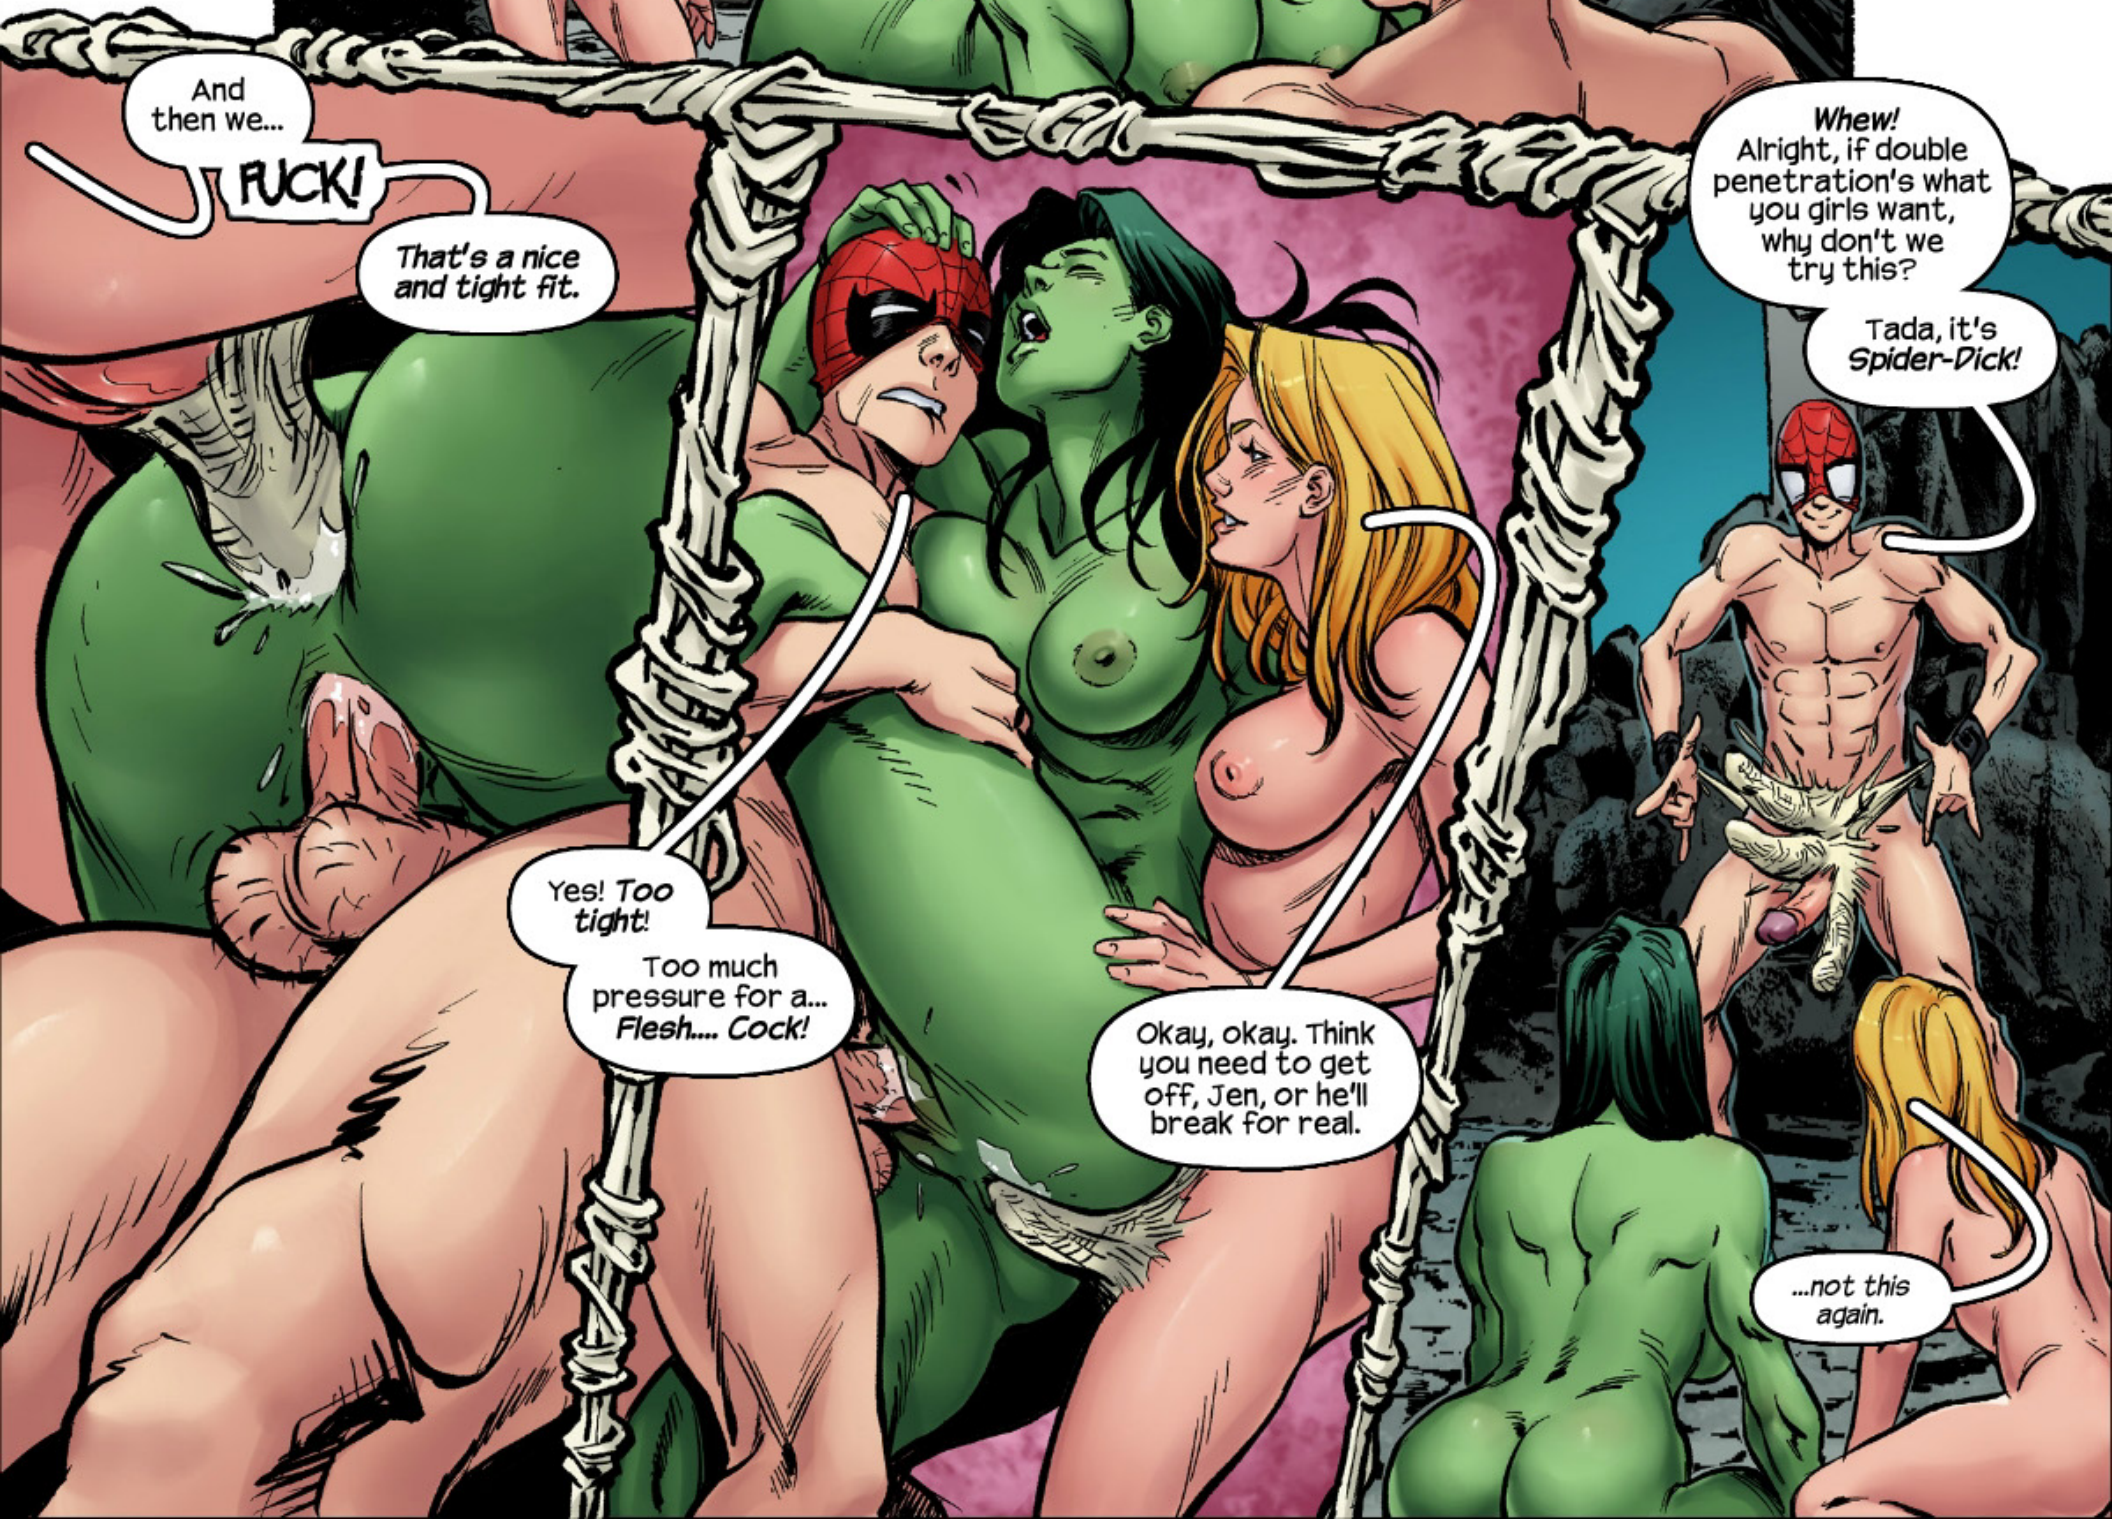

And then we...

FUCK!

That's a nice and tight fit.

Whew!
Alright, if double penetration's what you girls want, why don't we try this?

Tada, it's *Spider-Dick!*

Yes! *Too tight!*
Too much pressure for a... *Flesh.... Cock!*

Okay, okay. Think you need to get off, Jen, or he'll break for real.

...not this again.

Would've really helped--

OH GOD!!

If you were on the *bottom*--

CAROL!

You're watching **CAPTAIN MARVEL'S** ass clap on a double dildo you made. You don't get to complain.

Look at you, my little slut's finally growing some standards.

I wouldn't know about that. It's still such a *turn on* to put on a show for my man.

Oh gawd, Carol!

Damn, Jen!

I'm--

I'm gonna

SPIDER-GASM!!!!

So like, we just had sex in the carcass of a dead god. That's a new one for the bucket list.

Eh... I had already crossed that a while ago, when Deadpool got me into a--

...saving video file... COMPLETE!

The heck--!?

What!?

Oh, fuck... NO!!

Whore.

Oops... Looks like the jig's up, boys.

LADY JENNIFER! IF THIS BE THE TYPICAL BEDROOM BEHAVIOR YOU SEEK, THEN LET IT BE KNOWN THAT I UTTERLY APPROVE!

We heard crashing noises down here and I told the guys we should investigate. Sorry...

Apologize for nothing, kid. In fact, consider us even for earlier... You did good.

You three have created quite a fluster, here. I'm not even sure how to react...

The obvious thing now is to just join them and get rid of the sexual tension, Cap.

Well... There goes my plan of being less sexualized by the guys.

You so much as step a toe in that water, Tony, and I'll make you into another Ghost Rider.

Why do these things keep happening to me?
